My River:

My River Home Marcus Eriksen, 2008-10-01 During the course of the war in Iraq many veterans have become increasingly disillusioned and increasingly vocal Many began seeing the war as damaging for the country and especially for the men and women fighting overseas In *My River Home* Marcus Eriksen a veteran of the Gulf War charts his personal shift from proud Marine to self destructive veteran to engaged activist protesting the injustices of the Iraq War with Veterans for Peace Eriksen made sense of this transition only after a fascinating adventure traveling through the heart of America down the entire length of the great Mississippi River on a homemade raft *My River* Shari Halpern, 1992 Frogs fish a turtle and other creatures who live in or around a river state their need for the river making a plea for protecting this natural resource

My River Shari Halpern, Jay Aubrey Jones, Rich DeRosa, Steve Blane, Blane and DeRosa Productions, 1992 Frogs fish a turtle and other creatures who live in or around a river express their need for the river making a plea for protecting this natural resource **The People of the River** Edgar Wallace, 1912 Commissioner Sanders should have known better than to go on vacation He is just a few days from his offices in British West Africa when he receives word from his second in command that trouble always at a simmer in this jungle outpost is about to come to a boil He rushes home arriving just in time for a meeting of the chiefs of his territory who have been misled by an ambitious agitator named Bosambo into thinking that Sanders is dead Sanders's return staves off rebellion but Bosambo's power grab is not over yet To keep the province from erupting into all out tribal warfare Sanders must outsmart the most brilliant chieftain in Africa In these rip roaring adventures the heroic commissioner contends with malaria ju ju and the whims of government officials safely ensconced in their London offices fantastic fiction com *Rivers of Love* Jena Teer, 2022-12-16 *Rivers of Love* By Jena Teer *Rivers of Love* is an assortment of inspired and uplifting words Its pages contain words of wisdom love and reflections from Jena Teer's intense and personal relationship with God It is not like most books Rather it is intended to have its readers turn to a page at random and receive words of love **The Runyaker's Journey** Riley McLincha, 2014-02-05 *The Runyaker's Journey* is a story of two journeys The first the Horseshoe to Horseshoe Runyaking Expedition a solo adventure of paddling and running 1400 miles from Oxford MI to Niagara Falls ON The journey took fifty seven days over four summers using a 9 5 ft kayak he calls Swiftee Secondly it's the vehicle used to tell the Runyaker's life journey which is that of a true to life Forrest Gump like character a boy growing up in Little Chicago a run down rural area near Clio MI Despite having slim chances of succeeding he grows into a man that accomplished many remarkable things *A World of Rivers* Ellen Wohl, 2010-11-15 Far from being the serene natural streams of yore modern rivers have been diverted dammed dumped in and dried up all in efforts to harness their power for human needs But these rivers have also undergone environmental change The old adage says you can't step in the same river twice and Ellen Wohl would agree natural and synthetic change are so rapid on the world's great waterways that rivers are transforming and disappearing right before our eyes *A World of Rivers* explores the confluence of

human and environmental change on ten of the great rivers of the world Ranging from the Murray Darling in Australia and the Yellow River in China to Central Europe s Danube and the United States Mississippi the book journeys down the most important rivers in all corners of the globe Wohl shows us how pollution such as in the Ganges and in the Ob of Siberia has affected biodiversity in the water But rivers are also resilient and Wohl stresses the importance of conservation and restoration to help reverse the effects of human carelessness and hubris What all these diverse rivers share is a critical role in shaping surrounding landscapes and biological communities and Wohl s book ultimately makes a strong case for the need to steward positive change in the world s great rivers

Running the River Wes Ferguson,2014-03-05

Growing up near the Sabine journalist Wes Ferguson like most East Texans steered clear of its murky debris filled waters where alligators lived in the backwater sloughs and an occasional body was pulled from some out of the way crossing The Sabine held a reputation as a haunt for a handful of hunters and loggers more than a few water moccasins swarms of mosquitoes and the occasional black bear lumbering through swamp oak and cypress knees But when Ferguson set out to do a series of newspaper stories on the upper portion of the river he and photographer Jacob Croft Botter were entranced by the river s subtle beauty and the solitude they found there They came to admire the self described river rats who hunted fished and swapped stories along the muddy water plain folk who love the Sabine as much as Hill Country vacationers love the clear waters of the Guadalupe Determined to travel the rest of the river Ferguson and Botter loaded their gear and launched into the stretch of river that charts the line between the states and ends at the Gulf of Mexico To learn more about The Meadows Center for Water and the Environment sponsors of this book s series please click here

The North-China Herald & Supreme Court & Consular Gazette ,1913 **The Gathering Night** Margaret Elphinstone,2020-01-16 A vivid tale of prehistoric Scotland rival kin groups loyalty love and betrayal salted by dangerous hunts and equally risky shamanistic ceremonies Adam Thorpe The Guardian UK In the Mesolithic period Alaia and her family live off the land between Grandmother Mountain and the cold sea But when one of her brothers goes hunting and never returns the fragile balance of life is upset Half starved and maddened with grief Alaia s mother follows her visions and goes in search of her lost son in this complex tale of love revenge murder and honor The List UK The Gathering Night is a story of conflict loss love adventure and devastating natural disaster This gripping novel by the acclaimed author of The Sea Road is set deep in our stone age past but resonates as a parable for our troubled planet 8 000 years on Employing her considerable skills as a historical novelist Elphinstone imagines the lives of the hunter gatherers who thrived in the period from the end of the Ice Age until the adoption of agriculture Imagination is well woven with avid research in Elphinstone s beguiling prose Anita Sethi Independent on Sunday UK [God Isn't Mad at You](#) Georgina Packer,2008-10-22 The Bible says in Jeremiah 29 13 You will seek Me and find Me when you seek Me with all your heart This is such a simple invitation to a relationship that will only bring life and peace into ones life However too many times today we find people seeking after men or women instead of the One who can supply their every need It is good to listen to good teaching from Gods Word but in the end it is we who must decide for ourselves about our lives Any other way will certainly lead us in a path away from God He wants a personal relationship with each and every one of us He wants to bless and deliver us from situations which are pulling us down He wants to pick us up when we fall and restore us into a right relationship with Him He is the God Who is more than able to supply all that we could ever ask for or desire It is His purpose for us to realize the love He has for us above all else Many of the things which come into our lives are of our own doing and have nothing to do with God It is our poor choices or a wrong path that we have taken which leads us into situations which it seems that there is no deliverance from But God is the God Who is bigger than any situation and He is more powerful than any bad choice that we have made The only requirement is for us to trust Him and surrender all to Him In 1 Peter 5 7 it reads casting all your care upon Him for He cares for you I heard someone say once I dont know what the future holds but I know Who holds the future We can rest in the promises of God and learn of Him and we will have success even when it seems an impossibility for a situation to turn around So when we seek Him we can claim the promise in Jeremiah 29 11 13 For I know the thoughts that I think toward you says the Lord thoughts of peace and not of evil to give you a future and a hope Then you will call upon Me and go and pray to Me and I will listen to you And you will seek Me and find Me when you search for Me with all your heart So lets believe in a Father whose grace will carry us through any obstacle and lets believe in a Saviour Who wants to perform miracles the same way He did

when He walked this earth He is as near as the mention of His Name Jesus
