Jeffrey Reiman, Paul Leighton

Rich Get Richer And The Poor Get Prison:

The Rich Get Richer and the Poor Get Prison Jeffrey Reiman, Paul Leighton, 2016-11-10 For nearly 40 years this classic text has taken the issue of economic inequality seriously and asked Why are our prisons filled with the poor Why aren't the tools of the criminal justice system being used to protect Americans from predatory business practices and to punish well off people who cause widespread harm The Rich Get Richer shows readers that much that goes on in the criminal justice system violates citizens sense of basic fairness It presents extensive evidence from mainstream data that the criminal justice system does not function in the way it says it does nor in the way that readers believe it should The authors develop a theoretical perspective from which readers might understand these failures and evaluate them morally and they to do it in a short and relatively inexpensive text written in plain language New to this edition Presents recent data comparing the harms due to criminal activity with the harms of dangerous but not criminal corporate actions Presents new data on recent crime rate declines which are paired with data on how public safety is not prioritized by the U S government Updates statistics on crime victimization wealth and discrimination plus coverage of the increasing role of criminal justice fines and fees in generating revenue for government Updates on the costs to society of white collar crime Updates and deepened analysis of why fundamental reforms are not undertaken Streamlined and condensed prose for greater clarity [The Rich Get Richer and the Poor Get Prison](#)

Jeffrey H. Reiman, Paul Leighton, 2010 This best selling text examines the premise that the criminal justice system is biased against the poor from start to finish from the definition of what constitutes a crime through the process of arrest trial and sentencing Also this text discusses how this bias is accompanied with a general refusal to remedy the causes of crime poverty lack of education and discrimination The author argues that actions of well off people such as their refusal to make workplaces safe refusal to curtail deadly pollution promotion of unnecessary surgery and prescriptions for unnecessary drugs cause occupational and environmental hazards to innocent members of the public and produce just as much death destruction and financial loss as so called crimes of the poor However these acts of the well off are rarely treated as crimes and when they are they are never treated as severely as crimes of the poor NEW This text now has a companion 25 article reader *The Rich get Richer and the Poor get Prison A Reader* ISBN 0 205 68842 X Visit this book's website for a full table of contents **Rich Get Richer and the Poor Get Prison, The (Subscription)** Jeffrey Reiman, Paul

Leighton, 2015-07-14 Illustrates the issue of economic inequality within the American justice system The best selling text *The Rich Get Richer and the Poor Get Prison* contends that the criminal justice system is biased against the poor from start to finish The authors argue that even before the process of arrest trial and sentencing the system is biased against the poor in what it chooses to treat as crime The authors show that numerous acts of the well off such as their refusal to make workplaces safe refusal to curtail deadly pollution promotion of unnecessary surgery and prescriptions for unnecessary drugs cause as much harm as the acts of the poor that are treated as crimes However the dangerous acts of the well off are almost

never treated as crimes and when they are they are almost never treated as severely as the crimes of the poor Not only does the criminal justice system fail to protect against the harmful acts of well off people it also fails to remedy the causes of crime such as poverty This results in a large population of poor criminals in our prisons and in our media The authors contend that the idea of crime as a work of the poor serves the interests of the rich and powerful while conveying a misleading notion that the real threat to Americans comes from the bottom of society rather than the top Learning Goals Upon completing this book readers will be able to Examine the criminal justice system through the lens of the poor Understand that much of what goes on in the criminal justice system violates one s own sense of fairness Morally evaluate the criminal justice system s failures Identify the type of legislature that is biased against the poor

The Rich Get Richer and the Poor Get Prison Jeffrey Reiman,Paul Leighton,2015-10-16 This book shows students that much that goes on in the criminal justice system violates their own sense of basic fairness presents evidence that the system malfunctions and sketches a whole theoretical perspective from which they might understand the failures and evaluate them morally

Rich Get Richer and the Poor Get Prison, The (Subscription) Jeffrey Reiman,Paul Leighton,2015-07-14 Illustrates the issue of economic inequality within the American justice system The best selling text *The Rich Get Richer and the Poor Get Prison* contends that the criminal justice system is biased against the poor from start to finish The authors argue that even before the process of arrest trial and sentencing the system is biased against the poor in what it chooses to treat as crime The authors show that numerous acts of the well off such as their refusal to make workplaces safe refusal to curtail deadly pollution promotion of unnecessary surgery and prescriptions for unnecessary drugs cause as much harm as the acts of the poor that are treated as crimes However the dangerous acts of the well off are almost never treated as crimes and when they are they are almost never treated as severely as the crimes of the poor Not only does the criminal justice system fail to protect against the harmful acts of well off people it also fails to remedy the causes of crime such as poverty This results in a large population of poor criminals in our prisons and in our media The authors contend that the idea of crime as a work of the poor serves the interests of the rich and powerful while conveying a misleading notion that the real threat to Americans comes from the bottom of society rather than the top Learning Goals Upon completing this book readers will be able to Examine the criminal justice system through the lens of the poor Understand that much of what goes on in the criminal justice system violates one s own sense of fairness Morally evaluate the criminal justice system s failures Identify the type of legislature that is biased against the poor

The Rich Get Richer and the Poor Get Prison Jeffrey Reiman,Paul Leighton,2023-04-28 For 40 years this classic text has taken the issue of economic inequality seriously and asked Why are our prisons filled with the poor Why aren t the tools of the criminal justice system being used to protect Americans from predatory business practices and to punish well off people who cause widespread harm This new edition continues to engage readers in important exercises of critical thinking Why has the U S relied so heavily on tough crime policies despite evidence of their limited effectiveness and how

much of the decline in crime rates can be attributed to them Why does the U S have such a high crime rate compared to other developed nations and what could we do about it Are the morally blameworthy harms of the rich and poor equally translated into criminal laws that protect the public from harms on the streets and harms from the suites How much class bias is present in the criminal justice system both when the rich and poor engage in the same act and when the rich use their leadership of corporations to perpetrate mass victimization The Rich Get Richer the Poor Get Prison shows readers that much of what goes on in the criminal justice system violates citizens sense of basic fairness It presents extensive evidence from mainstream data that the criminal justice system does not function in the way it says it does nor in the way that readers believe it should The authors develop a theoretical perspective from which readers might understand these failures and evaluate them morally and they do it in a short text written in plain language Readers who are not convinced about the larger theoretical perspective will still have engaged in extensive critical thinking to identify their own taken for granted assumptions about crime and criminal justice as well as uncover the effects of power on social practices This engagement helps readers develop their own worldview New to this edition Presents recent data comparing the harms due to criminal activity with the harms of dangerous but not criminal corporate actions Updates research on class discrimination at every stage of the criminal justice system Updates statistics on crime victimization incarceration and wealth Increased material for thinking critically about criminal justice and criminology New material on global warming and why Black Lives Matter protests did not cause increases in crime in 2020 Expanded discussion of marijuana and drug legalization Stronger chapter overviews clearer chapter structure and expanded review questions Streamlined and condensed prose for greater clarity

The Rich Get Richer and the Poor Get Prison Jeffrey H. Reiman, 2001 Explores the connections between class and criminal justice starting with the definition of crimes in the lawbooks and progressing through familiar stages of the system to show that the same pattern persists the acts defined legally as crimes the acts treated seriously as crimes tend to be the acts committed by poor people often poor nonwhite people Harmful acts of the well off tend rarely to be defined as crimes and when they are so defined tend not to be treated as serious crimes Preface **Marginality and Condemnation, 3rd Edition** Carolyn Brooks, Bernard Schissel, 2021-12-13T00:00:00Z Includes test bank and PowerPoint slides for professors who have adopted the text in their course Contact examrequest@fernpub.ca for more information This well received criminology textbook now in its third edition argues that crime must be understood as both a social and a political phenomenon Using this lens Marginality and Condemnation contends that what is defined as criminal how we respond to crime and why individuals behave in anti social ways are often the result of individual and systemic social inequalities and disparities in power Beginning with an overview of criminological discourse mainstream approaches and new directions in criminological theory the book is then divided into sections based on key social inequalities of class gender race and age each of which begins with an outline of the general issues for understanding crime and an introduction that guides readers through the empirical

chapters that follow The studies provide insights into general issues in criminology ranging from the historical and current nature of crime and criminal justice to the various responses to criminality Readers are encouraged and challenged to understand crime and justice through concrete analyses rather than abstract argumentation In addition to a new introductory chapter that confronts how we define crime measure crime and understand and use criminology in this millennium the third edition provides new chapters examining crime in relation to the environment terrorism masculinity children and youth and Aboriginal gangs and the legacy of colonialism

Crime and Its Victims Daniel W. Van Ness, 1986-03-21 Daniel W Van Ness analyzes the problems that make our criminal justice system ineffective expensive and unjust And he offers a concrete proposal for reform to benefit both offenders and victims Foreword by Chuck Colson Rich Get Richer and the Poor Get Prison Jeffrey H. Reiman, 1990-01-31 This book proposes that the criminal justice system is biased against the poor in its very definitions of what counts as crime and it argues that many acts not treated as serious crimes pose at least as great a danger to the public as acts that are so treated The Rich get Richer and the Poor get Prison is documented extensively and written in a language that is free of jargon It is an ideal supplement for courses in criminology social problems sociology of crime and deviance or sociology of law

Introduction to Criminology Frank E. Hagan, Leah E. Daigle, 2018-11-29 Introduction to Criminology Tenth Edition is a comprehensive introduction to the study of criminology focusing on the vital core areas of the field theory method and criminal behavior With more attention to crime typologies than most introductory texts authors Frank E Hagan and Leah Elizabeth Daigle investigate all forms of criminal activity such as organized crime white collar crime political crime and environmental crime The methods of operation the effects on society and policy decisions and the connection between theory and criminal behavior are all explained in a clear accessible manner New to the Tenth Edition New Applying Theory scenarios are included with the theory chapters in Part II These application exercises encourage critical thinking by asking you to use criminological theory to explain the criminal behavior of Aileen Wuornos Updated Crime and the Media boxes highlight the effect that the media has on public perception of crime New topics include the MeToo movement media coverage of the opioid crisis popular shows like Breaking Bad and The Wire online dating fraud and cyberbullying Over 170 new Learning Check questions and answers have been added throughout the book to help you review your understanding of key concepts and increase reading comprehension Examination of important new topics like what works in criminology the relationship between immigration and crime the impact of neuroscience and genetic studies on criminology recent shootings and terrorist attacks and the continuing battle between over criminalization and under criminalization deepens your understanding of the field Updated figures tables and statistics throughout the book ensure that you have access to the most current information available

Murdering Myths Judith W. Kay, 2005-06-03 In *Murdering Myths* The Story Behind the Death Penalty Judith Kay goes beyond the hype and statistics to examine Americans deep seated beliefs about crime and punishment She argues that Americans share a counter productive idea of justice that

punishment corrects bad behavior suffering pays for wrong deeds and victims desire for revenge is natural and inevitable Drawing on interviews with both victims and inmates Kay shows how this belief harms perpetrators victims and society and calls for a new narrative that recognizes the humanity in all of us The Gender of Crime Dana M. Britton, Shannon K. Jacobsen, Grace E. Howard, 2017-08-03 The Gender of Crime introduces readers to how gender shapes our understanding of every aspect of crime from defining what crime is to governing how crime is punished The second edition of this award winning book maintains the accessible reader friendly narrative of the first edition with key updates and new material throughout including increased focus on the intersections of race class gender and sexuality in crime and punishment more attention to LGBTQ issues additional coverage of gender and crime on college campuses and more This dynamic and provocative book illustrates how gender is central to the definition prosecution and sentencing of crimes that it shapes how victimization is experienced and understood and how it structures the institutions of the criminal justice system and the experiences of workers within that system The Gender of Crime demonstrates that crime victimization and crime control are never generic they are instead produced and experienced by gendered and raced and classed and sexualized actors within contexts of social inequality This book highlights key concepts and encourages readers to think through a range of compelling real life examples from school violence to corporate crime The second edition of The Gender of Crime is essential reading for students of gender and sexuality sociology criminology and criminal justice Offender Rehabilitation Issues Charles B.A. Ubah, 2023-09-30 Most of the studies that discuss offender rehabilitation focus on the debate over whether prison based education programs work ignoring the important issues that these programs undertake Using a critical approach Offender Rehabilitation Issues Critical Lessons for Criminology Criminal Justice and Public Policy fills the gap by highlighting the offender rehabilitation programs that continue to divide scholars policy makers correctional practitioners students and the public This book demonstrates and reaffirms that offender rehabilitation programs and recidivism rates are important and critical social issues that do not exist in a vacuum are complex interacting social processes and issues with broader social economic legal and political environmental forces and pressures Discretion, Community, and Correctional Ethics John Kleinig, Margaret Leland Smith, 2001-08-28 Some two million Americans are in jail or in prison Except for the occasional exposé what happens to them is hidden from the rest of us Is it possible to develop and instill a professional ethic for prison personnel that in partnership with formal regulatory constraints will mediate relations among officers staff and inmates or are the failures of imprisonment as an ethically constrained institution so deeply etched into its structure that no professional ethic is possible The contributors to this volume struggle with this central question and its broader and narrower ramifications Some argue that despite the problems facing the practice of incarceration as punishment a professional ethic for prison officers and staff can be constructed and implemented Others however despair of imprisonment and even punishment and reach instead for alternative ways of healing the personal and communal breaches constituted by

crime The result is a provocative contribution to practical and professional ethics *Race and Crime* Shaun L. Gabbidon, Helen Taylor Greene, 2024-09-03 Written by two of the most prominent criminologists in the field *Race and Crime* 6th Edition takes an incisive look at the intersection of race and ethnicity and the criminal justice system A thought provoking discussion of contemporary issues uniquely balances the historical context and modern data and research to offer students a panoramic perspective on race and crime Accessible and reader friendly this comprehensive text shows students how race and ethnicity have mattered and continue to matter in all aspects of the administration of justice *Social Justice, Criminal Justice* Cyndy Caravelis, Matthew Robinson, 2015-12-14 *Social Justice Criminal Justice* is a thought provoking examination of the U S legal system focusing on how criminal justice and social justice are related The book provides a solid foundation of key philosophical and theoretical issues and goes on to examine the function of the law as it relates to social justice issues The authors present and explain the foundational legal documents of the United States and critically examine how those same documents which espoused the rhetoric of equality for all contribute toward the perpetuation and maintenance of a system of exclusion for groups with minority status such as racial and ethnic minorities the poor women and the LGBT lesbian gay bisexual transgender community Succinct but comprehensive this text offers a careful examination of possible relationships between social justice theory and criminal justice practice and illuminates the role that the legal system has played in both preventing and assisting social change and power dynamics For each identified group important landmark court decisions are used to demonstrate the plight of the powerless and the quest for equal rights The book provides an important perspective and understanding of the relationships among criminal justice social justice and the law Suitable for undergraduate and early graduate courses in Social Justice Justice Studies Critical Issues Ethics and American Government and Law this text provides easily digestible content for those interested in thinking critically about the U S legal system **Criminology** Eamonn Carrabine, 2009 This fully revised textbook ground in original research is a clear and insightful introduction to the key topics studied in undergraduate criminology courses Accessible and user friendly it is essential reading for all criminology students *Society and Law* Karen E. Hayden, 2019-08-27 *Society and Law* addresses the social context of law the legal structure and the relationships between society and law The goal of this text is to help undergraduate students gain an understanding of the significant role law plays in our everyday lives and in larger society It covers emerging theories and ideas from innovative fields such as critical legal studies feminist jurisprudence critical race theories and intersectionality *Society Law* summarizes the material as succinctly as possible incorporating examples of new laws changes in laws and legal cases that interest college students and help them connect the material to their own lives The law can be fascinating frustrating and even funny *Society Law* presents these various aspects of the law in readable understandable and interesting ways Features Student oriented pedagogy includes key terms and a complete glossary chapter summaries critical thinking questions and movie suggestions Case in Point boxes provide extended examples that

illustrate key points Legalese boxes define legal terminology Sidebar boxes provide additional information about select concepts

Hard Time Robert Johnson, Ann Marie Rocheleau, Alison B. Martin, 2016-08-29 Hard Time A Fresh Look at Understanding and Reforming the Prison 4th Edition is a revised and updated version of the highly successful text addressing the origins evolution and promise of America s penal system Draws from both ethnographic and professional material and situates the prison experience within both contemporary and historical contexts Features first person accounts from male and female inmates and staff revealing what it s actually like to live and work in prison Includes all new chapters on prison reform and on supermax correctional facilities including the latest research on confinement long term segregation and death row Explores a wide range of topics including the nature of prison as punishment prisoner personality types and coping strategies gang violence prison officers custodial duties and psychological educational and work programs Develops policy recommendations for the future based on qualitative and quantitative research and evidence based initiatives
