## **New Handbook Of Christian Theology:**

**A New Handbook of Christian Theologians** Donald W. Musser, 1996-09-01 In recent years the flow of Christian theology has been channeled in diverse streams represented by such trends and movements as black theology liberation theology feminist theology and womanist theology To survey this abundance and diversity of current Christian theology this book examines the theologies of representative theologians Particularly to help students navigate the sea of information the editors have identified various routes for reading and have traced several threads or issues common to many of the essays thus demarcating such recurrent concerns as the ways in which the theologians consider the sources and goals for theology their variant assumptions and conclusions about the nature of God their divergent approaches to understanding the person and purpose of the Christ and their distinct expectations for the destiny of history and faith New & Enlarged Handbook of Christian Theology Donald W. Musser, Joseph Price, 2011-09-01 This handbook provides thorough introductory articles on important themes in Christian theology Along with cross references and select bibliographies it is an indispensable reference source The Handbook consists of 148 topical entries arranged alphabetically Instead of a Table of Contents a Routes For Reading page suggests related entries and cross referencing makes surfing this volume easier than ever **A New Handbook of Christian Theology** Donald W. Musser, Joseph L. Price, 1992 This is the successor to A Handbook of Christian Theology edited by Marvin Halverson and Arthur A Cohen and published in 1958 That book went through twenty printings and served admirably to introduce students and interested laity to a basic understanding of theological terms concepts and trends However more than three decades have passed since the initial publication of Halverson and Cohen s Handbook and the theological landscape is much changed This new handbook provides an expanded and updated account with 148 fresh articles on important themes and movements in modern Christian theology and the editors have furthermore endeavoured to encompass a much wider spectrum of thought than the original volume Thematic entries vary from traditional concerns such as Faith Missiology Revelation Sin the Trinity and Death and Eternal Life to more modern concerns such as Alienation Autonomy Pluralism Secularism and the role of Metaphor and Narrative Also included are concise and balanced accounts of the teaching and development of many contemporary theological movements both radical and conservative from Liberation Theology and Feminist and Postmodernist thought to modern Fundamentalism and Creation Science **A new handbook of Christian theology** Donald W. ; Price Musser (Joseph L., eds), 1992 A Handbook of Christian Theologians Dean G. Peerman, Martin E. Marty, 1989 Presents a handbook offering coherent and concise portraits of the major theologians of 200 years This volume presents the lives and thoughts of great religious thinkers from Friedrich Schleiermacher and Soren Kierkegaard through William Temple and Emil Brunner to Helmut Thielicke and Hans Kung **T&T Clark Handbook of Christian Theology and the Modern Sciences** John P. Slattery, 2020-10-01 This handbook surveys the many relationships between scientific studies of the world around us and Christian concepts of the Divine from the ancient Greeks to modern

ecotheology From Augustine to Hildegard of Bingen Genesis to Frederick Douglass and physics to sociology this volume opens the intersections of Christian theology and science to new concepts voices and futures The central goal of the handbook is to bring new perspectives to the foreground of Christian theological engagement with science and to highlight the many engagements today that are not often identified as science theology discussions The handbook thus includes several aspects not found in previous handbooks on the same topic significant representation from the three major branches of Christianity Orthodox Roman Catholic and Protestant multiple essays on areas of modern science not traditionally part of the theology and science dialogue such as discussions of race medicine and sociology a collection of essays on historical theologians approaches to nature and science T Catholic Protestant and Orthodox surveys of theology science scholarship in the 20th and 21st centuries and ten explorations in Christian theology today from Einsteinian physics to decolonial sociology The 24 chapters than span the volume offer the reader whether scholar student or layperson an essential resource for any future conversations around science and Christian theology      The Moody Handbook of Theology Paul Enns,2014-03-27 The study of God His nature and His Word are all essential to the Christian faith Now those interested in Christian theology have a newly revised and updated reference tool in the 25th Anniversary Edition of The Moody Handbook of Theology In this classic and timeless one volume resource Paul Enns offers a comprehensive overview of the five dimensions of theology biblical systematic historical dogmatic and contemporary Each section includes an introduction chapters on key points specific studies pertinent to that theology books for further study and summary evaluations of each dimension Charts graphs glossary and indexes add depth and breadth Theology once the domain of academicians and learned pastors is now accessible to anyone interested in understanding the essentials of what Christians believe The Moody Handbook of Theology is a concise doctrinal reference tool for newcomers and seasoned veterans alike      **T&T Clark Handbook of Christian Theology and Climate Change** Hilda P. Koster,Ernst M. Conradie,2019-12-12 The T these essays are critically engaged by respondents situated in other geographic regions minority communities non Christian traditions or non theological disciplines Structured in seven main parts the handbook explores 1 the need for collaboration with disciplines outside of Christian theology to address climate change 2 the need to find common moral ground for such collaboration 3 the difficulties posed by collaborating with other Christian traditions from within 4 the questions that emerge from such collaboration for understanding the story of God s work and 5 God s identity and character 6 the implications of such collaboration for ecclesial praxis and 7 concluding reflections examining whether this volume does justice to issues of race gender class other animals religious diversity geographical divides and carbon mitigation This rich ecumenical cross cultural conversation provides a comprehensive and in depth engagement with the theological and moral challenges raised by anthropogenic climate change      *Handbook of Christian Theology* Halverson,Richard M. Cohen,1974-12-01

**Mormonism in Dialogue with Contemporary Christian Theologies** David Lamont Paulsen,Donald W. Musser,2007

This volume brings together for the first time a broad range of scholars from Mormon and other Christian traditions. Replacing polemics and apologetics with dialogue, these exchanges show how the full spectrum of contemporary theologies can be informed by uniquely Mormon ideas and correlatively how Mormon thought can be illuminated through the study of key ideas of the foremost theologians of the twentieth and twenty-first centuries.
