Rice And Spice:

Rice and Spice Roli Books Private, Limited, 2004 *Rice and Spice Cookbook* Aur Beck, 2012-11-23 On May 8th 2009 a derecho struck a terrible blow to Southern Illinois knocking out power to many in the region for almost a week Founder of Rice and Spice Aur Beck was one of the few people in town who DID have power Armed with his trusty solar generator to power freezer and refrigeration storage he and many others took their food to Gaia House and spent many nights eating dinner together Once the power returned people didn't want to stop meeting for dinner and so Rice and Spice International Slow Foods dinner was born This cookbook is a collection of recipes from those dinners Review First impression very visually pleasing this is a warm friendly book that invites the reader to relax and really take a good look At first I was a little rushed as usual but as I read the story of how R S started I found myself slowing down b c the story was so interesting The friendly graphics really made this more of an experience than just reading something The R S posters and Gaia House event log pics were neat to look at they create a sense of real history The recipes themselves are really interesting and exotic and it's nice that they are organized by event nationality so we can know where some of these come from I never would have guessed collard greens had anything to do with Cinco de Mayo and I would never have thought to try them in a soup with chickpeas Good timing on the inserts just as I was starting to get really curious about some of these recipes I came to page 20 where a description of the recipe is the first thing you see It's not too in your face as it would be if you had these descriptions for every dish as some of the dishes are self explanatory Neat touch The pics of each event are heartwarming and really gives me a sense of familiarity almost like I could be there myself It makes the dishes seem like they could be cooked enjoyed by anyone even though they are exciting and exotic and out of the ordinary it's really neat how you guys used the metric and english measurements for those of us who don't know how much a gram or a ml really is I'm sure the reverse is true for the rest of the world Final take each recipe was obviously given by individuals making this a very unique and interesting book that I personally would be glad to own It was a real pleasure to be able to see this before it comes out especially since I have been hearing about it for a while now The book reads like people are standing there talking to you telling how to make this stuff step by step but not in an overbearing way The overall spirit of Rice Spice definitely comes through in this book It would also make a very unique gift for anyone who is curious and loves food especially food with a story behind it Rice and Spice Robin Robertson, 2000 More than half of the world's cuisines are shaped around rice *100 Recipes* America's Test Kitchen, 2015-10-13 A provocative handpicked collection of relevant and surprising essential recipes for today's cook We have countless recipes at our disposal today but what are the real keepers the ones that don't just feed us when we're hungry or impress our friends on Saturday night but inspire us to get into the kitchen At the forefront of American cooking for more than 20 years the editors at America's Test Kitchen have answered this question in an essential collection of recipes that you won't find anywhere else 100 Recipes Everyone Should Know How to Make Organized into three recipe sections Absolute

Essentials Surprising Essentials and Global Essentials each recipe is preceded by a thought provoking essay that positions the dish For example Treating Pasta Like Rice Simplifies Everything A Covered Pot Is a Surprisingly Good Place to Roast a Chicken and Re imagine Pie in a Skillet to Simplify the Process You ll find useful workday recipes like a killer tomato sauce that s almost as easy as opening a jar of the store bought stuff genius techniques for producing amazing flavor try poaching chicken breasts over a garlic and soy spiked brine trust us it s that good and familiar favorites reinvigorated the best beef stew comes from Spain and it s even easier to make than the stateside stew you ve been eating for years Gorgeous photography shot right in the test kitchen accompanies every recipe revealing the finished dish as well as highlights of its preparation Likely to stir debate among anyone interested in food and cooking 100 Recipes Everyone Should Know How to Make provides a snapshot of how we cook today and will galvanize even the most jaded cook to get into the kitchen
