September Gale: a Study of Arthur Lismer of the Group of Seven John A. B. McLeish, 1967 September Gale John Alexander Buchanan MACLEISH, 1955 **September Gale** John Alexander Buchanan McLeish, 1973 **September Gale, a Study of Arthur Lismer of the Group of Seven. John A. B. McLeish** John A. B. MacLeish, 1956 **Art Et Architecture Au Canada** Loren Ruth Lerner, Mary F. Williamson, 1991-01-01 Identifies and summarizes thousands of books article exhibition catalogues government publications and theses published in many countries and in several languages from the early nineteenth century to 1981 *Shaped by the West Wind* Claire Elizabeth Campbell, 2005 Claire Campbell draws from recent work in cultural history landscape studies in geography and art history and environmental history to explore what happens when external agendas confront local realities a story central to the Canadian experience Explorers fishers artists and park planners all were forced to respond to the unique contours of this inland sea their encounters defined a regional identity even as they constructed a popular image for the Bay in the national imagination Jacket Harold Mortimer-Lamb Robert Amos, 2013 Harold Mortimer Lamb's name is in the index of almost every book written on the history of Canadian art yet his place in that world has never been clear Photographer writer painter promoter he was a man of many parts and the ideal patron and friend to some of Canada's most famous artists including A.Y. Jackson Emily Carr and Jack Shadbolt At the centre of his story are his relationships with painter Frederick Varley and young student Vera Weatherbie whom Mortimer Lamb at the age of seventy eventually married when she was just thirty Profusely illustrated with his photos paintings and the art he collected Harold Mortimer Lamb The Art Lover brings into focus an unknown chapter in Canadian art history *Community Development on the North Atlantic Margin* John Hutson, Reginald Byron, 2017-07-12 This title was first published in 2001 Isolated communities dependent upon fishing farming and forestry which are scattered around the North Atlantic coast have shared a disastrous decline during the last decade These communities are in the peripheries of advanced industrial nation states such as Canada and supra national alliances such as the European Community yet despite this there are no easy solutions to the development of these regions This volume argues that the productive assets of these regions and how they can be used to sustain household incomes need to be better understood The assets need to be converted into products and services and they need to be marketed profitably The diminishing flow of young people who leave these areas to obtain higher education and who do not return must be turned around and efforts must be concentrated on the creation or strengthening of economic conditions which satisfy the younger generation's employment aspirations consumer requirements and social needs Inventing Tom Thomson Sherrill Grace, 2004 An examination of Canadian identity through our cultural obsession with iconic painter Tom Thomson **The Logic of Ecstasy** Ann Davis, 1992-01-01 None of these painters was motivated solely by mystical concerns each of them also painted works which were of a secular or non spiritual nature None the less they were all deeply interested in and concerned about matters mystical Through a careful examination

of the primary documentation Ann Davis looks at the sources of their beliefs in Christianity transcendentalism and theosophy and theories of the fourth dimension and attempts to put some of their major works into new contexts so that familiar paintings can be seen in a new and revealing mystical way
