Richard Burgin A Life In Verse:

Memorialia Richard Burgin, Diana Lewis Burgin, 2017-08-15 Memorialia The Memoirs of Richard Burgin and Richard Burgin A Life in Verse and two versions of the life of Richard Burgin One is a biography the other is written as prose They are combined in one volume Richard Burgin, a Life in Verse Diana Lewis Burgin, 1988 *The Development of Russian Verse* Michael Wachtel, 1998 The Development of Russian Verse explores the Russian verse tradition from Pushkin to Brodsky showing how certain formal features are associated with certain genres and at times specific themes Michael Wachtel's basic thesis is that form is never neutral poets can react positively in terms of stylization and development or negatively in terms of parody or revision to the work of their predecessors but they cannot ignore it Keeping technical terms to a minimum and providing English translations of quotations Wachtel offers close readings of individual poems of more than fifty poets He aims to help English speaking readers reconstruct the strong sense of continuity that Russian poets have always felt transcending any individual age or ideology Ultimately his 1999 book is an inquiry into the nature of literary tradition itself and how it coalesces in a country that has always taken so much of its identity from its written legacy Engendering Slavic Literatures Pamela Chester, Sibelan Elizabeth S. Forrester, 1996 Engendering Slavic Literatures breaks new ground in its investigation of gender and feminist issues in Croatian Polish Russian Serbian and Ukrainian literary texts by both female and male writers Drawing on psychoanalytic approaches film theory and lesbian and gender theory the authors interrogate the received notions of Western gender studies to see which can be usefully applied to nineteenth and twentieth century Slavic literary works Motherhood and the relationships of mothers and daughters the myths of selfhood that shape the autobiographies of Nadezhda Mandelstam Marina Tsvetaeva Lidiia Ginzburg and Lev Tolstoy Polish Catholicism and sexuality portrayals of landscape in verbal and visual art and women writers transgressive ventures into male bastions such as the love lyric and prose fiction are among the themes of this important and innovative volume Trans-Atlantic Passages J. Mitchell, 2014-12-09 Philip Hale 1854-1934 helped put Boston on the Transatlantic map through his music writing Mitchell reconstructs Hale's oeuvre to produce an authoritative account of the role the Boston Symphony played in the international world of nineteenth and early twentieth century music *Enemies of the People* Katherine Bliss Eaton, 2002 Katherine Eaton has compiled a collection of essays on the destruction of the arts in Russia in the 1930s The essays provide information about what was lost and speculation about what might have been lost in the Stalinist Great Purge Sexuality and the Body in Russian Culture Jane T. Costlow, Stephanie Sandler, Judith Vowles, 1993 Twelve groundbreaking essays show the varied and complex ways in which ideas about sexuality gender and the body have shaped and been influenced by Russian literature history art and philosophy from the medieval period to the present day *Nabokov's Canon* Marijeta Bozovic, 2016-05-31 Nabokov's translation of Pushkin's Eugene Onegin 1964 and its accompanying Commentary along with *Invitation of a Beheading* 1969 his densely allusive late English language novel have appeared nearly inscrutable to many interpreters of

his work. If not outright failures, they are often considered relatively unsuccessful curiosities. In Bozovic's insightful study, these key texts reveal Nabokov's ambitions to reimagine a canon of nineteenth and twentieth century Western masterpieces with Russian literature as a central rather than marginal strain. Nabokov's scholarly work, translations and lectures on literature, bear resemblance to New Critical canon reformations; however, Nabokov's canon is pointedly translingual and transnational and serves to legitimize his own literary practice. The new angles and theoretical framework offered by Nabokov's Canon help us to understand why Nabokov's provocative monuments remain powerful source texts for several generations of diverse international writers as well as richly productive material for visual, cinematic, musical and other artistic adaptations.

Two Hundred Years of Pushkin, Volume I, 2021-12-28. From his earliest publications onwards, Pushkin has been the source of inspiration and imitation for other writers as well as composers, painters and more recently film makers. This book seeks to explore the different relationship his followers have sought with the founding father of modern Russian culture. Pushkin's Secret Russian Writers Reread and Rewrite Pushkin takes a variety of approaches. Some contributors to the collection trace the way Pushkin's works provided the template for the characters and stories which were produced in the first decades after his untimely death in 1837. Others reveal the impact the myths surrounding Pushkin's tragic life were used and abused by followers as well as governments of various hues. Yet other studies explore the very precise ways Pushkin's successors used his texts as source material for their own works. Pushkin's Secret Russian Writers Reread and Rewrite Pushkin offers a series of fascinating insights into the impact that Alexander Pushkin has had on Russian culture over the last 200 years. Pushkin's Secret Russian Writers Reread and Rewrite Pushkin will be followed by two further volumes devoted to Pushkin within the SLP series: Pushkin Myth and Monument and Pushkin's Legacy.

Essays on Revolutionary Culture and Stalinism John W. Strong, 1990 *The Dialect of Gorno Kalenik* Peter M. Hill, 1991 *New Studies in Russian Language and Literature* Anna Lisa Crone, Catherine V. Chvany, Bayara Aroutunova, 1987 *Pushkin's Poetics of the Unexpected* Joseph Thomas Shaw, 1993 **Oral Tradition**, 1991 *A Handbook of Vlach Romani* Ian Hancock, 1995 **Issues in Russian Literature Before 1917** J. Douglas Clayton, 1989 *American Jewish History*, 1989 *Forthcoming Books* Rose Arny, 2001-06 **Aspects of Modern Russian and Czech Literature** Arnold Barrett McMillin, 1989 *Imperial Power and Development* Don Karl Rowney, 1990
