America They can never go back They can though have a tremendous impact and influence on those who are abducted from America to their spirit world That's where the abducted train visitors are actually shown that there really is a spirit world They can actually meet their dead friends relatives and acquaintances They learn that life really does go on They also learn that America is forever doomed unless the new plan can be made to work That's when they get recruited They are all promised that their next life will be lived in Simplicity as a reward for their efforts back home What greater proof and incentive could there ever be Those residents of Simplicity have all passed their final exams and have been promoted to a higher level of existence If you can't believe them who can you believe Now educated and informed the train visitors return back home with newfound courage and a tremendous desire to do the right thing That is because seeing is believing Those chosen ones had been granted a rare privilege They actually enter into the spirit world while they are still living in this world There they get a real shock their proof of immortality They actually meet the dead who had summoned them That must be done in a very careful way so as not to cause heart attacks or fainting spells Before they are sent back they are all given two special gifts completely unattainable in their world If they ever doubt the experience those two items will convince them otherwise One is a large medallion made of a strange material unknown on earth It says simply I was there The second mystery item is an unbreakable pocket mirror in a leather case Removed from the case the mirror emits an eerie glow Printed below the mirror are the words I cannot do everything but I can do something That which I can do I ought to do I will not fail Most importantly the train visitors are recruited into the most secret of all organizations Its purpose is to restore freedom to America by any means necessary That is the real secret of Simplicity Among them is a young man named Joe Quin He has been tricked into going there like all the others but for a different purpose Joe is a person of spec *PRICELESS MARRIAGE* Bonnie Gardner, 2014-09-15 Welcome to Millionaire Montana where twelve lucky souls have won a multimillion dollar jackpot And where one millionaire in particular has just CLAIMED HER EX AS HER OWN All of Jester is abuzz with news of Air Force captain Sam Cade's return Sources say he has come home again to win back his wife Ruby Fed up with her military husband's daredevil ways Main Street Millionaire Ruby filed for divorce months ago But the pair has been spotted around town looking as cozy as can be sharing romantic candlelit dinners and slow dances The sparkle in Ruby's eyes has everyone wondering if the two have resolved their marital woes and recaptured their past love Will their purported reunion lead to a second honeymoon *Western Movies* Michael R.
