Samson A Secret Betrayed A Vow Ignored

Jillian L. Ross

Samson A Secret Betrayed A Vow Ignored:

Samson James L. Crenshaw, 1978 *Samson* James Lee Crenshaw, 1979 *A People Heeds Not Scripture* Jillian L. Ross, 2023-03-27 Everyone did what was right in their own eyes This well known indictment rumbles across the epilogue of Judges denouncing God's people as wayward Yet understanding the source of Israel's degenerative and downward spiral comes from an oft overlooked declaration Yahweh is testing Israel's fidelity to the commandments he gave by the hand of Moses By employing covert allusions rather than explicit quotations Judges contrasts the obvious sins of Israel with veiled reminders of the law that they have abandoned In this volume Jillian Ross employs current insights from literary theory establishing a robust methodology for identifying allusions in the text Once applied the allusions to the Law especially as presented in Deuteronomy display three clear peaks the prologue Gideon narrative and epilogue The results suggest that Judges teaches a Deuteronomistic concept that the Israelites failed to obey the Torah particularly its call for covenant fidelity in worship and warfare as given to them by the hand of Moses **Death and Dissymmetry** Mieke Bal, 1988-06-15 Chicago studies in the history of Judaism **God of Violence Yesterday, God of Love Today?** Helen Paynter, 2019-05-20 Do you find the violence in the Old Testament a problem Does it get in the way of reading the Bible and of faith itself While acknowledging that there are no easy answers in *God of Violence Yesterday God of Love Today* Helen Paynter faces the tough questions head on and offers a fresh accessible approach to a significant issue For all those seeking to engage with the Bible and gain confidence in the God it portrays she provides tools for reading and interpreting biblical texts and points to ways of dealing with the overall trajectories of violence **Judges 13-21** Jack M. Sasson, 2025-08-27 The second volume of Jack M Sasson's authoritative commentary on the book of Judges The second half of Judges is set when there was no king in Israel anyone could do whatever felt right It narrates the tale of Samson the would be liberator of Israel who comes to a violent end the conquest of the land of Laish and a vicious rape that when followed by a shocking dismemberment ignites a war among the tribes In the second installment of his authoritative two volume commentary Jack M Sasson invites his readers to ponder the many levels of meaning in the Hebrew text through a careful survey of its contents evolution and reception By situating the text alongside its earliest translations into Greek Aramaic and Latin Sasson offers compelling observations on the characters action pacing and style of the narrative focusing on the characterization of Samson as a resourceful avenger of Philistine cruelties and as an instrument of God intended to humiliate false divinities Sasson draws widely on comparative literature from Egypt Greece and Mesopotamia to enrich our understanding of how biblical writers adapted older regional sagas and he derives insights from Hellenistic and rabbinic sources to re create how Judges was understood by its earliest readers Comprehensive and engagingly written *Judges 13 21* is an invitation to readers to rediscover these ancient stories and in so doing gain a greater appreciation for the art of Hebrew storytelling Judges, Ruth Mark J. Boda, George Schwab, 2017-03-07 Continuing a Gold Medallion Award winning legacy the completely revised

Expositor's Bible Commentary puts world class biblical scholarship in your hands A staple for students teachers and pastors worldwide The Expositor's Bible Commentary EBC offers comprehensive yet succinct commentary from scholars committed to the authority of the Holy Scriptures The EBC uses the New International Version of the Bible but the contributors work from the original Hebrew and Greek languages and refer to other translations when useful Each section of the commentary includes An introduction background information a short bibliography and an outline An overview of Scripture to illuminate the big picture The complete NIV text Extensive commentary Notes on textual questions key words and concepts Reflections to give expanded thoughts on important issues The series features 56 contributors who Believe in the divine inspiration complete trustworthiness and full authority of the Bible Have demonstrated proficiency in the biblical book that is their specialty Are committed to the church and the pastoral dimension of biblical interpretation Represent geographical and denominational diversity Use a balanced and respectful approach toward marked differences of opinion Write from an evangelical viewpoint For insightful exposition thoughtful discussion and ease of use look no further than The Expositor's Bible Commentary

The Book of Judges: The Art of Editing Amit, 2021-11-15 Using a combination of literary theory and the tools of biblical criticism this original and thought provoking study investigates the book of Judges as an example of the art of editing in the Hebrew Bible Judges is shown to have been composed in its parts and as a whole according to particular integrative principles The study not only sheds new light on the redaction of Judges but opens a new window on biblical historiography as a whole Responding to calls in the scholarly literature for its translation from Hebrew this publication makes Amit's fine study available to a wider audience

Understanding Dan Mark Walter Bartusch, 2003-06-01 This book investigates the Dan Danite tradition in the Hebrew Bible to determine not only what the Bible tells us about Dan but also how far traditions about the territory city ancestor and tribe may have influenced each other Bartusch argues that the political and theological interests reflected in the relatively late work of the Deuteronomistic Historian have cast a shadow over some earlier traditions and that by combining social science models and newer literary criticism with the more traditional historical critical methodologies the original meaning of the traditions of Dan may be recovered and clarified The conclusion of such a study is that the Hebrew Bible as a whole does not entirely support the negative portrayal of Dan in its later traditions

Superheroes and Their Ancient Jewish Parallels Johnny E. Miles, 2018-03-23 Persia had Rostam Babylonia had Gilgamesh and Enkidu Egypt had Horus and Isis Greece had Odysseus and Achilles Israel had its heroes too Moses David Esther and Samson While Israel's heroes did not wear capes or spandex they did meet cultural needs In times of crisis heroes emerge to model virtues that inspire a sense of commitment and worth Identity concerns were especially acute for a post exilic Jewish culture Using modern American superheroes and their stories in a cross cultural discussion this book presents the stories of Israelite characters as heroes filling a cultural need
