Writing and Literacy in Chinese, Korean and Japanese Insup Taylor, Martin M. Taylor, Maurice Martin Taylor, 1995-01-01 Chinese Japanese South and North Koreans in East Asia have a long intertwined and distinguished cultural history and have achieved or are in the process of achieving spectacular economic success Together these three peoples make up one quarter of the world population They use a variety of unique and fascinating writing systems logographic Chinese characters of ancient origin as well as phonetic systems of syllabaries and alphabets The book describes often in comparison with English how the Chinese Korean and Japanese writing systems originated and developed how each relates to its spoken language how it is learned or taught how it can be computerized and how it relates to the past and present literacy education and culture of its users Intimately familiar with the three East Asian cultures Insup Taylor with the assistance of Martin Taylor has written an accessible and highly readable book Writing and Literacy in Chinese Korean and Japanese is intended for academic readers students in East Asian Studies linguistics education psychology as well as for the general public parents business government Readers of the book will learn about the interrelated cultural histories of China Korea and Japan but mainly about the various writing systems some exotic some familiar some simple some complex but all fascinating

Asia Pacific and Human Rights Paul Close, David Askew, 2017-03-02 Human rights are acquiring an increasingly prominent role on the world stage Interest in concern about and action on human rights are widespread and rising albeit in a far from globally even uniform and untroubled fashion Human rights have generated a booming global industry while having become not unconnectedly highly controversial and deeply contested Human rights matters have emerged as a major source of disagreement dispute and discord at and between the local regional and global levels of social cultural political and economic life These developments are addressed in the book by an examination of the links between the evolving global human rights regime GHRR and the character and course of human rights in the world s most dynamic complex and problematic region that of the Asia Pacific The authors argue that although the Asia Pacific and human rights nexus is influenced by cultural clashes it is largely shaped by power distributions and struggles rooted in the global political economy GPE The prevailing GHRR reflects the way in which globalization processes have been Western led but its future is far from certain given the current shift in the balance of GPE power towards the Asia Pacific and especially East Asia

Loanwords in Japanese Mark Irwin, 2011-06-16 Loanwords in Japanese is the first monograph in a Western language to offer a systematic and coherent overview of the vast number of words borrowed into Japanese since the mid 16th century Its publication is timely given the fact that the loanword stratum s recent exponential growth has given rise to recent Japanese government publications seeking to outlaw foreign vocabulary or at the very least offer native translations Beginning with a history of loanwords chapters cover loanword phonology loanword morphology loanword orthography and official and public attitudes to Japanese loanwords The volume will be of interest to a wide range of researchers scholars and students of the
