Rhetoric The Wit Of Persuasion The Language Library:

Rhetoric Walter Nash,1992 *Rhetoric* Walter Nash,1989 **Language Crimes** Roger Shuy,1996-06-03 *Language Crimes* tells the story of some of the remarkable criminal court cases in which Roger Shuy has served as a consultant or expert witness These intriguing cases show how linguistic analysis can help the courts unravel the ambiguities of taped conversations used in evidence **The Routledge Handbook of Stylistics** Michael Burke,2023-05-29 This second edition of *The Routledge Handbook of Stylistics* provides a comprehensive introduction and reference point to key areas in the field of stylistics The four sections of the volume encompass a wide range of approaches from classical rhetoric to cognitive neuroscience Issues that are covered include historical perspectives centring on rhetoric formalism and functionalism the elements of stylistic analysis including foregrounding relevance theory conversation analysis narrative metaphor speech and thought presentation and point of view current areas of influential research such as cognitive poetics corpus stylistics critical stylistics multimodality creative writing and reader response four newly commissioned chapters in the emerging fields of cognitive grammar forensic linguistics the stylistics of children s literature and a corpus stylistic study of mental health issues All of these new chapters are written by leading researchers in their respective fields Each of the 33 chapters in this volume is written by a specialist Each chapter provides an introduction to the subject an overview of its history an instructive example of how to conduct a stylistic analysis a section with recommendations for practice and a discussion of possible future developments in the area for readers to follow up on *The Routledge Handbook of Stylistics* second edition is essential reading for researchers postgraduates and undergraduate students working in this area *Style, Rhetoric and Creativity in Language* Paul Simpson,2019-11-15 This commemorative volume comprises ten essays which celebrate the work of Walter Bill Nash Bill Nash was an extraordinary scholar a classicist parodist critic musician linguist poet polyglot humourist and novelist He was as adroit in his reading of the Old Norse sagas as he was in his analyses of the rhetorical composition of everyday English usage and his published outputs embrace the stylistic rhetorical compositional and creative topographies of both language and literature The contributions that comprise this volume are all by well known scholars in the field and each essay celebrates Nash s prodigious offering by covering the academic fields with which he was particularly associated These fields include composition rhetoric discourse analysis English usage comic discourse creative writing and the stylistic exploration of literature from the Old English period to that of the present day *The Literary Language of Shakespeare* S.S. Hussey,2018-10-08 Professor Hussey looks at the vocabulary syntax and register of Renaissance English following this with a more detailed analysis of particular kinds of language in the plays such as prose verse rhetoric and the soliloquy For this new edition the text has been revised throughout with in particular a completely new chapter providing detailed readings of selected plays illustrating the ways particular aspects of language can be studied in practice *Subject Guide to Books in Print* ,1993 *Creating Texts* Walter Nash,David Stacey,2014-09-25 *Creating Texts* emphasises a practical

approach to composition and enables students to understand what is involved in the creation of a text and to learn from the practice of other writers Extensively rewritten and updated from Walter Nash's earlier volume *Designs in Prose* attention is paid to the general theory of composition in both traditional and original terms so that students are made familiar with the basic resources of composition in grammar and in the lexicon The essence of every chapter is the discussion of examples of text sometimes devised by the authors but more often drawn from the work of authors writing in diverse styles of English This practical approach is most evident in the final section of the book where detailed suggestions for projects and exercises reinforce the connection between theory and practice and encourage students to develop their creative sense and to adapt their style of writing to fit the particular audience and context In addition this section is cross referenced to the main text to allow students to consult easily the relevant chapter

Persuading People Robert Cockcroft, Susan Cockcroft, Craig Hamilton, 2013-12-01 This fascinating and practical book explores persuasive techniques in the English language and is the ideal introduction for students and others with a professional interest in persuasion Using a wide range of lively and accessible illustrative material Robert Cockcroft and Susan Cockcroft unpick the complexities of persuasive language both written and spoken and enable readers to develop and enhance their rhetorical skills Now thoroughly revised and expanded the second edition of this successful text includes Developed application of cognitive linguistic theory which sheds new light on the emotional and logical powers of persuasion Extended and updated examples of rhetoric in action Clear pointers for further study to allow readers to continue their exploration into rhetorical theory and practice A new final chapter which invites readers to practice their skills using updated versions of traditional rhetorical exercises

Rhetorical Affect in Early Modern Writing R. Cockcroft, 2002-12-10 Emotive language is now best understood by combining the analytic techniques of classical rhetoric with current linguistic practices With or without prompting the passions of Renaissance culture can stir contrary feelings in today's readers which are enlisted to validate a range of theorised responses This book will mediate between critics readers the author and the original audience using the New Rhetoric to open fresh perspectives on writers as diverse as Christopher Marlowe Lucy Hutchinson and Margaret Cavendish
