A LAND APART

Louisiana A Land Apart

SJ Ball

Louisiana A Land Apart:

Louisiana ,1991 **A Land Apart** Flannery Burke,2017-05-02 Winner Spur Award for Best Contemporary Nonfiction Western Writers of America A Land Apart is not just a cultural history of the modern Southwest it is a complete rethinking and recentring of the key players and primary events marking the Southwest in the twentieth century Historian Flannery Burke emphasizes how indigenous Hispanic and other non white people negotiated their rightful place in the Southwest Readers visit the region s top tourist attractions and find out how they got there listen to the debates of Native people as they sought to establish independence for themselves in the modern United States and ponder the significance of the U S Mexico border in a place that used to be Mexico Burke emphasizes policy over politicians communities over individuals and stories over simple narratives Burke argues that the Southwest s reputation as a region on the margins of the nation has caused many of its problems in the twentieth century She proposes that as they consider the future Americans should view New Mexico and Arizona as close neighbors rather than distant siblings pay attention to the region s history as Mexican and indigenous space bear witness to the area s inequalities and listen to the Southwest s stories Burke explains that two core parts of southwestern history are the development of the nuclear bomb and subsequent uranium mining and she maintains that these are not merely a critical facet in the history of World War II and the militarization of the American West but central to an understanding of the region s energy future its environmental health and southwesterners conception of home Burke masterfully crafts an engaging and accessible history that will interest historians and lay readers alike It is for anyone interested in using the past to understand the present and the future of not only the region but the nation as a whole *A Mythic Land Apart* John David Smith,Thomas H. Appleton,1997-05-12 Content Description Includes bibliographical references p and index **From Worlds Apart** Billy Joe Neese,2009 This is a story of two families ordinary people intertwined with the dates places and extraordinary events of world history Their names are not found in history books Many in the 18th century could neither read nor write their names but the Neeses and Falcons despite any illiteracy were part of the great movement of peoples from around the world who came to the New World to build the most powerful country on this planet They established freedom as the bedrock upon which America stands Our people endured much hardship and privation but they did not give up in their determination to build America Our people were among the pioneering immigrants who laid the foundation of our country the ideals of our country are steeped in the sweat and blood of these early Americans the Neeses and Falcons Louisiana's No Man's Land Scott DeBose,2024-06-03 Join author Scott DeBose on a rugged journey through Louisiana s No Man s Land Most Americans know the basics of the Louisiana Purchase but few know that West Louisiana was left out of the purchase They also don t know that in 1806 the United States and Spain almost went to war over the boundary and it was only an agreement negotiated by the American and Spanish commanders that prevented full scale war But it wasn t out of patriotism that James Wilkinson commanding general of the US Army negotiated the

agreement He was not only a Spanish Spy but he was involved in Aaron Burr s conspiracy America now had a 40 mile wide and roughly 500 mile long strip of land they could not station troops or police and outlaws soon flocked to the region This book will tell the story of how No Man s Land was created the conspiracy behind its creation the outlaws smugglers and pirates who used the region as a base such as Jean Lafite Jim Bowie and John Murrell The Reverend Devil But it wasn t all outlaws those folks will get their due as well

Cajun Music and Zydeco Philip Gould,1992-09-01 Imagine writes Philip Gould a remote club nestled in a rural community that is barely on the map where upon entering through worn screen doors one feels the flow of air from the wall sized floor fans working hard to relieve the sultriness Folks of all ages glide across a worn wooden dance floor as a Cajun or zydeco band belts out spirited two steps and waltzes In this engaging book Gould takes us into the fascinating world of south Louisiana s celebrated musical cultures Cajun Music and Zydeco contains more than one hundred color photographs of the performers dance halls and appreciative fans that have made the state s indigenous music a national even worldwide phenomenon The photographs span a period of some ten years They include portraits of Cajun musicians like Zachary Richard Dewey Balfa Wayne Toups Michael Doucet and Steve Riley and such zydeco performers as Terrance Simien the Ardoin family Canray Fontenot Boozoo Chavis and the legendary Clifton Chenier Gould photographs many of the venues in which these musicians have performed including El Sid O s Club and Hamilton s Place in Lafayette La Poussiere and Mulate s in Breaux Bridge Smiley s Bayou Club in Erath Slim s Y Ki Ki in Opelousas and Tipitina s in New Orleans not to mention Carnegie Hall He also shows throngs of music lovers at annual events such as the Zydeco Festival in Plaisance and Lafayette s Festival International de Louisiane Many of the images reinforce the importance of family and community among the musicians and others emphasize the sheer power the music holds over performers and listeners alike Philip Gould first came to Louisiana in 1974 just as the revival of Cajun music and zydeco was beginning to take shape Indeed one of his early assignments as a photographer for the Daily Iberian newspaper was to cover the first Tribute to Cajun Music which was held in Lafayette on March 26 1974 A driving force behind that magical event was Barry Jean Ancelet whose informed Introduction to this book provides a brief history of Cajun music and zydeco Ancelet describes the multivarious ethnic mix that contributed to the development of the two musics outlines their waning popularity during the early years of this century and celebrates their reenergized vitality since the mid 1970s He provides a vivid description of the 1974 festival which unexpectedly attracted more than twelve thousand spectators It proved to be a watershed in the renaissance not only of Cajun music and zydeco but of Cajun and Creole culture in general Deeply rooted in the unique world of south Louisiana Cajun music and zydeco are an important part of the American folk tradition This beautiful book is a fitting tribute to their enduring appeal

Cajun Country Barry Jean Ancelet,Jay Edwards,Glen Pitre,2014-05-27 This insightful book is by far the broadest examination of traditional Cajun culture ever assembled It goes beyond the stereotypes and surface treatment given to Cajuns by the popular media and examines the great variety of cultural elements alive in Cajun

culture today cooking music storytelling architecture arts and crafts and festivals as well as traditional occupations such as fishing hunting and trapping It not only gives fascinating descriptions of elements in Cajun life that have been woven into the fabric of American history and folklore it also explains how they came to be Cajun Country reveals the historical background of the Cajun people who migrated to Louisiana as exiles from their Canadian homeland and it shows their folklife as a living and ongoing legacy that enriches America
