Australian soil for 24 years with uniquely three innings victories It was a series indeed a tour full of remarkable records from the bats of Alastair Cook and Jonathan Trott and the ball of James Anderson and Graham Swann Every member of the side made crucial contributions even those like Chris Tremlett and Tim Bresnan who had not originally been first choices for the Tests Now Gideon Haigh one of the best living writers on cricket Daily Telegraph tells the full story of this amazing sporting achievement Beginning with the build up to the series Australia going into it on the back of an uncharacteristic losing run England after a year of quietly solid consolidation he covers each Test day by day in pithy match reports and elegant analyses Ashes 2011 is the perfect way to re live a memorable sporting triumph *The Incomplete Framley Examiner* The Editors,2021-10-14 In 2001 fans of the internet were introduced to scanned pages from spoof local newspaper The Framley Examiner Packed with humdrum and preposterous news stories classified ads local business features and headlines that seemed to have been typed while asleep it skewered the banal madness of small town existence perfectly encapsulating the British national character Framley s strange yet familiar community stuffed with its own cast insane geography and rich local history struck a chord with those who recognised their own home towns in its reflection The website was loved and shared by an eager public as well as famous fans from Little Britain The Simpsons and the Cambridge Centre for Theoretical Cosmology Professor Stephen Hawking was a Framley enthusiast Marking the twentieth anniversary of the website s first appearance The Incomplete Framley Examiner combines the pages of the original book published in 2002 with all the pages published online in the years since and brand new material for a bigger more luxurious toilet proof compendium for the annals of history
