My Mommy And Daddy And I Are Getting A Divorce:

My Mommy and Daddy and I Are Getting a Divorce Nicole Crowley O'Keefe, 2003 How many times have you heard the words from your children You just don't understand how I feel Well I do understand I am a child whose parents divorced I know how hard and confusing this is for a child I have been there And so have many of my friends They tell me things they would never tell their parents Some say they don't tell their parents what they are feeling because they are afraid to tell them Others say it is because their parents never talk to them about their feelings Parents are you confused or afraid about how to talk to your children about this life changing event Well don't worry I have written a book that takes some of the anxiety out of it My interactive book tells a story to help your children talk about their feelings and to feel safer and better about what is happening in their lives This is a must have books for any child between the ages of 3 and 10 Trust me when parents divorce everyone feels the pain and everyone needs a way to talk about that pain and feel better **Love, Honor**
