Revolution Day The Human Story Of The Battle For Iraq:

Revolution Day Rageh Omaar, 2005 Rageh Omaar reported from Iraq for six years prior to the conflict in 2003. He evaded the official minders to meet ordinary Iraqis, finding out how they lived under Saddam's brutal regime. Then war came and instead of retreating, he chose to stay in Baghdad to see firsthand the country he loved crumble beneath the Allied onslaught. His shocking account of the years of siege of the war that followed and its terrifying fallout is a heartbreaking and fascinating testament to a people enduring deprivation and destruction told by the man who was there before, during, and after.

Revolution Day Rageh Omaar, 2004-03 The Iraq War Anthony Tucker-Jones, 2014-03-31 The Iraq War is a visual record of the American-led Operation Iraqi Freedom of 2003 which resulted in the dramatic overthrow of dictator Saddam Hussein. In a striking sequence of photographs, Anthony Tucker-Jones shows how this was achieved by the American and British armed forces in a lightning campaign of just two weeks. But the photographs also show the disastrous aftermath when the swift victory was undermined by the outbreak of the Iraqi insurgency in the Shia south in Baghdad and the Sunni Triangle and in Fallujah where two ferocious battles were fought. The author, who is an expert on the Iraqi armed forces and has written extensively on the Iran-Iraq War and the Gulf War, gives a fascinating insight into the Iraqi army and air force and into the multitude of weapons systems Saddam purchased from around the world. He also looks at the failures on the American and British side, the flaws in the tactics that were used, the poor performance of some of the armoured fighting vehicles, and at the reformed Iraqi armed forces who have now taken responsibility for security in the country. The Iraq War is a vivid photographic introduction to a conflict that has only just passed into history.

Instant History Anil Maheshwari, 2021-07-18 A very enjoyable and educative book indeed. Bibek Debroy, Chairman Economic Advisory Council to the Prime Minister. An unusual book. Professor S. Irfan Habib, Former Maulana Azad Chair, National University of Educational Planning and Administration, New Delhi. The book is simply unputdownable. Rasheed Kidwai, Visiting Fellow ORF, Congress leader. Arjun Singh was aware of the imminent appointment of Dr. Manmohan Singh as the prime minister. What did he do to sway the decision in his favour? Did Prime Minister Chandra Shekhar help the religious leader Chandraswami escape the dragnet of the Enforcement Directorate? What prompted the editor of Hindustan Times to publish an article titled 'National Shame' on the front page of the newspaper? How did a typo in a copy received by All India Radio lead to an inquiry by the Pakistani authorities regarding a mole in their midst? **Instant History** is a brilliant insight into our recent history. A treasure trove for all those who believe that journalists write the first draft of history, this is an honest perspective on various issues in the context of many geographical complexities, political realities, and social dichotomies. Narrated through short pieces and snippets, it unveils several incidents and exposes ground realities that afflict politics, bureaucracy, and even journalism. Moreover, serving a slice of history, it documents changes India has witnessed across the last quarter of the preceding century, providing insights into the history of public administration. Anecdotal, humorous, and often caustic, **Instant History** is a
