div **DIV** One secret can bury an entire family forever

div **DIV** Desmond is a man ill equipped for today's world He is reclusive and unsocial traits exacerbated by his domineering mother As a result Desmond is at his happiest when he's absolutely alone During a birdwatching outing along the Devon coast Desmond wanders into a cave Inside he finds something that appalls and terrifies him a skeleton dressed in a nun's wimple

div **DIV** With this one twist of fate Desmond becomes the focus of the wealthy Pilkington family the clan who lives near the cave with connections and devious secrets to spare Under legal and familial pressure the members of the Pilkington family start to crack and their lies and deceits pile up Who is the skeleton and why has its existence been kept a secret for so long The truth brings Gillian White's riveting tale to a startling conclusion

div **Writing Diaspora** Yasmin Hussain, 2017-03-02 Issues of cultural hybridity diaspora and identity are central to debates on ethnicity and race and over the past decade have framed many theoretical debates in sociology cultural studies and literary studies However these ideas are all too often considered at a purely theoretical level In this book Yasmin Hussain uses these ideas to explore cultural production by British South Asian women including Monica Ali Meera Syal and Gurinder Chadha Hussain provides a sociological analysis of the contexts and experiences of the British South Asian community discussing key concerns that emerge within the work of this new generation of women writers and which express more widespread debates within the community In particular these authors address issues of individual and group identity and the ways in which these are affected by ethnicity and gender Hussain argues that in exploring the different dimensions of their cultural heritage the authors she surveys have created changes within the meaning of the diasporic identity articulating a challenge to the notion of Asianness as a homogenous and simple category In her examination of the process through which a hybridized diasporic culture has come into being she offers an important contribution to some of the key questions in recent sociological and
