**"Useless to the State"** Zwia Lipkin,2020-03-17 In 1911 Joseph Bailie a professor at Nanjing University often took his Chinese students to tour Nanjing s shantytowns One

student the son of a district magistrate followed Bailie from hut to hut one rainy day and was grateful that Bailie opened his eyes to the poverty in his own city However twenty years later when M R Schafer another Nanjing University professor showed his students a film that included his own photographs of the poor quarters of Nanjing his students were so upset that they demanded his expulsion from China Zvia Lipkin explores the reasons for these starkly different reactions Nanjing in the 1910s was a quiet city compared to 1930s Nanjing which was by that time the national capital Nanjing had become a symbol of national authority aiming not only to become a model of modernization for the rest of China but also to surpass Paris London and Washington Underlying all of Nanjing s policies was a concern for the capital s image and looks offensive people were allowed to exist as long as they remained invisible Lipkin exposes both the process of social engineering and the ways in which the suppressed reacted to their abuse Like Professor Schafer s movie this book puts the poor at the center of the picture defying efforts to make them invisible

**The Golden Shoe** Beng Huat Chua,1989      **Urban Food Culture** Cecilia Leong-Salobir,2019-04-02 This book explores the food history of twentieth century Sydney Shanghai and Singapore within an Asian Pacific network of flux and flows It engages with a range of historical perspectives on each city s food and culinary histories including colonial culinary legacies restaurants cafes street food market gardens supermarkets and cookbooks examining the exchange of goods and services and how the migration of people to the urban centres informed the social histories of the cities foodways in the contexts of culinary nationalism ethnic identities and globalization Considering the recent food history of the three cities and its complex narrative of empire trade networks and migration patterns this book discusses key aspects of each city s cuisine in the twentieth century examining the interwoven threads of colonialism and globalization

**A History of Modern Singapore, 1819-2005** C.M. Turnbull,2009-01-01 When C M Turnbull s A History of Singapore 1819 1975 appeared in 1977 it quickly achieved recognition as the definitive history of Singapore A second edition published in 1989 brought the story up to the elections held in 1988 In this fully revised edition rewritten to take into account recent scholarship on Singapore the author has added a chapter on Goh Chok Tong s premiership 1990 2004 and the transition to a government headed by Lee Hsien Loong The book now ends in 2005 when the Republic of Singapore celebrated its 40th anniversary as an independent nation Major changes occurred in the 1990s as the generation of leaders that oversaw the transition from a colony to independence

stepped aside in favour of a younger generation of leaders Their task was to shape a course that sustained the economic growth and social stability achieved by their predecessors and they would be tested towards the end of the decade when Southeast Asia experienced a severe financial crisis Many modern studies on Singapore focus on current affairs or very recent events and pay a great deal of attention to Singapore's successful transition from the developing to the developed world However younger historians are increasingly interested in other aspects of the country's past particularly social and cultural issues A History of Modern Singapore 1819 2005 provides a solid foundation and an overarching framework for this research surveying Singapore's trajectory from a small British port to a major trading and financial hub within the British Empire and finally to the modern city state that Singapore became after gaining independence in 1965
