Ridden Hard Put Up Wet:

Rode Hard and Put Away Wet Richard Powell, 2008-02 Richard Powell is one of those individuals who is determined to have as many different experiences as possible as he goes through life. He is a hunter and has spent most of his entire adult life broke having spent his gold on airfares and hunting licenses and guide fees on four continents. Along the way he has met incredibly interesting men and women. Experienced African nights was attacked by an enraged water buffalo in South America. Been offered a thousand dollars to shoot poachers in the Chete area of the remote Zambezi Valley and been really wet and bug bitten during the rainy season near the Matto Grosso. His latest book deals with various sagas including a hunt for water buffalo in Aboriginal country in Northern Australia where an aborigine lady named Maura called him. Cartoon Richard. On this hunt the camp cook did her best to starve the paying clients which led to a hissy fit by the New Zealand dude in camp. Being a big man it was a big hissy fit. Off to Africa a funky little Suzuki named Baby Red with 800 000 km carried Richard and his wife Margaret around safely as they did their best to hunt kudu and gemsbok and warthog and leopard. In Old Montana a hunt for tundra swans with a fine gentleman from Billings led to a morning where one rejoices to be alive as an ancient man with many ailments refused to go gently into that good night. He was a hunter not some old man waiting to die somewhere in an institution. And the major theme of all these adventures is laughter. Maybe different mountains and skies and accents but always laughter as things go awry. *Rode Hard, Put Away Wet* Sacchi Green, Rakelle Valencia, 2005. Leather lust riding a horse by day a woman by night. The Western is making a comeback on the big screen and in made for TV movies and the time is right for a cowboy themed lesbian erotica anthology with a difference. *Life Isn't Always Good... Sometimes It's Crap!* Ray E. Murray, 2011-07-08 There are millions of choices for a reader to select while browsing in a book store. I hope that the title *Life Isn't Always Good Sometimes It's Crap* caught your eye and sparked your interest to leaf through the contents of this book. When the book has been read in its entirety you will realize that I do not believe Life is Crap. On the contrary I believe that Life is Good. In the wilderness Crap can creep in when least expected. At that very moment it can make you feel that Life is Crap. Trapped on a mountain during a lightning storm is one of those moments. Tossed out of a kayak into a raging river alone and paddle less qualifies as a Life is Crap moment. Driving along on an ATV can go from great to Crap in the blink of an eye. These are true events that have happened along the way. They are funny, sad and some of them are blatantly dangerous. If you are planning an outdoor excursion be aware that there are risks. Prepare yourself as well as possible and hopefully you have planned out the CRAP. **If I Was Your Girlfriend** Marlon McCaulsky, 2023-03-28 Four lifelong friends find their bonds tested when personality differences and relationship issues threaten to pull them apart. Her best friend Denise Varner considers herself a plain Jane type of girl who often goes unnoticed around
