Rhetoric A Users Guide:

Rhetoric John D. Ramage, 2006 This book for advanced composition courses focuses on the theories of Kenneth Burke rhetoric as equipment for living in order to help students move beyond a mere accumulation of knowledge about the field of rhetoric and move toward a genuine ability to think rhetorically Presenting rhetorical theory as an invaluable tool for construing and constructing everything from personal identity to political speeches to cell phone usage John Ramage's new guide stresses the real world applications of rhetoric and offers a focused coherent treatment of the subject *Rhetoric in Detail* Barbara Johnstone, Christopher Eisenhart, 2008 The eleven studies in this volume illustrate and advance the synthesis of discourse analysis with rhetorical studies *Rhetoric in Detail* shows how a variety of techniques from discourse analysis can be useful in studying such concerns as agency legitimation controversy and style and how concepts from rhetoric including genre and figuration can enrich the work of discourse analysts The authors research sites range from government commissions political speeches newspaper reports and letters to interviews and conversations in beauty salons and online Methodological overviews interspersed throughout survey critical discourse analysis interactional sociolinguistics grounded theory computer aided corpus analysis narrative analysis and participant observation and provide suggestions for further reading *Rhetoric in Detail* is an invaluable source for rhetoricians looking for systematic grounded ways of approaching new more vernacular sites for rhetorical discourse and for discourse analysts interested in seeing what they can learn from the tradition and practice of rhetorical analysis *Rhetoric and Experience Architecture* Liza Potts, Michael J. Salvo, 2017-08-04 Organizations value insights from reflexive iterative processes of designing interactive environments that reflect user experience I really like this definition of experience architecture which requires that we understand ecosystems of activity rather than simply considering single task scenarios Donald Norman *The Design of Everyday Things* *Encyclopedia of Rhetoric and Composition* Theresa Enos, 2013-10-08 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company **Theorizing Histories of Rhetoric** Michelle Ballif, 2013-02-25 During the decades of the 1980s and 1990s historians of rhetoric composition and communication vociferously theorized historiographical motivations and methodologies for writing histories in their fields After this fertile period of rich contested and impassioned theorization scholars busily undertook the composition of numerous historical works complicating master narratives and recovering silenced voices and rhetorical practices Yet though historians in these fields have gone about the business of writing histories the discussion of theorization has been quiet In this welcome volume fifteen scholars consider once again the theory of historiography asking difficult questions about the purposes and methodologies of writing histories of rhetoric broadly defined and questioning what it means what it should mean what it could mean to write histories of rhetoric composition and communication The topics addressed include the privileging of the literary and the textual over material artifacts as prime sources of evidence in the study of classical rhetoric the use of rhetorical hermeneutics as a methodology for interpreting

past practices the investigation of feminist methodologies that do not fit into the dominant modes of feminist historiographical work and the examination of archives with a queer eye to better construct nondiscriminatory narratives Contributors also explore the value of approaching historiography through the lenses of jazz improvisation and complexity theory and the historiographical method of writing the future in ways that refigure our relationships to time and to ourselves Consistently thoughtful and carefully argued these essays successfully revive the discussion of historiography in rhetoric inspiring fresh avenues of exploration in the field

Digital Rhetoric Douglas Eyman, 2015-06-01 A survey of a range of disciplines whose practitioners are venturing into the new field of digital rhetoric examining the history of the ways digital and networked technologies inhabit and shape traditional rhetorical practices as well as considering new rhetorics made possible by current technologies

Silence: A User's Guide, Volume One Maggie Ross, 2014-09-10 Silence is essential for the health and well being of humans and the environment in which they live Yet silence has almost vanished from our lives and our world Of all the books that claim to be about silence this is the only one that addresses silence directly Silence A User s Guide is just what the title says it is a guide to silence which is both a vast interior spaciousness and the condition of our being in the natural world This book exposes the processes by which silence can transfigure our lives what Maggie Ross calls the work of silence it describes how lives steeped in silence can transfigure other lives unawares It shows how the work of silence was once understood to be the foundation of the teaching of Jesus and how this teaching was once an intrinsic part of Western Christianity it describes some of the methods by which the institution suppressed the work of silence and why religious institutions are afraid of silence Above all this book shows that the work of silence gives us a way of being in the world that is more than we can ask for or imagine

A User's Guide to Bible Translations David Dewey, 2005-01-27 David Dewey offers an easy to use handbook for digging through the mountain of Bible translation options until you find the right Bible for the right purpose

Style, Rhetoric and Creativity in Language Paul Simpson, 2019-11-15 This commemorative volume comprises ten essays which celebrate the work of Walter Bill Nash Bill Nash was an extraordinary scholar a classicist parodist critic musician linguist poet polyglot humourist and novelist He was as adroit in his reading of the Old Norse sagas as he was in his analyses of the rhetorical composition of everyday English usage and his published outputs embrace the stylistic rhetorical compositional and creative topographies of both language and literature The contributions that comprise this volume are all by well known scholars in the field and each essay celebrates Nash s prodigious offering by covering the academic fields with which he was particularly associated These fields include composition rhetoric discourse analysis English usage comic discourse creative writing and the stylistic exploration of literature from the Old English period to that of the present day

Theorizing Digital Rhetoric Aaron Hess, Amber Davisson, 2017-07-20 Theorizing Digital Rhetoric takes up the intersection of rhetorical theory and digital technology to explore the ways in which rhetoric is challenged by new technologies and how rhetorical theory can illuminate discursive

expression in digital contexts The volume combines complex rhetorical theory with personal anecdotes about the use of technologies to create a larger philosophical and rhetorical account of how theorists approach the examinations of new and future digital technologies This collection of essays emphasizes the ways that digital technology intrudes upon rhetorical theory and how readers can be everyday rhetorical critics within an era of ever increasing use of digital technology Each chapter effectively blends theorizing between rhetoric and digital technology informing readers of the potentiality between the two ideas The theoretical perspectives informed by digital media studies rhetorical theory and personal professional use provide a robust accounting of digital rhetoric that is timely personable and useful

A Rhetorics of the Word George Pattison, 2019-11-28 A Rhetorics of the Word is the second volume of a three part philosophy of Christian life It approaches Christian life as expressive of a divine calling or vocation The word Church *ekklesia* and the role of naming in baptism indicate the fundamental place of calling in Christian life However ideas of vocation are difficult to access in a world shaped by the experience of disenchantment The difficulties of articulating vocation are explored with reference to Weber Heidegger and Kierkegaard These are further connected to a general crisis of language manifesting in the degradation of political discourse Arendt and the impact of new communications technology on human discourse This impact can be seen as reinforcing an occlusion of language in favour of rationality already evidenced in the philosophical tradition and technocratic management New possibilities for thinking vocation are pursued through the biblical prophets with emphasis on Buber's and Rosenzweig's reinterpretation of the call of Moses Saint John and Russian philosophies of language Florensky to Bakhtin Vocation emerges as bound up with the possibility of being name bearers enabling a mutuality of call and response This is then evidenced further in ethics and poetics where Levinas and Hermann Broch The Death of Virgil become major points of reference In conclusion the themes of calling and the name are seen to shape the possibility of love the subject of the final part of the philosophy of Christian life A Metaphysics of Love

Stalinist Genetics Dmitri Stanchevici, 2017-03-02 Stalinist Genetics focuses on the rhetoric of T D Lysenko the founder of an agrobiological doctrine Lysenkoism in the Stalinist Soviet Union Using not only scientific but also political and ideological arguments Lysenko achieved an official ban on Soviet Mendelian genetics Though the ban was brief and Lysenkoism as a leading biological doctrine was eventually deposed in favor of Mendelism Lysenkoism remains a paradigmatic example of pernicious political interference in science In this study the critical orientation for reading Lysenko's major speeches is constitutional rhetoric It combines Kenneth Burke's dialectic of constitutions and rhetoric of the subject Painting a nuanced picture of intellectual economic ideological and political life in the Soviet Union of the 1930s and 1940s the book demonstrates how the rhetorics of Lysenkoism and Mendelism interacted with Stalinist culture in the fight for dominating Soviet science The reader will learn how Lysenko's constitutional rhetoric created a space where scientific terms transformed into political and ideological ones and vice versa The book also shows how in a dialectical flip the Lysenkoist rhetoric eventually turned from tool to master Contrary to Lysenko's intentions his

language gave his opponents Soviet Mendelians grounds on which to defend their science and criticize Lysenkoism Stanchevici forcefully reasserts the blurriness of the boundaries between science and politics and argues that scientific language reveals more plasticity and adaptability to the political situation than has hitherto been assumed Intended Audience Scholars in rhetoric history and philosophy of science graduate or upper division undergraduate course in the rhetoric of science or technical communication **Rhetoric and the Global Turn in Higher Education** Christopher

Minnix,2018-03-09 This book studies the role of rhetoric in the expansive movement for global higher education in U S colleges and universities Drawing on an analysis of how discourses of security economy and ethics shape the rhetoric of global higher education as well as that of its populist and nationalist critics the author argues for an understanding of global higher education as a site of rhetorical conflict over visions of students as citizens In doing so the work advances the project of transnational rhetorical education a theoretical and pedagogical project that can foster forms of rhetorical inquiry performance and ethics that equip students to pursue transnational forms of civic engagement belonging and resistance This book will be of interest to scholars and students in the fields of rhetoric and composition studies communication and education as well as to faculty and administrators working in global higher education or internationalization programs

Metaliteracy in Practice Trudi E. Jacobson ,Thomas P. Mackey,2017-11-22 **Business Rhetoric in German Novels** Ernest Schonfield,2018 Argues on the evidence of nine major German novels that literature and business have in common a reliance on language understood in a creative performative and rhetorical sense *Race, Rhetoric, and Technology* Adam J.

Banks,2006-08-15 This book examines the Digital Divide in light of America s larger racial divide in an attempt to figure out what meaningful access for African American to technologies and the larger American society can or should mean **Expel**

the Pretender Eve Wiederhold,2015-04-01 Political fights are not waged over who is speaking the truth but over whether any given claim seems to be authentic Expel the Pretender Rhetoric Renounced and the Politics of Style examines how rhetorical style influences judgments about how to communicate integrity and good will Eve Wiederhold argues that attitudes about style s significance to judgment are both undertheorized and over determined especially when style is regarded as an embellishment rather than as a constitutive aspect of language use Examining news reports covering controversial speakers including President Bill Clinton Linda Tripp and the Rev Jeremiah Wright she demonstrates how rhetorical style is both belittled and yet remains a focal point for assessing public figures who have been publicly rebuked and discredited Expel the Pretender claims style as a conflicted site of materiality critiquing contemporary rhetorical theories that configure style as a dependable resource for democratic inquiry Wiederhold argues that conceptions of style s significance to judgment must be reframed to understand how we make decisions about who and what to believe **Propaganda and Rhetoric in**

Democracy Gae Lyn Henderson,M. J. Braun,2016-10-20 The study of propaganda s uses in modern democracy highlights important theoretical questions about normative rhetorical practices Is rhetoric ethically neutral Is propaganda How can

facticity accuracy and truth be determined Do any circumstances justify misrepresentation Edited by Gae Lyn Henderson and M J Braun *Propaganda and Rhetoric in Democracy History Theory Analysis* advances our understanding of propaganda and rhetoric Essays focus on historical figures Edward Bernays Jane Addams Kenneth Burke and Elizabeth Bowen examining the development of the theory of propaganda during the rise of industrialism and the later changes of a mass mediated society Modeling a variety of approaches case studies in the book consider contemporary propaganda and analyze the means and methods of propaganda production and distribution including broadcast news rumor production and globalized multimedia political party manifestos and university public relations *Propaganda and Rhetoric in Democracy* offers new perspectives on the history of propaganda explores how it has evolved during the twentieth and twenty first centuries and advances a much more nuanced understanding of what it means to call discourse propaganda

PCOS Discourses, Symbolic Impacts, and Feminist Rhetorical Disruptions of Institutional Hegemonies Marissa C. McKinley, 2023-09-05 *PCOS Discourses Symbolic Impacts and Feminist Rhetorical Disruptions of Institutional Hegemonies* examines the power of hegemonic institutions and their impact on bodies focusing on how women with Polycystic Ovarian Syndrome PCOS employ rhetorical strategies to resist and disrupt mass media and clinical discourses that seek to define them and their experiences This monograph argues that through the enactment of bio power Foucault digital and mass media have denied women with PCOS opportunities for autonomous subject formation and in turn allowances for constructing their ontologies and epistemologies However by networking in participatory new media McKinley posits women with PCOS can reclaim their agency To support this argument McKinley rhetorically examines three PCOS artifacts a television episode an online popular culture forum and an online health forum This monograph bridges the personal and the academic and adds to and extends the work being done in the *Rhetoric of Health and Medicine RHM* on PCOS through the adoption of a unique theoretical lens e g Lisa Melon on s performative phenomenology and methodology e g Norman K Denzin s Feminist Communitarian Model and contributes to conversations surrounding femaleness femininity women s health challenges and advocacy as located in *RHM* scholarship and related fields
