

Rg Collingwood

Marnie Hughes-Warrington

Rg Collingwood:

History as a Science Jan van der Dussen, 2020-05-11 Since its appearance in 1981 *History as a Science* by Jan van der Dussen has been welcomed as a coherent and comprehensive study of the many aspects of Collingwood's philosophy of history including its development and reception The book was the first to pay attention to Collingwood's unpublished manuscripts and to his work as an archaeologist and historian herewith opening up a new angle in Collingwood studies The republication of this volume meets an increasing demand to make the book available for future Collingwood scholars and people interested in Collingwood's philosophy The present edition of *History as a Science* includes updated references to the published manuscripts and an added preface *R. G. Collingwood: A Research Companion* James Connelly, Peter

Johnson, Stephen Leach, 2014-11-20 R G Collingwood is an important 20th century historian archaeologist and philosopher whose works are the subject of continued interest analysis and study There is an unquestionable need to support this research activity with the provision of a reference guide which is fully up to date informed and authoritative The Companion therefore lists all primary and secondary material relevant to the study of Collingwood in all his fields of expertise historical theory philosophy and archaeology It also provides a guide to archive material relevant to his life together with sources and locations The resulting volume is an essential companion to the understanding of the life and thought of R G Collingwood

The Principles of History R. G. Collingwood, 1999-03-18 Published here for the first time is much of a final and long anticipated work on philosophy of history by the great Oxford philosopher and historian R G Collingwood 1889-1943 The original text of this uncompleted work has only recently been discovered It is accompanied by further shorter writings by Collingwood on historical knowledge and inquiry selected from previously unpublished manuscripts held at the Bodleian Library Oxford All these writings besides containing entirely new ideas discuss further many of the issues which Collingwood famously raised in *The Idea of History* and in his *Autobiography* The volume includes also two conclusions written by Collingwood for lectures which were eventually revised and published as *The Idea of Nature* but which have relevance also to his philosophy of history A lengthy editorial introduction sets these writings in their context and discusses philosophical questions to which they give rise The editors also consider why Collingwood left *The Principles of History* unfinished at his death and what significance should be attached to the fact that it contains no reference to the idea of historical understanding as re-enactment This volume will be a landmark publication not just in Collingwood studies but in philosophy of history generally **Essays in Political Philosophy** Robin George Collingwood, 1989 This book brings together for the first time the political and related writings of R G Collingwood 1889-1943 the great Oxford philosopher historian and archaeologist Including a great deal of previously unpublished or inaccessible material the writings place political action in the context of action as a whole and addresses substantive social and political issues particularly Nazism and Fascism which Collingwood recognized as a threat to European civilization

Essays in Political Philosophy Robin George Collingwood, 1989 This book brings together for the first time the political and related writings of R G Collingwood 1889-1943 the great Oxford philosopher historian and archaeologist Including a great deal of previously unpublished or inaccessible material the writings place political action in the context of action as a whole and addresses substantive social and political issues particularly Nazism and Fascism which Collingwood recognized as a threat to European civilization *The Idea of History* Robin George Collingwood, 1993 *The Idea*

of History is the best known work of the great Oxford philosopher historian and archaeologist R G Collingwood Published posthumously in 1946 it examines how the idea of history has evolved from the time of Herodotus to the twentieth century and offers Collingwood s own view of what history is This revised edition has a substantial new introduction which discusses how scholars have responded to Collingwood s classic over the last fifty years It also makes available for the first time some of Collingwood s lectures on the philosophy of history essential for a fuller understanding of his thought and in particular for the interpretation of The Idea of History itself

History Man Fred Inglis,2009-07-06 Best known today for his philosophies of history and art Collingwood was also a historian archaeologist sailor artist and musician A figure of enormous energy and ambition he took as his subject nothing less than the whole of human endeavor and he lived in the same way seeking to experience the complete range of human passion In this vivid and swiftly paced narrative Fred Inglis tells the dramatic story of a remarkable life from Collingwood s happy Lakeland childhood to his successes at Oxford his archaeological digs as a renowned authority on Roman Britain his solo sailing adventures in the English Channel his long struggle with illness and his sometimes turbulent romantic life from publisher description

The Philosophy of R.G. Collingwood William Debbins,Robin George Collingwood,1959

Collingwood's Metaphysics Guido Vanheeswijck,2024-12-31 This book explores R G Collingwood s concept of metaphysics It traces the evolution of Collingwood s thought on metaphysics through his published work posthumously published manuscripts and recently discovered course notes From 1933 to 1936 Collingwood s thought shifted considerably from the more orthodox Hegelian treatment of metaphysics as the study of the general nature of reality to the more historicist study of absolute presuppositions This radical conversion hypothesis has been for a long time the single most important issue in the interpretation of Collingwood s philosophy This book provides a fresh reappraisal of his thinking on metaphysics during these crucial years It argues that objective idealism is the key to unraveling the true scope of Collingwood s metaphysics This theory takes a mid position between mainstream interpretations in the secondary literature and forms the background to many of Collingwood s key ideas regarding metaphysics the philosophy of nature and the philosophy of history The book also compares Collingwood s concept of metaphysics to that of his predecessors contemporaries and followers The second part of the book focuses in detail on the similarities and differences between Collingwood s metaphysics and in chronological order the views on metaphysics of Dilthey Whitehead Ayer Wittgenstein Heidegger Berlin Ko akowski Strawson and Taylor Collingwood s Metaphysics will be of interest to scholars and graduate students interested in Collingwood s philosophy 20th century philosophy and metaphysics

Exploring the Philosophy of R. G. Collingwood Peter Skagestad,2020-11-26 Robin George Collingwood 1889 1943 was one of the most important philosophers of the 20th century with his work spanning theory of knowledge metaphysics philosophy of art philosophy of history and social and political philosophy The full range and reach of Collingwood s philosophical thought is covered by Peter Skagestad in this study Following Collingwood s education and his Oxford career Skagestad considers his relationship

with prominent Italian philosophers Croce and De Ruggiero and the British idealists. Taking Collingwood's publications in order, he explains under what circumstances they were produced and the reception of his work by his contemporaries and by posterity from *Religion and Philosophy* 1916 and *Speculum Mentis* 1923 to the posthumously published *The Idea of History* 1946. Featuring full coverage of Collingwood's philosophy of art, Skagestad also considers his argument in response to A. J. Ayer that metaphysics is the historical study of absolute presuppositions. Most importantly, Skagestad reveals how relevant Collingwood is today through his concept of barbarism as a perceptive diagnosis of totalitarianism and his prescient warning of the rise of populism in the 21st century.

A History of Modern Political Thought Gary Browning, 2016-10-27 How are we to understand past political thinkers? Is it a matter simply of reading their texts again and again? Do we have to relate past texts of political thought to the contexts in which ideas were composed and in which the aims of past thinkers were formulated? Or should past political theories be deconstructed so as to uncover not what their authors maintain but what the texts reveal? In this book, theories of interpreting past political thinkers are examined and the interpretive methods of a range of theories are reviewed, including those of Hegel, Marx, Oakeshott, Collingwood, the Cambridge School, Foucault, Derrida, and Gadamer. The application of these theories of interpretation to notable modern political theorists, Machiavelli, Hobbes, Locke, Rousseau, Kant, Hegel, Marx, Bentham, Mill, Nietzsche, and Beauvoir, is then used as a way of understanding modern political thought and of assessing interpretive theories of past political thought. The result is a book which sees the history of modern political thought as more than a procession of political theories but rather as a reflection on the meaning of past political thought and its interpretation. It provides a way of reading the history of modern political thought in which the question of interpretation matters both for understanding how we interpret the past but also for considering what it means to undertake political thinking.

R.G. Collingwood: An Introduction Peter Johnson, 1998-01-01 Why should modern philosophers read the works of R. G. Collingwood? His ideas are often thought difficult to locate in the main lines of development taken by twentieth-century philosophy. Some have read Collingwood as anticipating the later Wittgenstein; others have concentrated exclusively on the internal coherence of his thought. This work aims to introduce Collingwood to contemporary students of philosophy through direct engagement with his arguments. It is a conversation with Collingwood that takes as its subject matter the topics that interested him: philosophy and method, philosophy of mind, language and logic, the historical imagination, art and expression, action, metaphysics, and life, and which still preoccupy us today. The first introductory book on this major modern philosopher includes critical investigation of his thought; there is no similar work available.

R. G. Collingwood: An Autobiography and Other Writings Robin George Collingwood, 2013-10 This volume presents a many-faceted view of the great Oxford philosopher R. G. Collingwood. At its centre is his *Autobiography* of 1939, a cult classic for its compelling story of his thought. That work is accompanied here by previously unpublished writings by Collingwood and eleven specially written essays on aspects of his life and work.

Action as History Stein Helgeby, 2004 R. G. Collingwood's philosophy of history

reflected his historical practices and his moral philosophy Reflection on historical practice provided him with a theory of knowledge his moral philosophy provided him with a theory of the object of history This study shows how Collingwood's concepts of action and history developed together

The Philosophy of History: A Re-examination William Sweet, 2019-09-25 The philosophy of history is an area of interest not only to philosophers but to historians and to social scientists It has been of central importance in continental European philosophy since the late 18th century and for the past half century has had a significant place in Anglo American philosophy Interest in the philosophy of history continues to grow This volume offers both an introduction to contemporary discussion in the philosophy of history and a reassessment of some of the major movements in the philosophy of history since the beginning of the 20th century Including the work of leading international scholars in the field the book presents a wide range of perspectives from different schools in philosophy and in political and social theory history and the history of ideas Traditional questions raised in the philosophy of history are explored with fresh insight the nature of history historical understanding historical objectivity the nature of the past the psychological factors in historical explanation the human significance of history alongside issues which are less frequently examined including the role of science and mathematics in history history as a social science and history as an art form As history itself remains disputed ground it is important to consider what clues history can provide for our response to issues of contemporary concern such as political realignments and economic globalisation this volume offers important insights from leading scholars in the philosophy of history

Collingwood's The Idea of History Peter Johnson, 2012-12-27 The Idea of History is the best known work of the Oxford philosopher and historian RG Collingwood Published posthumously in 1946 it is in effect two books a historiography and a philosophy of history Students look to Collingwood for a history of thinking about history and to discover his ideas about the nature of historical understanding It is an indispensable text for historians and philosophers yet it is also highly challenging and many of Collingwood's innovations have been seriously misunderstood The primary focus of this book is on Collingwood's actual arguments especially the most radical of these with the aim of elucidating their construction and appraising them in the clearest possible way This guide is the ideal companion to Collingwood's classic text both for students coming to it for the first time and for those wishing to consider its arguments afresh It offers clear and concise accounts of the book's composition the intellectual context of Collingwood's ideas its central arguments concerning the nature of history and its reception and influence

The Afterlife of Idealism Admir Skodo, 2016-06-01 This book examines the legacy of philosophical idealism in twentieth century British historical and political thought It demonstrates that the absolute idealism of the nineteenth century was radically transformed by R G Collingwood Michael Oakeshott and Benedetto Croce These new idealists developed a new philosophy of history with an emphasis on the study of human agency and historicist humanism This study unearths the impact of the new idealism on the thought of a group of prominent revisionist historians in the welfare state period focusing on E H Carr Isaiah Berlin G R Elton Peter

Laslett and George Kitson Clark It shows that these historians used the new idealism to restate the nature of history and to revise modern English history against the backdrop of the intellectual social and political problems of the welfare state period thus making new idealist revisionism a key tradition in early postwar historiography Rethinking R.G. Collingwood Gary Browning, 2004-04-30 Rethinking R G Collingwood reviews Collingwood s thought via his own rethinking of Hegel It establishes the revisionary character of Collingwood s defence of liberal civilization in theory and practice Collingwood is seen as avoiding the pitfalls of Hegel s teleological historicism by developing an open and contestable reading of the rationality of liberal civilization which neither reduces practice to theory nor philosophy to history The contemporary relevance of Collingwood s standpoint is demonstrated by comparing it with those of recent defenders and critics of liberalism Rawls Lyotard and MacIntyre Interpreting R.G. Collingwood David Collins, Christopher Williams, 2024-09 Offering a comprehensive overview of R G Collingwood s contributions to several areas of philosophy this volume spans the wide range of his interests including metaphysics epistemology philosophy of mind aesthetics and political philosophy It will stimulate further examination of Collingwood and his legacy **How Good an Historian Shall I Be?** Marnie Hughes-Warrington, 2012-02-28 R G Collingwood s name is familiar to historians and history educators around the world Few however have charted the depths of his reflections on what it means to be educated in history In this book Marnie Hughes Warrington begins with the facet of Collingwood s work best known to teachers re enactment and locates it in historically informed discussions on empathy imagination and history education Revealed are dynamic concepts of the a priori imagination and education that tend towards reflection on the presuppositions that shape our own and others forms of life *History as Re-enactment* William H. Dray, 1995 A central motif of R G Collingwood s philosophy of history is the idea that historical understanding requires a re enactment of past experience However there have been sharp disagreements about the acceptability of this idea and even its meaning This book aims to advance the critical discussion in three ways by analysing the idea itself further concentrating especially upon the contrast which Collingwood drew between it and scientific understanding by exploring the limits of its applicability to what historians ordinarily consider their proper subject matter and by clarifying the relationship between it and some other key Collingwoodian ideas such as the place of imagination in historical inquiry the sense in which history deals with the individual the essential perspectivity of historical judgement and the importance of narrative and periodization in historical thinking Professor Dray defends Collingwood against a good deal of recent criticism while pointing to ways in which his position requires revision or development History as Re enactment draws upon a wide range of Collingwood s published writings and makes considerable use of his unpublished manuscripts It is the most systematic study yet of this central doctrine of Collingwood s philosophy of history and will stand as a landmark in Collingwood studies

Rg Collingwood Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rg Collingwood free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rg Collingwood free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Rg Collingwood free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source

before downloading Rg Collingwood. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rg Collingwood any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Rg Collingwood Books

1. Where can I buy Rg Collingwood books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Rg Collingwood book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Rg Collingwood books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Rg Collingwood audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Rg Collingwood books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
