Porter, 2022-06-13 This detailed reference work provides a comprehensive and wide ranging introduction to classical rhetoric as it was practised in the hellenistic period 330 B C A D 400 In three sections it provides a thorough description and analysis of the standard categories of thought terminology and theoretical and historical developments of classical rhetoric as well as providing useful bibliographies The three sections of essays define the major categories of rhetoric analyze rhetorical practice according to genre of writing and treat individual writers in the rhetorical tradition 27 international scholars from a wide range of backgrounds have contributed to this high quality publication which provides an state of the art overview of the current research and will form the basis of future explorations Students of the rhetoric of the New Testament the hellenistic period the classical period and the patristic era will all find this volume useful and insightful as will those with general interests in these subjects This publication has also been published in hardback no longer available [The Rhetoric of Jesus in the Gospel of Mark](#) Michael Strickland, David M. Young, 2017-11-15 Young and Strickland analyze the four largest discourses of Jesus in Mark in the context of Greco Roman rhetoric in an attempt to hear them as a first century audience would have heard them The authors demonstrate that contrary to what some historical critics have suggested first century audiences of Mark would have found the discourses of Jesus unified well integrated and persuasive They also show how these speeches of the Markan Jesus contribute to Mark's overall narrative accomplishments **Paul in the Greco-Roman World: A Handbook** J. Paul Sampley, 2016-10-06 This landmark handbook written by distinguished Pauline scholars and first published in 2003 remains the first and only work to offer lucid and insightful examinations of Paul and his world in such depth Together the two volumes that constitute the handbook in its much revised form provide a comprehensive reference

resource for new testament scholars looking to understand the classical world in which Paul lived and work Each chapter provides an overview of a particular social convention literary of rhetorical topos social practice or cultural mores of the world in which Paul and his audiences were at home In addition the sections use carefully chosen examples to demonstrate how particularly features of Greco Roman culture shed light on Paul s letters and on his readers possible perception of them For the new edition all the contributions have been fully revised to take into account the last ten years of methodological change and the helpful chapter bibliographies fully updated Wholly new chapters cover such issues as Paul and Memory Paul s Economics honor and shame in Paul s writings and the Greek novel

Latin Rhetoric and Education in the Middle Ages and Renaissance James J. Murphy, 2023-07-21 The essays in this volume deal with the history of rhetoric and education for the thousand years from the early Middle Ages to the European Renaissance They represent the author s pioneering efforts over four decades to piece together a kind of mosaic which will provide elements necessary to construct a history of that thousand years of language activity Some essays deal with individual writers like Giles of Rome Peter Ramus Gulielmus Traversanus or Antonio Nebrija some focus on the influence of Cicero and Quintilian and other ancient sources The essays dealing specifically with education open up different inquiries into the ways language use was promoted and by whom Others explore the relations between Latin rhetoric and medieval English literature and finally several deal with the impact of printing a subject still not completely understood

Williams, 2009-05-04 An anthology of primary texts in translation An Introduction to Classical Rhetoric offers an overview of the social cultural and intellectual factors that influenced the development and growth of rhetoric during the classical period Uses primary source material to analyze rhetoric from the Sophists through St Augustine Provides an in depth introduction to the period as well as introductions to each author and each selection Includes study guides to help students develop multiple perspectives on the material stimulate critical thinking and provide starting points for dialogue Highlights include Gorgias s Palamedes Antiphon s Truth Isocrates Helen and Plato s Protagoras Each selection is followed by suggested writing topics and a short list of suggested additional readings

[Paul's Letters and Contemporary Greco-Roman Literature](#) Paul Robertson, 2016-05-23 In this volume Paul Robertson re-describes the form of the apostle Paul s letters in a manner that facilitates transparent empirical comparison with texts not typically treated by biblical scholars Paul s letters are best described by a set of literary characteristics shared by certain Greco Roman texts particularly those of Epictetus and Philodemus Paul Robertson theorizes a new taxonomy of Greco Roman literature that groups Paul s letters together with certain Greco Roman ethical philosophical texts written at a roughly contemporary time in the ancient Mediterranean This particular grouping termed a socio literary sphere is defined by the shared form content and social purpose of its constituent texts as well as certain general similarities between their texts authors

The Corinthian Body Dale B. Martin, 1999-01-01 Annotation In this intriguing discussion of Paul s first letter to the Corinthians Dale Martin contends that Paul s various

disagreements with the Corinthians were the result of a fundamental conflict over the ideological construction of the human body and hence the church as the body of Christ This led to differing opinions on a variety of theological viewpoints including the role of rhetoric and philosophy in a hierarchical society the eating of meat sacrificed to idols prostitution sexual desire and marriage and the resurrection of the body Book jacket *Paul and Ancient Rhetoric* Stanley E. Porter, Bryan R.

Dyer, 2016-02-24 The Apostle Paul lived and breathed in a Hellenistic culture that placed high value on the art of rhetoric and recent advances in rhetorical criticism of the New Testament have resulted in a new emphasis on the rhetorical aspect of his letters As many scholars have pointed out however it is not clear to what extent ancient rhetoric actually influenced Paul and his writing or how important rhetoric is for interpreting the Pauline corpus This volume containing contributions from major figures in the field provides a nuanced examination of how ancient rhetoric should inform our understanding of Paul and his letters The essays discuss Paul's historical context present innovative advances in and trenchant critiques of rhetorical theory and offer fresh readings of key Pauline texts Outlining the strengths and weaknesses of a widely used approach *Paul and Ancient Rhetoric* will be a valuable resource for New Testament and Classics scholars Encyclopedia of Rhetoric and Composition Theresa Enos, 2013-10-08 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company

The Rhetoric of the New Testament Duane F. Watson, 2019-05-21 A new comprehensive bibliography of books and articles on the rhetoric of the New Testament published since AD 1500 The bibliography is arranged by categories which include Jewish heritage invention arrangement style hermeneutics with specific listings for each book of the NT It is prefaced with a select bibliography of primary and secondary sources on classical and modern rhetoric An invaluable research tool

Josephus' Contra Apionem, 2018-12-10 This volume offers a state of the art collection of papers on one of the most significant works of Flavius Josephus by many of the leading scholars in current Josephus research The collection which includes a concordance by H Schreckenberg of the Latin section *Contra Apionem* 2 52 113 forms a standard indispensable resource for the study of Josephus writings of apologetic literature in general and particularly for the study of *Contra Apionem* one of the most significant apologetic treatises in Antiquity **Teaching as Paul Taught** Roy Check B.

Zuck, 2003-11-20 Though books on Paul's life and writing abound very few works have examined the apostle's teaching techniques In this companion to *Teaching as Jesus Taught* Roy Zuck probes Paul's pedagogy to discover principles for effective teaching today According to Zuck the apostle Paul stands as a master teacher Analyzing and following Paul's educational goals and strategies Zuck writes can help us become better teachers of God's Word Examining his pedagogy can acquaint us with a number of important principles and procedures in teaching *Teaching as Paul Taught* explores the many New Testament references to Paul's teaching as well as the historical and cultural context in which the apostle taught Zuck carefully organizes this extensive material around fifteen key questions regarding the teaching ministry of Paul Over twenty tables and questions for reflection at the end of each chapter aid readers in following Paul's example The result is a

comprehensive and practical handbook for everyone involved in a teaching ministry

The Invectives of Sallust and Cicero Anna Novokhatko, 2009-05-05 This work covers the history of the text of the invectives of Sallust against Cicero and of Cicero against Sallust Though these speeches seem unsophisticated to some they are in fact of considerable importance The question of the authenticity of both invectives especially of the invective against Cicero considered in the book diachronically has long troubled scholars commencing with Quintilian's quotation from the text as though it were authentic This dispute continues down to our own time In all probability both invectives are a product of the rhetorical schools of Rome as students at such schools might have been set the task of writing a speech against Cicero imitating Sallust or of responding to Sallust in the style of Cicero Thus we possess a sample of rhetorical school exercises preserved due to their similarities to the prototypes on which they were modelled The work covers the full manuscript tradition of the text and also the history of the changes which arose during its transmission the history of the printed text and the text itself with an apparatus criticus and also a translation This work should be of interest to classicists philologists interested in the history of medieval and renaissance texts and also to those erudite readers concerned with rhetorical style and the functioning of the rhetorical schools of Rome

The Apostle Paul Stanley E. Porter, 2016-09-23 In this comprehensive introduction to the apostle Paul Stanley Porter devotes serious consideration both to the background and major contours of Paul's thought and to the unique contributions of each of his letters Porter begins by introducing the Pauline tradition and outlining the basics of Paul's life the chronology of his ministry and his several imprisonments Porter then discusses the background to Paul's thought examines some of the major themes of his writings and treats issues concerning the Pauline epistles such as pseudonymity and canon Finally Porter delves into all thirteen of Paul's letters individually placing them within their historical contexts and examining critical issues relating to the content and interpretation of each letter The result is a thorough balanced treatment of one of the most important figures in Christianity

New Testament Rhetoric, Second Edition Ben Witherington III, Jason A. Myers, 2022-09-28 Witherington and Myers provide a much needed introduction to the ancient art of persuasion and its use within the various New Testament documents More than just an exploration of the use of the ancient rhetorical tools and devices this guide introduces the reader to all that went into convincing an audience about some subject Witherington and Myers make the case that rhetorical criticism is a more fruitful approach to the NT epistles than the oft employed approaches of literary and discourse criticism Familiarity with the art of rhetoric also helps the reader explore non epistolary genres In addition to the general introduction to rhetorical criticism the book guides readers through the many and varied uses of rhetoric in most NT documents not only telling readers about rhetoric in the NT but showing them the way it was employed This brief guide book is intended to provide the reader with an entrance into understanding the rhetorical analysis of various parts of the NT the value such studies bring for understanding what is being proclaimed and defended in the NT and how Christ is presented in ways that would be considered persuasive in antiquity from the introduction

The

History and Theory of Rhetoric James A. Herrick, 2015-08-07 The History and Theory of Rhetoric offers discussion of the history of rhetorical studies in the Western tradition from ancient Greece to contemporary American and European theorists that is easily accessible to students. By tracing the historical progression of rhetoric from the Greek Sophists of the 5th Century B C all the way to contemporary studies such as the rhetoric of science and feminist rhetoric, this comprehensive text helps students understand how persuasive public discourse performs essential social functions and shapes our daily worlds. Students gain conceptual framework for evaluating and practicing persuasive writing and speaking in a wide range of settings and in both written and visual media. Known for its clear writing style and contemporary examples throughout, The History and Theory of Rhetoric emphasizes the relevance of rhetoric to today's students.

Deciphering the Worlds of Hebrews Gabriella Gelardini, 2021-04-19 In the collection entitled Deciphering the Worlds of Hebrews, Gabriella Gelardini gathers fifteen essays written in the last fifteen years, twelve of which are in English and three in German. Arranged in three parts, the world of behind and in front of Hebrews's text, her articles deal with such topics as structure and intertext, sin and faith, atonement and cult, as well as space and resistance. She reads Hebrews no longer as the enigmatic and homeless outsider within the New Testament corpus as the Melchizedekian being without genealogy; rather, she reads Hebrews as one whose origin has finally been rediscovered, namely in Second Temple Judaism.
