Revival Praying:

Revival Praying: An Urgent and Powerful Message for the Family of Christ Leonard Ravenhill, 2020-07-10 Leonard Ravenhill presents prayer as faith in action in this fast paced presentation of this crucial subject He called prayer the most essential ingredient in producing revival Filled with exhortations and illustrations it teaches the art of effective praying which will result in revival Moody Monthly said This is a plea for praying that will melt the preacher s heart move the people and magnify the Lord Jesus Revival Praying Leonard Ravenhill, 1962 This book is a challenge to all who are deeply concerned about a full scale spiritual awakening in America Ravenhill begins by describing the great need for revival and then he utilizes the remaining chapters to effectively drive home the point He tells us that prayer is faith in action and therefore the most essential ingredient in the production of revivals The book is not only freighted with exhortations but filled with illustrations He takes us to both biblical and extra biblical examples of the art of effective praying The result is a fast paced presentation of a crucial and much neglected subject Back cover Revival Praying Scott Pauley, 2020-06 Is revival possible in our generation The Lord Jesus Christ said with God all things are possible Matthew 19 26 God is able to do more in a moment than we could in a lifetime The problem is not with His lack of power but with our lack of preparation Revival cannot be manufactured or manipulated Spiritual awakenings come when God s people connect their prayers to God s purpose In *Revival Praying* you will discover how one of the great prayers of the Bible can serve as a pattern for our prayer The God who is a consuming fire will work if we will build the altar *Revival Praying Bible Study Companion* Scott Pauley, 2020-09 God s people should not be in despair At the darkest moments in history the Lord has brought the greatest spiritual breakthroughs We may very well be standing on the verge of a revival in our generation People are desperate Hearts are hurting The best plans and ideas have failed And that is exactly where we have to come to if we expect to see God at work The end of us is the beginning of Him God s army can only advance on its knees and this is the time for sincere believers to get serious about prayer This Bible study guide is designed to be used as a companion to the full length book *Revival Praying* Please visit revivalpraying.com for additional resources *Praying for Revival* Eric Hayden, 2001 How often have you heard prayers for Revival in public How often have you prayed for Revival in private As Christians we all long for Revival We read accounts of revivals in the past with a mildly repressed envy We wish we would experience them in our local situation but having seen new methods come and go too often we resign ourselves to failure In this devotional book Eric Hayden reminds us of the necessity of prayer when we desire revival Looking at the thirty five prayers for revival found in the bible Hayden gives us a series of short studies on Revival and Prayer Hayden divides these prayers into seven sections Prayers revealing the Need for Revival Prayer for a Vision of Revival Prayer to the Sovereign God of Revival Prayers for Personal Revival Prayers for the Corporate Revival of God s People Prayers for National Revival Prayers for the Revival of God s Word With a chapter for each prayer we are shown how Prayer and Revival are intricately linked in Scripture and consequently in our every day lives This

is a wonderful book that will help revive in us the Biblical attitude to revival and remind us that Revival comes from God himself Why Revival Tarries Leonard Ravenhill,2004-08-01 Leonard Ravenhill s call to revival is as timely now as it was when rst published over forty years ago The message is fearless and often radical as he expounds on the disparity between the New Testament church and the church today Why Revival Tarries contains the heart of his message A W Tozer called Ravenhill a man sent from God who appeared at a critical moment in history just as the Old Testament prophets did Included are questions for group and individual study **Praying the Scriptures** Evan B. Howard,1999-01-11 Evan B Howard shows Christians how to recover and reap the rewards of the vital practice of praying from Scripture *The Urgent Need of the Hour* Charles A. Rhodus,2021-05-03 Yes prayer is the urgent need of the hour There is great power in this natural world There is the power of a handgun and there is the power of a nuclear bomb There are all kinds of power in this world but the power of God is realized by a praying man or woman The world has not yet seen the power that can be demonstrated by a person that gives himself wholly to prayer Prayer moves the hand that moves the universe Without prayer there is no hope for mankind for God works through those that pray For some prayer is a spare tire but for others it is their steering wheel The effectual fervent prayer still avails much Most churches today are formal and dead They are dead because of the lack of prayer These lifeless churches have dry baptismal pools Few guests walk through the door and the city does not even know they are there That can all change It can change in short order by one person that sets his heart to seek God by fervent prayer With this book you will learn the great art of intercessory prayer It is the most powerful prayer you can give You will also learn the importance of being sensitive to the Spirit I have put forty years of practice and study into this work I am confident that with the first chapter you will want to go pray It is one thing to read about prayer and it is another thing to practice it Consistency in prayer is vital You will learn about that along with the four different types of prayer These four channels once learned will be the key to knowing the movement and voice of God In this book I also give some personal testimonies of angelic experiences and how scores of taverns and nightclubs were bulldozed to the ground because of prayer Are you ready for the spirit of prayer to take hold of you Would it not be great if you looked forward to praying each day
