The Turn Around Religion in America Professor Michael P. Kramer, Professor Nan Goodman, 2013-05-28. Playing on the frequently used metaphors of the turn toward or turn back in scholarship on religion, The Turn Around Religion in America offers a model of religion that moves in a reciprocal relationship between these two poles. In particular, this volume dedicates itself to a reading of religion and of religious meaning that cannot be reduced to history or ideology on the one hand or to truth or spirit on the other but is rather the product of the constant play between the historical particulars that manifest beliefs and the beliefs that take shape through them. Taking as their point of departure the foundational scholarship of Sacvan Bercovitch, the contributors locate the universal in the ongoing and particularized attempts of American authors from the seventeenth century forward to get it whatever that it might be right. Examining authors as diverse as Pietro di Donato, Herman Melville, Miguel Algarín, Edward Taylor, Mark Twain, Robert Keayne, Nathaniel Hawthorne, Paule Marshall, Stephen Crane, Ralph Waldo Emerson, and Joseph B. Soloveitchik among many others and a host of genres from novels and poetry to sermons, philosophy, history, journalism, photography, theater, and cinema, the essays call for a discussion of religion's powers that does not seek to explain them as much as put them into conversation with each other. Central to this project is Bercovitch's emphasis on the rhetoric, ritual, typology, and symbology of religion and his recognition that with each aesthetic enactment of religion's power we learn something new.

Spoken Word Joshua Bennett, 2024-05-28. A rich hybrid of memoir and history, *The New Yorker* of the literary art form that has transformed the cultural landscape by one of its influential practitioners, an award-winning poet, professor, and slam champion, Bennett transports us back to the city blocks, bars, cafes, and stages these artists traversed and inhabited. An instructive text for young poets, artists, or creative entrepreneurs trying to find a way to carve out a space for themselves, it shines with a refreshing dynamism. *The New York Times*. In 2009, when he was twenty years old, Joshua Bennett was invited to perform a spoken word poem for the Obamas at the same White House Poetry Jam where Lin-Manuel Miranda declaimed the opening bars of a work in progress that would soon revolutionize American theater. That meeting is but one among many in the trajectory of Bennett's young life as he rode the cresting wave of spoken word through the 2010s. But in this book, he is not a memoirist so much as a participant-historian who goes back to the roots of the spoken word form, considering the Black Arts movement and the prominence of poetry and song in Black education, the origins of the famed Nuyorican Poets Cafe in the Lower East Side living room of the visionary Miguel Algarín who hosted verse gatherings with legendary figures like Ntozake Shange and Miguel Piñero, the rapid growth of the slam format that was pioneered at the Get Me High Lounge in Chicago, the perfect storm of spoken word's rise during the explosion of social media, the stories and perspectives of many others on this journey as they helped shape spaces dedicated to literature as practiced with urgency by people of color and to the pursuit of human freedom. A celebration of voices outside the dominant cultural narrative who boldly embraced an array of styles and forms and redefined what and whom the mainstream would include, Bennett's book illuminates the profound influence spoken word has had everywhere: melodious words are heard from Broadway to academia, from the podiums of political protest to cafés, schools, and rooms full of strangers all across the world.

Queer Ricans Lawrence La Fountain-Stokes, 2009-07-13. Exploring cultural expressions of Puerto Rican queer migration from the Caribbean to New York, Philadelphia, Chicago, and San Francisco, Lawrence La Fountain-Stokes analyzes how artists have portrayed their lives and the discrimination they have faced in both Puerto Rico and the United States. Highlighting cultural and political resistance within Puerto Rico's gay, lesbian, bisexual, and transgender subcultures, La Fountain-Stokes pays close attention to differences of gender, historical moment, and generation, arguing that Puerto Rican queer identity changes over time and is experienced in very different ways. He traces an arc from 1960s Puerto Rico and the writings of Luis Rafael Sánchez to New York City in the 1970s and 1980s, Manuel Ramos Otero, Philadelphia and New Jersey in the 1980s and 1990s, Luz María Umpierre and Frances Negrón Muntaner, and Chicago's Rose Troche and San Francisco's Erika Lopez in the 1990s, culminating with a discussion of Arthur Avilés and Elizabeth Marrero's

recent dance theater work in the Bronx Proposing a radical new conceptualization of Puerto Rican migration this work reveals how sexuality has shaped and defined the Puerto Rican experience in the United States

In Visible Movement Urayoan Noel, 2014-06-01 Since the 1960s Nuyorican poets have explored and performed Puerto Rican identity both on and off the page Emerging within and alongside the civil rights movements of the 1960s the foundational Nuyorican writers sought to counter the ethnic racial and institutional invisibility of New York City Puerto Ricans by documenting the reality of their communities in innovative and sometimes challenging ways Since then Nuyorican poetry has entered the U S Latino literary canon and has gained prominence in light of the spoken word revival of the past two decades a movement spearheaded by the Nuyorican Poetry Slams of the 1990s Today Nuyorican poetry engages with contemporary social issues such as the commodification of the body the institutionalization of poetry the gentrification
