Bonura, 2022-12 Empire Builder is the previously untold story of John D Spreckels the pioneer who almost singlehandedly built San Diego after creating empires in sugar shipping transportation and building development up and down the coast of California and across the Pacific

**Paradise Plundered** Steven P. Erie, Vladimir Kogan, Scott A. MacKenzie, 2011-08-15 The early 21st century has not been kind to California's reputation for good government But the Golden State's governance flaws reflect worrisome national trends with origins in the 1970s and 1980s Growing voter distrust with government a demand for services but not taxes to pay for them a sharp decline in enlightened leadership and effective civic watchdogs and dysfunctional political institutions have all contributed to the current governance malaise Until recently San Diego California America's 8th largest city seemed immune to such systematic governance disorders This sunny beach town entered the 1990s proclaiming to be America's Finest City but in a few short years its reputation went from Futureville to Enron by the Sea In this eye opening and telling narrative Steven P Erie Vladimir Kogan and Scott A MacKenzie mix policy analysis political theory and history to explore and explain the unintended but largely predictable failures of governance in San Diego Using untapped primary sources interviews with key decision makers and public documents and benchmarking San Diego with other leading California cities Paradise Plundered examines critical dimensions of San Diego's governance failure a multi billion dollar pension deficit a chronic budget deficit inadequate city services and infrastructure grandiose planning initiatives divorced from dire fiscal realities an insulated downtown redevelopment program plagued by poorly crafted public private partnerships and for the metropolitan region inadequate airport and port facilities a severe underinvestment in firefighting capacity despite destructive wildfires and heightened Mexican border security concerns Far from a sunny story of paradise and prosperity this account takes stock of an important but understudied city its failed civic leadership and poorly performing institutions policymaking and planning Though the extent of these failures may place San Diego in a league of its own other cities are experiencing similar challenges and political changes As such this tale of civic woe offers valuable lessons for urban scholars practitioners and general readers concerned about the future of their own cities

*San Diego* Iris Wilson Engstrand, 2005 A comprehensive history of San Diego from the time of the indigenous people to the controversial mayoral election of 2004 Chapters cover the Spanish Mexican Victorian WWI and WWII eras and the post war boom Includes a 25 page chronology of events plus bibliography and index

**Golden Dreams** Kevin Starr, 2011-09-09 A narrative tour de force that combines wide ranging scholarship with captivating prose Kevin Starr's acclaimed multi volume Americans and the California Dream is an unparalleled work of cultural history In this new volume Starr covers the crucial postwar period 1950 to 1963 when the California we know today first burst into prominence In a powerful blend of telling events colorful personalities and insightful analyses he brilliantly illuminates the dominant economic social and cultural forces in California

in these pivotal years      **Bob Breitbard: San Diego's Sports Keeper** Dan Fulop,2012-06-30 Bob Breitbard San Diego's Sports Keeper chronicles the life and accomplishments of a visionary sportsman and great San Diego icon. An all star in San Diego's sports lineup for more than half a century Breitbard was involved in the local sports scene as a player coach team owner builder booster and benefactor of institutions and organizations that helped make San Diego a major league city. Breitbard followed his football playing and coaching days at Hoover High School and San Diego State College by becoming the guardian and promoter of the city's sports scene. In 1946 he founded the Breitbard Athletic Association to honor local high school amateur and professional athletes and later established the Breitbard Hall of Fame. The Foundation developed into the San Diego Hall of Champions which today is the nation's largest multi sport museum and a shrine to honor local high school amateur and professional sports stars hometown heroes of the past present and future. Breitbard was the driving force behind the building of the San Diego Sports Arena and the owner of its original tenant the Gulls of the Western Hockey League and the expansion NBA Rockets. Breitbard was also one of the founding members of the Greater San Diego Sports Association a group that helped build San Diego Stadium bring the Chargers and major league Padres to town establish and support the Holiday Bowl and other first class sports events and facilities. Much more than just a uniquely dedicated caretaker of San Diego's sports the kind and generous Breitbard was a local treasure that helped make San Diego the wonderful city it is today      **Militarized Currents** Setsu Shigematsu,Keith L. Camacho,2010 Foregrounding indigenous and feminist scholarship this collection analyzes militarization as an extension of colonialism from the late twentieth to the twenty first century in Asia and the Pacific. The contributors theorize the effects of militarization across former and current territories of Japan and the United States such as Guam Okinawa the Marshall Islands the Philippines and Korea demonstrating that the relationship between militarization and colonial subordination and their gendered and racialized processes shapes and produces bodies of memory knowledge and resistance. When the police arrived on the scene they found the woman's calling card which read simply I am Fritzie Mann. Yet Fritzie's identity as revealed in this compelling history was anything but simple and her death eventually ruled a homicide captured public attention for months. In Fritzie historian Amy Absher reveals how broader cultural forces including gendered violence sexual liberation and evolving urban conditions in the American West shaped the course of Mann's life and contributed to her tragic death. Frieda Fritzie Mann had several identities during her brief life and

the mysterious circumstances of her death raise as many questions as they do answers She was born in 1903 near the present border between Poland and Ukraine She and her family were Jewish immigrants who traveled to San Diego to find security and prosperity In the last year of her life Mann became locally famous She had reinvented herself as a flapper and Oriental dancer She claimed to have friends in Hollywood and a movie contract On the night of her murder she said she was going to a party to meet her Hollywood friends instead she traveled to an isolated roadside hotel where she met her death An autopsy revealed that she was four and a half months pregnant Absher guides the reader through the intricacies of this true crime story as it unfolded from the initial flawed investigation to the sensationalized press coverage and the ultimate failure of the legal system to ensure justice on Mann s behalf Like other new women of her era Fritzie Mann adopted roles that promised liberation from the control of men In the end her life and early death suggest the opposite she became the victim of a culture that consumed women even as it purported to celebrate them
