Theology and Literature: Rethinking Reader Responsibility G. Ortiz,C. Joseph,2006-05-12 By examining theological and literary narratives through an engagement with well known theorists of reading and religion this collection of essays international in perspective brings together varied refreshing and provocative responses to well established literary and critical theories

A Canonical Exegesis of the Eighth Psalm Hubert James Keener,2013-11-07 Since Brevard Childs first introduced it as a fresh approach in the late 1960s canonical exegesis has grown into a widely discussed and developed program virtually a school of biblical interpretation with many scholars carrying forward an approach to theological exegesis that emphasizes the role of canon as the central context for interpretation of the Christian Scriptures In this study Keener takes a twofold approach 1 he demonstrates that a canonical exegesis is tenable if the task is approached with clarity regarding its core theological foundation and 2 he applies the approach to the interpretation of the often thorny questions surrounding the understanding of Psalm 8 This is useful in that Psalm 8 touches upon several questions germane to the successful implementation of canonical exegesis due to the many intertextual connections it shares with the rest of the Bible Keener concludes that Psalm 8 in the Old Testament represents the intersection of two trajectories 1 the reversal motif in which YHWH maintains the created order through the exaltation of the weak and the humble and 2 the motif of the conflicted and conflicting human in which humans are shown as beset by trials often failing and even occupying the role of the enemies of YHWH A third trajectory becomes visible in the context of the New Testament that of the redeeming Christ this third trajectory intersects with the two Old Testament trajectories and makes possible the redemption of conflicted humanity giving the ultimate answer to the psalmist's question What is the human

Milton's Scriptural Reasoning Phillip J. Donnelly,2009-02-19 John Milton's major poems have long provoked wide ranging judgements about the purposes of his biblical engagement In this elegant and insightful study Phillip J Donnelly transforms our common perceptions about Milton's

writing He challenges the traditional assumption that the poet shared our modern view that reason is a capacity whose purpose is to control nature Instead Milton s conception of reason both human and divine is bound up with a poetic sense of difference a capacity for being faithful to a goodness and beauty that survives the effects of human frailty in the fall Providing fresh new readings of Paradise Lost Paradise Regained and Samson Agonistes Donnelly gives us important new perspectives on Milton s aesthetics theology and politics

Modern Criticism and Theory Nigel Wood,David Lodge,2014-06-11 This third edition of Modern Criticism and Theory represents a major expansion on its previous incarnations with some twenty five new pieces or essays included This expansion has two principal purposes Firstly in keeping with the collection s aim to reflect contemporary preoccupations the reader has expanded forward to include such newly emergent considerations as ecocriticism and post theory Secondly with the aim of presenting as broad an account of modern theory as possible the reader expands backwards to take in exemplary pieces by formative writers and thinkers of the late nineteenth and early twentieth centuries such as Marx Freud and Virginia Woolf This radical expansion of content is prefaced by a wide ranging introduction which provides a rationale for the collection and demonstrates how connections can be made between competing theories and critical schools The purpose of the collection remains that of introducing the reader to the guiding concepts of contemporary literary and cultural debate It does so by presenting substantial extracts from seminal thinkers and surrounding them with the contextual materials necessary to a full understanding Each selection has a headnote which gives biographical details of the author and provides suggestions for further reading and footnotes that help explain difficult references The collection is ordered both historically and thematically and readers are encouraged to draw for themselves connections between essays and theories Modern Criticism and Theory has long been regarded as a necessary collection Now revised for the twenty first century it goes further and provides students and the general reader with a wide ranging survey of the complex landscape of modern theory and a critical assessment of the way we think and live in the world today

Resurrecting Interpretation Simon Perry,2012-04-25 Hermeneutics is the work of Hermes the Greek demigod a messenger from the gods and from the dead Simon Perry sets out to explore the contemporary face of Hermes through a reading of Jesus parable of the rich man and Lazarus Luke 16 19 31 This parable has one distinguishing feature that marks it out from other ancient stories following the same basic storyline that a visitor from the dead is not granted leave to return with a message to the land of the living In order for Scripture to be heard Hermes is not necessary Where does this leave the role of hermeneutics Perry looks to philosophers ethicists and theologians for an answer

Law, Hermeneutics and Rhetoric Francis J. Mootz Iii,2016-04-22 Mootz offers an antidote to the fragmentation of contemporary legal theory with a collection of essays arguing that legal practice is a hermeneutical and rhetorical event that can best be understood and theorized in those terms This is not a modern insight that wipes away centuries of dogmatic confusion rather Mootz draws on insights as old as the Western tradition itself However the essays are not antiquarian or merely descriptive because

hermeneutical and rhetorical philosophy have undergone important changes over the millennia To return to hermeneutics and rhetoric as touchstones for law is to embrace dynamic traditions that provide the resources for theorists who seek to foster persuasion and understanding as an antidote to the emerging global order and the trend toward bureaucratization in accordance with expert administration violent suppression or both [Milton in the Age of Fish](#) Michael Lieb, Albert C. Labriola, 2006 This multi-author collection by some of today's most preeminent Miltonists highlights the paramount importance of Stanley Fish to Milton studies and at the same time provides major insights into the nature of Milton's works As a force to be reckoned with Stanley Fish is among the most frequently cited commentators on Milton testimony to his indelible imprint on the field Of significance not only to Miltonists but also to critical and cultural theorists this volume explains and exemplifies how many of the lines of inquiry that distinguish present-day scholarship were initiated by Stanley Fish Fish validated the role of the reader as a major participant if not a character in the works of Milton and struck a balance between historical study and explication of the text thereby emphasizing the interplay of the text and its context His writings on Milton have also led to the ongoing controversy over Milton and terrorism and promoted intensive analysis of Milton's language and its connotative richness and tonal range By fostering critical and cultural theories in the study of Milton's works Fish has heightened awareness of the aesthetics of literary achievement **John Dryden's Aeneas** Richard Everett Morton, *English Literary Studies*, 2000 *Encyclopedia of Rhetoric and Composition* Theresa Enos, 2013-10-08 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company [Justifying Belief](#) Gary A. Olson, 2012-02-01 While Stanley Fish has exerted immense influence on the study of seventeenth-century poetry and prose his most widely read works and perhaps his most important are his nonliterary writings In *Justifying Belief* Gary Olson examines Fish's nonliterary work and explains that what unites Fish's interventions in so many seemingly disparate areas of inquiry is his belief in the centrality of rhetoric Whether he is discussing how disciplines conduct their work how political positions triumph or how practice always derives from specific situations despite the grandiose theories employed to justify them Fish consistently turns to the specific local contingent context to the rhetorical situation at play to explain how something works For Fish people understand or are persuaded by a position because it fits into the structure of beliefs already in play not because they have been swayed by the reasonableness of someone's argument they then pursue the available means of support to justify that belief rhetorically both to themselves and to others Olson demonstrates that this strong relationship between rhetoric and belief is the intellectual foundation of much of Fish's work *Justifying Belief* includes a comprehensive bibliography of Fish's works an Afterword by J Hillis Miller and a Foreword by Fish himself *Ezekiel and Eschatological Violence* Alicia R. Jackson, 2025-01-07 This monograph explores the topic of eschatological violence in Pentecostal biblical interpretation of Ezek 36 16 39 29 Rev 19 11 21 and Rev 20 7 10 By reviewing Pentecostal reception history of these texts considering the influence of classical dispensationalism on Pentecostal biblical interpretation and

eschatology this study offers a peace reading that aligns with both early Pentecostal writers and contemporary Pentecostal scholars whose eschatology departs from classical dispensationalism This monograph builds a case for envisioning a hopeful and proleptic premillennial eschatology that emphasizes the peace and reconciliation of the gospel more than end times war and violence

Medieval Crime and Social Control Barbara Hanawalt, David Wallace, 1999 Crime is a matter of interpretation and never was this truer than in the Middle Ages when societies faced with new ideas and pressures were continually forced to rethink what a crime was and what was a crime This collection undertakes a thorough exploration of shifting definitions of crime and changing attitudes toward social control in medieval Europe These essays reveal how various forces in medieval society interacted and competed in interpreting and influencing mechanisms for social control Drawing on a wide range of historical and literary sources legal treatises court cases statutes poems romances and comic tales the contributors consider topics including fear of crime rape and violence against women revenge and condemnations of crime learned dispute about crime and social control and legal and political struggles over hunting rights

What's Wrong with Postmodernism? Christopher Norris, 1990 In *What's Wrong with Postmodernism* Norris critiques the postmodern pragmatist malaise of Baudrillard Fish Rorty and Lyotard In contrast he finds a continuing critical impulse an enlightened or emancipatory interest in thinkers like Derrida de Man Bhaskar and Habermas Offering a provocative reassessment of Derrida's influence on modern thinking Norris attempts to sever the tie between deconstruction and American literary critics who he argues favor endless playful polysemic interpretation at the expense of systematic argument As he explores leftist attempts to arrive at an accommodation with postmodernism Norris addresses the politics of deconstruction the issue of men in feminism Habermas quarrel with Derrida narrative theory as a hermeneutic paradigm musical aesthetics in relation to literary theory and various aspects of postmodern debate A chapter on Stanley Fish brings several of these topics together and offers a generalized statement on the function of current criticism
