*The Afterlife Imagery in Luke's Story of the Rich Man and Lazarus* Outi Lehtipuu, 2007 This book studies in detail the afterlife scene in the story of the rich man and Lazarus Luke 16 19 31 The description of the afterlife is related on the one hand to the overall Hellenistic cultural milieu and on the other hand to Luke's eschatological views [The Rich in Public Opinion](#) Rainer Zitelmann, 2020-03-31 What do people in the United States and Europe think about the rich There are several thousand books and articles on stereotypes and prejudices directed at countless different social groups In contrast there has only been sporadic research into stereotypes about the rich and no published comprehensive scientific study on the topic until now Negative prejudices and stereotypes have repeatedly been used to justify the exclusion expulsion persecution and murder of minorities who have been scapegoated at times of social crises The 20th century is full of examples of wealthy people including capitalists kulaks and other groups who were victims of deadly persecution These were exceptional situations but even in moderate forms prejudice against social groups harms society as a whole not just the rich through economic or physical destruction and declining prosperity In *The Rich in Public Opinion* What We Think When We Think about Wealth historian and sociologist Rainer Zitelmann examines attitudes about wealth and the wealthy in four industrialized Western countries Germany the United States France and Great Britain Consisting of three parts this book first surveys the literature about stereotypes and prejudices Zitelmann then reports on never before seen data commissioned by the polling firm Ipsos MORI and from the Allensbach Institute which conducted identical surveys of residents of the four countries regarding various aspects of their attitudes toward wealth Lastly *The Rich in Public Opinion* looks at the portrayal of the rich in media and film People often admire the wealthy but Zitelmann shows that people can also envy them a sometimes toxic envy that can put lives at risk This book aims to examine how we think about a minority that while undeniably powerful can still be the subject of scapegoating often with dire effects for us all **A Warning to the Rich and Self-justified** Witness Lee, 2025-02-26 In this booklet compiled from Life study of Luke Witness Lee speaks on the Lord Jesus word in Luke 16 regarding money and the need to hear the Word of God **The Very Rich Hours** Emily Hiestand, 1993-09-30 Travels in Orkney Belize the Everglades and Greece A tour de force of personal narrative Astonishingly fluid and keenly observant *The Boston Globe* **Charles Rich** Charles Rich, 1990 Charles Rich came to this country as a boy from Hungary converted to Catholicism from Judaism at the age of thirty eight and lived as a lay contemplative for more than half of his ninety five years In this book he shares his spiritual journey drawing on the literature that inspired him
