The Sephardic Jews of Bordeaux Frances Malino, 1978 *Jews and the French Revolutions of 1789, 1830 and 1848* Zosa Szajkowski, 1970 *Profiles in Diversity* Frances Malino, David Jan Sorkin, 1998 Profiles in Diversity explores the momentous transformation in Europe from 1750 1870 by looking at the lives of European Jews who experienced it The Jews and the Expansion of Europe to the West, 1450-1800 Paolo Bernardini, Norman Fiering, 2004-01-01 Jews and Judaism played a significant role in the history of the expansion of Europe to the west as well as in the history of the economic social and religious development of the New World They played an important role in the discovery colonization and eventually exploitation of the resources of the New World Alone among the European peoples who came to the Americas in the colonial period Jews were dispersed throughout the hemisphere indeed they were the only cohesive European ethnic or religious group that lived under both Catholic and Protestant regimes which makes their study particularly fruitful from a comparative perspective As distinguished from other religious or ethnic minorities the Jewish struggle was not only against an overpowering and fierce nature but also against the political regimes that ruled over the various colonies of the Americas and often looked unfavorably upon the establishment and toleration of Jewish communities in their own territory Jews managed to survive and occasionally to flourish against all odds and their history in the Americas is one of the more fascinating chapters in the early modern history of European expansion The Sephardic Jews of Bordeaux Frances Malino, 1978 **The Sephardic Atlantic** Sina Rauschenbach, Jonathan Schorsch, 2019-04-09 This volume contributes to the growing field of Early Modern Jewish Atlantic History while stimulating new discussions at the interface between Jewish Studies and Postcolonial Studies It is a collection of substantive sophisticated and variegated essays combining case studies with theoretical reflections organized into three sections race and blood metropolises and colonies and history and memory Twelve chapters treat converso slave traders race and early Afro Portuguese relations in West Africa Sephardim and people of color in nineteenth century Cura ao Portuguese converso Sephardic imperialist behavior Caspar Barlaeus attitude toward Jews in the Sephardic Atlantic Jewish Creole historiography in eighteenth century Suriname Savannah s eighteenth century Sephardic community in an Atlantic setting Freemasonry and Sephardim in the British Empire the figure of Columbus in popular literature about the Caribbean key works of Caribbean postcolonial literature on Sephardim the holocaust slavery and race Canadian Jewish identity in the reception history of Esther Brandeau Jacques La Fargue and Moroccan Jewish memories of a sixteenth century Portuguese military defeat *Jewish Emancipation Reconsidered* Michael Brenner, Vicki Caron, Uri R. Kaufmann, 2003 European and American scholars of history Jewish studies and various social sciences examine the history of French and German Jews from the late 18th to the early 20th centuries a period commonly referred to as the emancipation era The two communities are often seen as paradigms respectively of the different paths to emancipation from revolution and from evolution The 12 essays are from a May 2001 conference in Tutzing Germany Distributed by Coronet Books Annotation

2004 Book News Inc Portland OR booknews com **Jewish Emancipation** David Sorkin, 2021-09-14 The first comprehensive history of how Jews became citizens in the modern world For all their unquestionable importance the Holocaust and the founding of the State of Israel now loom so large in modern Jewish history that we have mostly lost sight of the fact that they are only part of and indeed reactions to the central event of that history emancipation In this book David Sorkin seeks to reorient Jewish history by offering the first comprehensive account in any language of the process by which Jews became citizens with civil and political rights in the modern world Ranging from the mid sixteenth century to the beginning of the twenty first Jewish Emancipation tells the ongoing story of how Jews have gained kept lost and recovered rights in Europe North Africa the Middle East the United States and Israel Emancipation Sorkin shows was not a one time or linear event that began with the Enlightenment or French Revolution and culminated with Jews acquisition of rights in Central Europe in 1867 71 or Russia in 1917 Rather emancipation was and is a complex multidirectional and ambiguous process characterized by deflections and reversals defeats and successes triumphs and tragedies For example American Jews mobilized twice for emancipation in the nineteenth century for political rights and in the twentieth for lost civil rights Similarly Israel itself has struggled from the start to institute equality among its heterogeneous citizens By telling the story of this foundational but neglected event Jewish Emancipation reveals the lost contours of Jewish history over the past half millennium *The Jews of Modern France* Paula E. Hyman, 2023-04-28 The Jews of Modern France explores the endlessly complex encounter of France and its Jews from just before the Revolution to the eve of the twenty first century In the late eighteenth century some forty thousand Jews lived in scattered communities on the peripheries of the French state not considered French by others or by themselves Two hundred years later in 1989 France celebrated the anniversary of the Revolution with the largest most vital Jewish population in western and central Europe Paula Hyman looks closely at the period that began when France s Jews were offered citizenship during the Revolution She shows how they and succeeding generations embraced the opportunities of integration and acculturation redefined their identities adapted their Judaism to the pragmatic and ideological demands of the time and participated fully in French culture and politics Within this same period Jews in France fell victim to a secular political antisemitism that mocked the gains of emancipation culminating first in the Dreyfus Affair and later in the murder of one fourth of them in the Holocaust Yet up to the present day through successive waves of immigration Jews have asserted the compatibility of their French identity with various versions of Jewish particularity including Zionism This remarkable view in microcosm of the modern Jewish experience will interest general readers and scholars alike The Jews of Modern France explores the endlessly complex encounter of France and its Jews from just before the Revolution to the eve of the twenty first century In the late eighteenth century some forty thousand Jews lived in scattered communitie The Economy in Jewish History Gideon Reuveni, Sarah Wobick-Segev, 2010-12-01 Jewish historiography tends to stress the religious cultural and political aspects of the past By contrast the economy has been

pushed to the margins of the Jewish discourse and scholarship since the end of the Second World War This volume takes a fresh look at Jews and the economy arguing that a broader cultural approach is needed to understand the central importance of the economy The very dynamics of economy and its ability to function depend on the ability of individuals to interact and on the shared values and norms that are fostered within ethnic communities Thus this volume sheds new light on the interrelationship between religion ethnicity culture and the economy revealing the potential of an economic turn in the study of history
