Serenading the Reluctant Eagle Nicholas E. Tawa, 1984 *America's Music, from the Pilgrims to the Present* Gilbert Chase, 1992 A history of American music its diversity and the cultural influences that helped it develop **Ruth Crawford Seeger : A Composer's Search for American Music** Judith Tick Professor of Music Northeastern University, 1997-08-18 Ruth Crawford Seeger 1901 1953 is frequently considered the most significant American female composer in this century Joining Aaron Copland and Henry Cowell as a key member of the 1920s musical avant garde she went on to study with modernist theorist and future husband Charles Seeger writing her masterpiece String Quartet 1931 not long after But her legacy extends far beyond the cutting edge of modern music Collaborating with poet Carl Sandburg on folk song arrangements in the twenties and with the famous folk song collectors John and Alan Lomax in the 1930s she emerged as a central figure in the American folk music revival issuing several important books of transcriptions and arrangements and pioneering the use of American folk songs in children s music education Radicalized by the Depression she spent much of the ensuing two decades working aggressively for social change with her husband and stepson the folksinger Pete Seeger This engrossing new biography emphasizes the choices Crawford Seeger made in her roles as composer activist teacher wife and mother The first woman to win a Guggenheim Foundation Fellowship in music composition Crawford Seeger nearly gave up writing music as the demands of family politics and the folk song movement intervened It was only at the very end of her life with cancer sapping her strength that she returned to composing Written with unique insight and compassion this book offers the definitive treatment of a fascinating twentieth century figure All of This Music Belongs to the Nation Kenneth J. Bindas, 2016-08-23 Established in 1935 under the aegis of the Works Progress Administration the Federal Music Project FMP was designed to employ musicians who were hard hit by the economic devastation of the Great Depression All of This Music Belongs to the Nation is the first book length study of the FMP and the many paradoxes and conflicts that marked its four year existence As Kenneth J Bindas points out the FMP leadership was more conservative than that of the sister projects in art theater and writing Its stated aim of raising the taste of musicians and citizens alike created a particular problem Although many unemployed musicians came from the sphere of popular music such as jazz and Tin Pan Alley the FMP chose to emphasize cultured music particularly the orchestral works of composers in the European classical tradition Inevitably this created tension within the project as those musicians deemed popular received second class treatment and in the case of racial and ethnic minorities were segregated and stereotyped Despite these troubles Bindas demonstrates the FMP succeeded in bringing music to millions of listeners across the country Music in the Early Twentieth Century Richard Taruskin, 2006-08-14 Music in the Early Twentieth Century the fourth volume in Richard Taruskin s history looks at the first half of the twentieth century from the beginnings of Modernism in the last decade of the nineteenth century right up to the end of World War II Taruskin discusses modernism in Germany and France as reflected in the work of Mahler Strauss Satie

and Debussy the modern ballets of Stravinsky the use of twelve tone technique in the years following World War I the music of Charles Ives the influence of peasant songs on Bela Bartok Stravinsky's neo classical phase and the real beginnings of 20th century music the vision of America as seen in the works of such composers as W C Handy George Gershwin and Virgil Thomson and the impact of totalitarianism on the works of a range of musicians from Toscanini to Shostakovich Horatio Parker, 1863-1919 William Kearns, 1990 During the early 1900s Horatio Parker was one of the best known composers in the United States He received numerous commissions and was a patriarchal figure among America's Protestant church musicians and choral societies his symphonic works were performed by the leading orchestras of the day and he headed the Yale School of Music for twenty five years Kearns's study is a thorough analysis of the circumstances leading to Parker's popularity in pre World War I America and his neglect thereafter The book includes a detailed narration of the composer's life and an extensive description of his major works Over fifty examples of his music are included as well as a comprehensive listing of works and writings *The Collected Essays of Milton Babbitt* Milton Babbitt, 2012-06-24 Like his compositions Milton Babbitt's writings about music have exerted an extraordinary influence on postwar music and thinking about music In essays and public addresses spanning fifty years Babbitt has grappled profoundly with central questions in the composition and apprehension of music These writings range from personal memoirs and critical reviews to closely reasoned metatheoretical speculations and technical exegesis In the history of music theory there has been only a small handful of figures who have produced work of comparable stature Taken as a whole Babbitt's writings are not only an invaluable testimony to his thinking a priceless primary source for the intellectual and cultural history of the second half of the twentieth century but also a remarkable achievement in their own right Prior to this collection Babbitt's writings were scattered through a wide variety of journals books and magazines many hard to find and some unavailable and often contained typographical errors and editorial corruptions of various kinds This volume of almost fifty pieces gathers corrects and annotates virtually everything of significance that Babbitt has written The result is complete authoritative and fully accessible the definitive source of Babbitt's influential ideas *Music of the World War II Era* William H. Young, Nancy K. Young, 2007-12-30 In the World War II era big bands and swing music reached the heights of popularity with soldiers as well as friends and loved ones back home Many entertainers such as Glenn Miller also served in the military or supported the war effort with bond drives and entertaining the troops at home and abroad In addition to big band and swing music musicals jazz blues gospel and country music were also popular Chapters on each along with an analysis of the evolution of record companies records radios and television are included here for students historians and fans of the era Includes a timeline of the music of the era an appendix of the Broadway and Hollywood Musicals 1939 1945 and an appendix of Songs Composers and lyricists 1939 1945 An extensive discography and bibliography along with approximately 35 black and white photos complete the volume **Benjamin Britten Studies** Vicki P.
