Characterization in the Gospels David Rhoads, Kari Syreeni, 1999-01-01 This volume examines characterization in the four Gospels and in the Sayings Gospel Q. Peter in Matthew, Lazarus in John, and Jesus as Son of Man in Q are examples of the characters studied. The general approach is narrative critical. At the same time, each contribution takes special effort to widen the scope beyond the narrated world to include the text's ideological and real-life setting as well as its effective history. New ways of doing narrative criticism are thus proposed. The concluding essay by David Rhoads delineates the development and envisions the future of narrative criticism in Gospel studies.

The Perry Magazine

Eugene Ashton Perry,1906 **Zondervan NIV Matthew Henry Commentary** Matthew Henry,2010-09-21 Time has sealed the reputation of Matthew Henry s classic commentary as a rich source of insight into God s word Four centuries after its first publication it remains one of the best loved most popular commentaries ever written However while its wisdom is timeless the English language has changed much through the years Words that meant one thing in Matthew Henry s day have taken on different meanings today In addition Henry s often wordy reflections are generations removed from the crisp style that communicates most effectively to contemporary readers The Zondervan NIV Matthew Henry Commentary is a masterful response to these concerns It delivers the heart and soul of Henry s incomparable writings in a style that is easy to read and understand Dr Leslie Church s meticulous abridgment retains the essential content of the original work Easily misunderstood words have been replaced with modern ones while keeping Henry s style Use of the New International Version NIV instead of the King James Version makes this edition fully compatible with today s most widely used Bible translation In one volume here is a wealth of exposition metaphors analogies and illustrations ideal for Personal devotions Bible study Sermon and lesson preparation Theological and homiletical commentary on the Gospel of st. Luke, ed. by J.P. Lange, tr. by S. Taylor Johannes Jacobus van Oosterzee,1863 **Theological and Homiletical Commentary on the Gospel of St-Luke** Johannes Jacobus van Oosterzee,1867 **Topsy-Turvy** Thomas A. Renquist,2000 The world of the Bible is quite different from our own According to Thomas Renquist it s a topsy turvy world where guests become hosts where masters are turned into servants where hoarders are transformed into givers where peace making is experienced as piece making And says Renquist the biblical world changes us because we begin to look at our own world in a different way seeing things from God s point of view Thomas A Renquist is a graduate of the University of Iowa B A and Yale University M Div He is currently pastor of Lord of the Hills Lutheran Church ELCA in Aurora Colorado The author of What Grace They Received CSS Renquist is one of 60 pastor theologians selected by the Center of Theological Inquiry in Princeton New Jersey for three years of study and conversation concerning the church s current theological crisis The Gospels for Sundays and the Principal Holydays, According to Both the Douay and the Authorised Versions, in Parallel Columns. With Practical Remarks by J. Fletcher Bickerdike ,1857 **Mere Discipleship** Lee C. Camp,2008-08-01 What does it mean to be a disciple of Christ today And are Christians really prepared for the answers In Mere Discipleship Lee Camp sets forth his vision of what it means to truly follow Christ challenging Christians to put obedience to Jesus as Lord ahead of allegiances to all earthly authorities be they nationalistic political economic or cultural Camp clearly lays out a sound biblical framework of what disciples believe and therefore what they should do This substantially revised and expanded second edition updates examples adds chapter introductions and summaries and includes new study questions *Tell Me Your Story* Arthur E. iv Robert L. Thompson,2018-09-25 A Closer Look devotionals are intended to encourage the reader to take a closer look at individual scripture passages rather than attempt to read a defined number of Bible chapters each day Included in this series is a number of devotions on the parables of Jesus The parables of Jesus were stories similar to metaphors intended to illustrate spiritual lessons They were used to guide those who believed in Christ into deeper truths of the kingdom of God Jesus stated that the skeptics would not understand the intended messages Unto you it is given to know the mysteries of the kingdom of God but to others in parables that seeing they might not see and hearing they might not understand Luke 8 10 Several of the parables in this text are kingdom of heaven parables The author finds these parables extra special as they give insight into the importance of how men should live just as Jesus taught men to pray thy kingdom come as man lives in the presence of God s kingdom and in the presence of His dear Son Jesus Christ Emmanuel God with us **Luke's Jesus** Joseph Blenkinsopp,2021-10-12 The third evangelist tells the story of Jesus in clear dramatically compelling and humanly moving terms His Jesus is a man of great power a deep sense of mission and profound compassion for those on the outskirts of society And Luke s Gospel has the best stories that is parables including a number that are unique to him Luke s story fills in the gap between born of the virgin Mary and suffered under Pontius Pilate in the Apostles Creed While it is usually important for those who write biography to report how the lives of their subjects began and ended Luke s story of Jesus s birth differs from Matthew s version and the conclusion to Luke s account of Jesus s life ends neither with his death nor with his resurrection but with his being taken up from the earth to the heavens The Gospel of Luke is historical in its approach for which there are no apologies a historical reading follows necessarily from the Christian doctrine of the incarnation which teaches that God has entered the history of humanity through Jesus At the same time Luke s approach is theological together with the other evangelists Luke intends to show his readers that in the person of Jesus of Nazareth God has drawn near to humanity in an inexpressible and unique way **An Exposition of the Old and New Testaments** Matthew Henry,1833
