Rich Widows Live Forever Joe Goodman, 2004 When most people think about wealth they picture money and jewels estates and yachts and vacation homes They all miss the point By the time you finish this book you ll understand that wealth is really about Families Building and sustaining family relationships is the essence of protecting and preserving family wealth Whether you come from old money or just hit the jackpot you ll only find happiness if you understand your family dynamic In fact money can buy a lot of unhappiness if you don t handle it right Here you ll find two hundred axioms some light hearted and some hard hitting to stimulate your thinking about wealth and illuminate the family system at its heart Each addresses the often dramatic impact wealth has on families whether it involves a hundred thousand dollars or a hundred million Don t underestimate these simple axioms They comprise extremely important even life changing advice Many statements are direct and blunt some even cynical but all will open your eyes and help you look beyond the technical side of wealth to the emotion based issues and dynamics of the family Book jacket
