The Making of a Mindful Marriage Ted W. Raddell Ph.D., 2021-04-21 Many people who are married feel they love their spouse but can't seem to get along with them creating frustration distance and sometimes divorce The problem often lies in a universal tendency to react to each other's reactions It may be my spouse's words facial expressions or tone of voice that completely derails a well meaning conversation At other times worries about a miserable future spousal relationship or getting stuck in past hurts destroys the emotional closeness they desire Mindfulness the gift of your full presence is a powerful antidote to these common stumbling blocks In practicing the skills contained in this easy to read book you will gain greater mastery of mindfulness Learning to be more mindful in your marriage will empower you to become more responsive rather than reactive and more emotionally available rather than checked out Not only will mindfulness enable you to communicate more effectively it will help you learn how to love your spouse as he or she deserves to be loved I commend you for answering God's call to love one another Your willingness to make a mindful marriage will decrease conflict improve intimacy and foster closeness and resilience that will be a blessing to you and your family for years to come

A Treasure Hid in a Field Christopher Wallace, 2018-07-19 Are you considering Catholicism and find it difficult to accept certain Catholic teachings Do you frequently struggle with explaining Catholicism to people who often use Scripture to challenge your faith Are you currently Catholic and are struggling with the temptation to leave the Catholic Church Are you trying to understand more about the Catholic faith If so A Treasure Hid in a Field is for you This book contains a thorough overview of Catholicism which helps the reader sort through the many theological differences between Catholicism and Protestantism and helps the reader

to come to a greater theological understanding of Catholicism Therefore A Treasure Hid in a Field is an overview of Catholicism written from the perspective of a minister converting from Protestantism to Catholicism The focus is upon explaining how I had served as a Protestant minister for twenty years but came to the knowledge of the fullness of the truth where I had never anticipated The purpose of the book is to help those who may be following my same journey those who may already be Catholic and need help in responding to common objections to Catholicism presented by Protestants individuals who may be struggling with the temptation to leave the Catholic Church or those who may simply be seeking to learn more about the Catholic faith The overall theme of this book is based on the two ways theme found throughout Scripture applied to Catholicism and Protestantism During my conversion process I often found myself facing the choice between two paths which always resulted in the path toward Catholicism Even the topics included in this book that were not a particular crossroads in my journey are presented in the same format for the sake of those to whom a particular doctrine might serve as a challenge Therefore each chapter is presented as a question or a choice between two ways which for me resulted in my conversion from Protestantism to Catholicism **All God's People** Donna Toliver Grimes,2017-12-01
