Di Salvo, 2023 In the first book length study of the English saint play across the Reformation divide this book recovers the surprisingly long theatrical life of the saints It shows how saints in performance frequently diverged from religious narratives in the Middle Ages and also made a spectacular reappearance in the theatre of Shakespeare's time *Magic, Pretended Miracles, and Remarkable Natural Phenomena* Anonymous, 2021-03-27 Excerpt The magi formed one of the six tribes into which the nation of the Medes was divided in ancient times To them was entrusted the special charge of religion and as priests they were superior in education and training to the people in general Among the Persians the lovers of wisdom and the servants of God were according to Suidas called magi It seems also that they extended themselves into other lands and that among the Chaldeans they were an organized body We read in the inspired book of Daniel of the magi or wise men among whom the prophet himself was classed and others we know directed by the star in the east went to the infant Saviour when born at Bethlehem as Christ the Lord and presented to him their offerings gold and frankincense and myrrh Among the Greeks and Romans the same class of persons was styled Chaldeans and magi For a time the magi surpassed the rest of the world in knowledge and were the friends companions and counsellors of its mightiest sovereigns But their science from having no solid basis sank after a while into insignificance On the ruins of its reputation other persons sought to build theirs A man who knew or could perform some things with which others had no acquaintance or for which they had no power announced himself as a magician Nor were the people indisposed to concede to him the credit he desired especially if he claimed alliance with spiritual beings and in not a few instances they attributed his marvels to such agency Thus then the magician may be traced to the magus or magian and magic to the so called philosophy of the east **A Dictionary of Miracles** Ebenezer Cobham Brewer, 1894
