Airhart, Marilyn J. Legge, Gary L. Redcliffe, 2002-05-30 Doing Ethics in a Pluralistic World is an apt title for this collection of essays in honour of Roger C Hutchinson who over many decades has encouraged and participated in shaping a Canadian contextual social ethics His abiding interest in social ethics and in religious engagement with public issues is reflected in his life's work seeking the consensus and self knowledge required to achieve cooperation in the search for a just participatory and sustainable society One of Roger Hutchinson's many notable accomplishments is his development of a method of dialogue for ethical clarification in situations of diversity Some of the essays collected here apply this method to specific issues while others discuss how religious persons and organizations can and do co operate in a pluralistic world to

achieve social and ecological well being All essays are of keen interest to those concerned with the role and function of ethics at the matrix of religious conviction and social transformation For nearly three decades Roger Hutchinson has been based at Victoria University in Toronto first in religious studies then at Emmanuel College where he completed his teaching career as professor of church and society while serving as principal from 1996 to 2001 [Doing Ethics in a Pluralistic World](#) Helen M. beyond philological study including social scientific approaches to the materials Based on the framework each chapter undertakes with appropriate methodological caveats an avenue of inquiry open to the social scientist that brings to bear social scientific questions and modes of inquiry to Mishnaic evidence **Obedience, Suspicion and the Gospel of Mark** Lydia Neufeld Harder, 2006-01-01 How do our social political and religious commitments influence our interpretation of biblical texts Are obedience and suspicion necessarily opposite ways to respond to the authority of the Bible Can one criticize and be transformed at the same time Lydia Neufeld Harder explores these questions from the vantage point of a scholar a feminist and a member of a faith community A hermeneutics of obedience rising out of the Mennonite theological tradition and a hermeneutics of suspicion advocated by many feminist theologians seem to represent opposite approaches to the Bible's authority The resulting polarization could easily have led to static definitions of authority and the subtle domination of those who differ from the majority However by focusing on the common theological concept of discipleship Harder has constructed a critical dialogue beginning a process of creative change in her own view of authority This new view opens the way for an interpretation of the Gospel of Mark A new appreciation of both the power and the vulnerability of the biblical text leads to a view of authority that embraces both suspicion and obedience in a dynamic interpretative process **Faith and Fiction** Barbara Pell, 2006-01-01 Is it possible to write an artistically respectable and theoretically convincing religious novel in a non religious age Up to now there has been no substantial application of theological criticism to the works of Hugh MacLennan and Morley Callaghan the two most important Canadian novelists before 1960 Yet both were religious writers during the period when Canada entered the modern non religious era and both greatly influenced the development of our literature MacLennan's journey from Calvinism to Christian existentialism is documented in his essays and seven novels most fully in *The Watch that Ends the Night* Callaghan's fourteen novels are marked by tensions in his theology of Catholic humanism with his later novels defining his theological themes in increasingly secular terms This tension between narrative and metanarrative has produced both the artistic strengths and the moral ambiguities that characterize his work *Faith and Fiction* A Theological Critique of the Narrative Strategies of Hugh MacLennan and Morley Callaghan is a significant contribution to the relatively new field studying the relation between religion and literature in Canada *The Oxford Handbook of Jewish Studies* Martin Goodman, Jeremy Cohen, David Sorkin, 2002 This volume on Jewish studies presents surveys of today's interests and directions in the humanities and social sciences It covers the main areas taught and researched as part of Jewish studies in universities throughout the world especially in Europe the US and Israel *Reading Law* James W. Watts, 1999-06-01 Watts here argues that conventions of oral rhetoric were adapted to shape the literary form and contents of the Pentateuch The large scale structure stories introducing lists of laws that conclude with divine sanctions reproduces a common ancient strategy for persuasion The laws use of direct address historical motivations and frequent repetitions serve rhetorical ends and even the legal contradictions seem designed to appeal to competing constituencies The

instructional speeches of God and Moses reinforce the persuasive appeal by characterizing God as a just ruler and Moses as a faithful scribe. The Pentateuch was designed to persuade Persian period Judaeans that this Torah should define their identity as Israel.

Canadian Methodist Women, 1766-1925 Marilyn Färdig Whiteley, 2006-01-01 Canadian Methodist women like women of all religious traditions have expressed their faith in accordance with their denominational heritage. Canadian Methodist Women 1766 1925 Marys Marthas Mothers in Israel analyzes the spiritual life and the varied activities of women whose faith helped shape the life of the Methodist Church and of Canadian society from the latter half of the eighteenth century until church union in 1925. Based on extensive readings of periodicals biographies autobiographies and the records of many women s groups across Canada as well as early histories of Methodism Marilyn F rdig Whiteley tells the story of ordinary women who provided hospitality for itinerant preachers taught Sunday school played the melodeon selected and supported women missionaries and taught sewing to immigrant girls thus expressing their faith according to their opportunities. In performing these tasks they sometimes expanded women s roles well beyond their initial boundaries. Focusing on religious practices Canadian Methodist Women 1766 1925 provides a broad perspective on the Methodist movement that helped shape nineteenth and early twentieth century Canadian society. The use and interpretation of many new or little used sources will interest those wishing to learn more about the history of women in religion and in Canadian society.
