Littlefield,2001 An updated edition of a standard work documenting the interrelationship of two racial cultures in antebellum Florida and Oklahoma **The Complete Book of Seminole Patchwork** Beverly Rush,Lassie Wittman,1993-01-01 Fascinating introduction to a unique form of needlecraft distinguished by bright horizontal patterns and created by sewing cutting and rearranging strips of multicolored bands Simply written profusely illustrated volume includes a glossary of important terms and displays varied patchwork patterns along with instructions for reading assembly diagrams The American President Kathryn Moore,2018-09-04 Fully updated to include the 2016 election this book is the most thorough authoritative and up to date single volume reference to the presidency in print In The American President A Complete History historian Kathryn Moore presents a riveting narrative of each president's experiences in and out of office along with illuminating facts and statistics about each administration timelines of national and world events astonishing trivia and more Together these details create a complex and nuanced portrait of the American presidency from the nation's infancy to today including Donald Trump's first year in office Best single volume history of the American presidency on the market Fully updated to include the results of the 2016 election Updates include coverage of the first year of the Donald Trump presidency Appealing to readers looking for an objective and nonpartisan historical reference Unique reference guide for readers of American history The Passions of Andrew Jackson Andrew Burstein,2007-12-18 Most people vaguely imagine Andrew Jackson as a jaunty warrior and a man of the people but he was much more a man just as complex and controversial as Jefferson or Lincoln Now with the first major reinterpretation of his life in a generation historian Andrew Burstein brings back Jackson with all his audacity and hot tempered rhetoric The unabashedly aggressive Jackson came of age in the Carolinas during the American Revolution migrating to Tennessee after he was orphaned at the age of fourteen Little more than a poorly educated frontier bully when he first opened his public career he was possessed of a controlling sense of honor that would lead him into more than one duel As a lover he fled to Spanish Mississippi with his wife to be before she was divorced Yet when he was declared a national hero upon his stunning victory at the Battle of New Orleans Jackson suddenly found the presidency within his grasp How this brash frontiersman took Washington by storm makes a fascinating story and Burstein tells it thoughtfully and expertly In the process he reveals why Jackson was so fiercely loved and fiercely hated by the American people and how his presidency came to shape the young country's character
