Rhodesian Rape:

Hungochani Marc Epprecht, 2004 Challenging the stereotypes of African heterosexuality from the precolonial era to the present **Rhodesian Agricultural Journal**, 1908 *A History of Rhodesia* Robert Blake, 2024-12-06 First published in 1977 A History of Rhodesia is a history of the origins and course of modern European occupation of Southern Rhodesia Rhodesia as it has been termed since the old Northern Rhodesia became independent under the name Zambia in 1963 Robert Blake describes the years of the Monomotapa the Portuguese occupation in the sixteenth and seventeenth centuries the Ndebele kingdom of the nineteenth century the advent of Cecil Rhodes and the establishment of the Chartered Company which ruled Rhodesia until 1922 the period Southern Rhodesia enjoyed a self governing colony from 1923 to 1951 the years of the Central African Federation from 1953 to its dissolution in 1963 and finally the dramatic course of events which led to Ian Smith's government making a unilateral declaration of independence in 1965 The years since UDI are covered by a long epilogue that takes the story forward to the early months of 1977 Rhodesian history is a strange and intriguing compound of romance idealism courage arrogance avarice and accident Rhodesia's story is not only that of economic political ideological and external forces which have shaped it it is also that of the individuals who made or failed to make decisions Rhodes Lobengula Jameson Lord Malvern Roy Welensky Garfield Todd Joshua Nkomo Ian Smith Written with access to many collections of papers not normally available to historians Robert Blake's book is a major contribution to the history of colonial and post colonial Africa Distant Companions Karen Tranberg Hansen, 2018-03-15 Distant Companions tells the fascinating story of the lives and times of domestic servants and their employers in Zambia from the beginning of white settlement during the colonial period until after independence Emphasizing the interactive nature of relationships of domination the book is useful for readers who seek to understand the dynamics of domestic service in a variety of settings In order to examine the servant employer relationship within the context of larger political and economic processes Karen Tranberg Hansen employs an unusual combination of methods including analysis of historical documents travelogues memoirs literature and life histories as well as anthropological fieldwork survey research and participant observation

Black Peril, White Virtue Jock McCulloch, 2000 Over the next decades more than twenty men were executed though many were innocent of any serious crime As Jock McCulloch shows the panics were complex events which encompassed such issues as miscegenation prostitution the management of venereal disease the politics of concubinage and the construction of whiteness **BOOK JACKET** Multidisciplinary Perspectives on Zimbabwe's Liberation Struggle Munyaradzi Nyakudya, Wesley Mwatwara, Joseph Mujere, 2022-11-15 This book provides a timely reconceptualization of Zimbabwe's anti colonial liberation struggle resisting simple binaries in favour of more nuanced critical analysis Most historiographies characterize Zimbabwe's liberation struggle as being defined by simple bifurcations along racial ethnic class and ideological perspectives This book argues that the nationalist struggle is far more complex than such simple configurations would

suggest and that many actors have been overlooked in the analysis The book broadens our understanding by analysing the roles of a wide range of political figures organizations and members of the military as well as the media and the often overlooked part that women played Over the course of the book the contributors also reflect on the ways in which revolutionary figures have been repainted as sellouts in particular by the ZANU PF ruling party and what that means for the country s interpretation of their recent past Highlighting in particular the expertise of leading scholars from within Zimbabwe across a range of disciplines this book will be of interest to researchers of African history politics and postcolonial studies

Translations on Sub-Saharan Africa United States. Joint Publications Research Service, *Prisoners of Rhodesia* M. Munochiveyi, 2014-12-10 During the Zimbabwean struggle for independence the settler regime imprisoned numerous activists and others it suspected of being aligned with the guerrillas This book is the first to look closely at the histories and lived experiences of these political detainees and prisoners showing how they challenged and negotiated their incarceration

From the Barrel of a Gun Gerald Horne, 2015-12-01 In November 1965 Ian Smith s white minority government in Southern Rhodesia now Zimbabwe made a unilateral declaration of independence breaking with Great Britain With a European population of a few hundred thousand dominating an African majority of several million Rhodesia s racial structure echoed the apartheid of neighboring South Africa Smith s declaration sparked an escalating guerrilla war that claimed thousands of lives Across the Atlantic President Lyndon B Johnson nervously watched events in Rhodesia fearing that racial conflict abroad could inflame racial discord at home Although Washington officially voiced concerns over human rights violations an attitude of tolerance generally marked U S relations with the Rhodesian government sanctions were imposed but not strictly enforced and hundreds perhaps thousands of American mercenaries joined white Rhodesia s side in battle with little to fear from U S laws Despite such tacit U S support Smith s regime fell in 1980 and the independent state of Zimbabwe was born The first comprehensive account of American involvement in the war against Zimbabwe this compelling work also explores how our relationship with Rhodesia helped define interracial dynamics in the United States and vice versa

Britain and the Politics of Rhodesian Independence Elaine Windrich, 2024-08-30 First published in 1978 *Britain and the Politics of Rhodesian Independence* is a study of British policy towards Rhodesia and an account of the failure of both Labour and Conservative governments to find a satisfactory

solution to its decolonization The essential bar to a solution was that the British government had in Rhodesia responsibility but no power Force being ruled out and sanctions ineffective nothing remained but the diplomacy of detente while the two sides in Rhodesia itself moved closer and closer to deadlock This study provides a balanced and clear analysis of the developments essential to an understanding of the events in Rhodesia Covering the period 1964-77 with an introduction to the issue as it arose in 1962-3 the attitudes of successive British governments are examined and the pressures affecting their responses considered A concluding section looks at the international repercussions in 1976-7 and the reactions of the United Nations to the situation then This book will be of interest to students and researchers of history politics and international relations The Rhodesian Agricultural Journal ,1904 The New Map of Africa (1900-1916) Herbert Adams Gibbons,1916

Rhodesia Agricultural Journal ,1911 **Imperial Gallows** Stacey Hynd,2023-11-02 Not just a method of crime control or individual punishment in Britain's African territories the death penalty was an integral aspect of colonial networks of power and violence Imperial Gallows analyses capital trials from Kenya Nyasaland and the Gold Coast to explore the social tensions that fueled murder among colonised populations and how colonial legal cultures and landscapes of political authority shaped sentencing and mercy It demonstrates how ideas of race ethnicity gender and civilization could both spare and condemn Africans convicted of murder in colonial courts and also how Africans could either appropriate or resist such colonial legal discourses in their trials and petitions In this book Stacey Hynd follows the whole process of capital punishment from the identification of a murder victim to trial and conviction through the process of mercy and sentencing onto death row and execution The scandals that erupted over the death penalty from botched executions and moral panics over ritual murder to the hanging of anti colonial rebels for terrorist and emergency offences provide significant insights into the shifting moral and political economies of colonial violence This monograph contextualises the death penalty within the wider penal systems and coercive networks of British colonial Africa to highlight the shifting targets of the imperial gallows against rebels robbers or domestic murderers Imperial Gallows demonstrates that while hangings were key elements of colonial iconography in British Africa symbolically loaded events that demonstrated imperial power and authority they also reveal the limits of that power Annual Survey of African Law Cb E. these animosities in this thoughtful review of U S relations with the Third World since World War II The Imperial Mantle traces the upheavals in the postwar era as the peoples of British Dutch Belgian and Portuguese empires demanded and gained independence As the most powerful leader of the free world despite its anti colonial heritage the United States tended to inherit the imperial mantle in this period becoming the focus of both expectations and demands from the new nations How the United States lived up to these expectations and how it responded to the challenge of leadership and the burdens of being the dominant world power are the central issues in this book It is must reading for anyone who wants to understand the foreign policy challenges that America will face in the 21st century David D Newsom a former Under Secretary and Assistant Secretary of State served as U S Ambassador to Libya Indonesia and the Philippines After retiring from the Foreign Service he became Director of the Institute for the Study of Diplomacy and Professor and Dean at the Georgetown University School of Foreign Service and Professor in the Department of Government and Foreign Affairs at the University of Virginia where he is a senior fellow at the Miller Center He is author of The Soviet Brigade in Cuba Diplomacy and the American Democracy and The Public Dimension of Foreign Policy March 2001 256 pages 4 maps 6 1 8 x 9 1 4 bibl index append cloth 0 253 33844 4 29 95 s 22 95 **The Liberal Magazine** ,1912 **Economic Sanctions Against Rhodesia** United States.
