Alfred Herbert Palmer

Samuel Palmer A Biography:

A Memoir of Samuel Palmer A.H. Palmer ,F.G. Stephens,William Vaughan,2020-10-13 Samuel Palmer 1805 1881 was one of the leading British landscape painters of the nineteenth century Inspired by his mentor the artist and poet William Blake Palmer brought a new spiritual intensity to his romantic depictions of nature A Memoir of Samuel Palmer contains the first biography of the artist written by his son A H Palmer a critical appreciation of Palmer by Pre Raphaelite artist and critic F G Stephens which provides a deeply personal look at the painter as well as insight into the reception of his art during the Victorian era and an autobiographical letter by Palmer himself Samuel Palmer Raymond Lister,1974-01-01 The Life and Letters of Samuel Palmer, Painter and Etcher Alfred Herbert Palmer,1892 **~THEœ LIFE AND LETTERS OF SAMUEL PALMER.** ,1892 *Samuel Palmer* Raymond Lister,1987 Mysterious Wisdom Rachel Campbell-Johnston,2011-01-01 A devotee of the great visionary William Blake Samuel Palmer became the lynchpin of the first British art movement Leading a band of fellow artists the brotherhood of Ancients out of London to the village of Shoreham in Kent he set out to create a new rural ideal His paintings of slumbering shepherds and tumbling blossoms of mystical cornfields and bright sickle moons capture a world in which landscape and politics religion and culture all meet They reflect the concerns of the nineteenth century which his life spanned In his day like his mentor Blake Samuel Palmer was much neglected He did not attempt the grand dramas of J M W Turner or follow John Constable s profoundly naturalistic path But he belongs in their pantheon of great British Romantics as much for the numinous visions that are embodied in his loveliest paintings as for the vagaries of a life story in which he so often failed If English tradition had ever encompassed the making of icons they would not have been so different from Palmer s enchanted landscapes Mysterious Wisdom offers for the first time in more than thirty five years a vivid and intimate portrait of Palmer who over the course of the past century has become increasingly treasured as one of the most extraordinarily talented and quirkily eccentric figures of the British art world or as the art historian Kenneth Clark believed an English Van Gogh **The Life and Letters of Samuel Palmer, Painter and Etcher (Classic Reprint)** Alfred Herbert Palmer,2015-08-04 Excerpt from The Life and Letters of Samuel Palmer Painter and Etcher About ten years ago when I was writing a short memoir of my father it occurred to me that a companion volume of his letters might be published I knew that many of these were preserved by his friends and esteemed not only on account of regard for the writer but for what was thought considerable originality Yet I was not prepared for the extent of the collection which was most courteously placed at my disposal carrying with it by virtue of its very existence the evidence of some merit The publication of the volume was postponed but the delay was by no means unfortunate inasmuch as it gave me leisure to sift the material and reject that which was unsuitable while applying myself at the same time to a closer and more unprejudiced study of my father s life There being an analogy between writing dashed off for the most part without the slightest thought of publicity or of literary precision and rapid sketches from nature done with a purpose and a will I thought

there would be as much danger in tampering in the one case as there always is in the other and that it would be best to leave the selected letters to stand or fall on their own merits without the manipulation such collections have sometimes received Nevertheless I deemed it well to omit passages that were of no interest whatever except to my father s correspondents the omissions being indicated in the usual way A few explanatory comments were necessary but I compressed these within the narrowest possible bounds I was unable to fill up the gap between the years 1839 and 1848 having no letters of any interest at my disposal written within that period Should any such exist I should be grateful for the loan of them About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
