Scotland Kernow England and the Isles have been retold for the 21st century by curious storyteller Brother Bernard with a
tourist guide to the real location of each folktale included This road atlas of myth and mischief allows us to visit famed heroes
King Arthur Merlin Robin Hood Lady Godiva Macbeth Dick Whittington and Jack but also those who should be more
celebrated like Molly Whuppie Bran the Blessed Bladud Taliesin and Tom Thumb Since Britain became an island eight
millennia ago generations of immigrants have made their home here in Albion creating their own stories which have become
part of the richly stocked treasury of British folklore Some are strange some are sad some are exciting some are scary many
are silly and at least two are totally daft Brother Bernard retells these restored tales with devotion to the ancient legends but
with a fresh eye and added anarchic vim to be enjoyed anew Eugene Allen Smith's Alabama Aileen Kilgore
Henderson,2011-01-01 In 1871 when the University of Alabama reopened after its destruction by Federal troops Eugene
Allen Smith returned to his alma mater as professor of geology and mineralogy Until his death in 1927 this gifted man
devoted his abundant energy and his stout heart to the welfare of the school and the state After persuading the legislature to
appoint him state geologist in 1873 he spent his summers enduring chills fevers and verbal abuse as he searched for
industrial raw materials that could bring about better lives for destitute Alabamians Traveling in a mule drawn wagon he
recorded detailed observations botanical and geological discoveries and mineral analyses in his journal He loaded the wagon
with specimens for the university museum he dreamed of creating some day He inventoried industries that had failed or been
destroyed judging whether they were worth salvaging Interspersed with this information were pithy comments on people he
met frustrations he dealt with historical notes and poetic descriptions of rocks and creeks and mountains giving a vivid
picture of Alabama in transition What he accomplished against monumental odds became the catalyst that transformed
Alabama from an aimless and poverty stricken agricultural state to an industrial giant to be reckoned with How he
accomplished what he did with very little support and hardly any money gave this diminutive and very human man a stature
of mythic proportions in the history of the university and the state The story of Little Doc as told in Eugene Allen Smiths
