New Intimacy

Jon Carlson, Len Sperry

New Intimacy:

Repairing Intimacy Judith Siegel, 1995-12-01 Couples therapy is greatly enhanced when both the intrapsychic and interpersonal realms can be utilized. Object relations theory allows linkages between the spouses' subjective realities and their relationship in a way that allows the two worlds to be mutually informing. In *Repairing Intimacy*, the theories of the American object relations theorists are applied to couple dynamics. The representational world is used to explain how primitive defense mechanisms and other intrapsychic phenomena contribute to marital conflict. The structure, function, and content of the representational world all contribute to spousal expectations and the couple's capacity for intimacy. Esteem, soothing, and the propensity of splitting strongly affect the ways in which spouses interact. Projective identifications similarly provide explanations of the couple's interaction, internalized conflicts, and relationships with earlier objects. This book explains how object relations concepts can be used in assessment and in planning treatment goals. Treatment can provide stability or help the couple relate to each other with deepened understanding. Object relations dynamics can help therapists assess which treatment objectives and goals are most applicable to the couples they treat. The beginning and middle phases of couples treatment are given special consideration and include issues such as assessing the couple's commitment to each other and the importance of empathic listening. Other treatment topics include analysis of projective identification and the use of countertransference. Planned and unplanned terminations are also explored. In each treatment section, case material is provided to explicate the therapist's role. The book also examines common therapy issues from an object relations perspective. These include the consequences and advantages of conjoint, concurrent, and collateral treatment approaches. Consideration is also given to the choice of focusing on the couple when the initial presenting problem is the family or an individual. Individual psychotherapy and family therapy can no longer be viewed as competing and disparate treatment approaches. This book creates an integrated approach so that couples can be understood in their totality. A Jason Aronson Book

Intimacy in Later Life Kate M. Davidson, Graham Fennell, 2017-07-12 To love and be loved is arguably one of the most powerful and fundamental driving forces sustaining self-esteem and self-identity throughout the life course. Need for reciprocal loving does not change as we grow older despite failures of health, loss of a partner, late divorce, and alterations of personality due to the aging process. However, most studies of human sexuality have ignored the problems and developing patterns of older adults entering into new partnerships. To fill this gap, *Intimacy in Later Life* brings together a wide range of distinguished international scholars to address this neglected research area.

Intimate Couple Jon Carlson, Len Sperry, 2013-06-17 As important as intimacy is in our personal and professional lives, intimacy as a theoretical and clinical factor still remains a phenomenon. Contributors to this work examine the many definitions of intimacy, putting forth a provocative discussion of the multi-faceted topic and offering the best possible clinical methods of creating intimacy and addressing its challenges.

Scenes of Intimacy Jennifer Cooke, 2013-03-14 *Scenes of Intimacy* analyzes the representation of acts and relationships

of intimacy in contemporary literature the effect this has upon readers and the ways these representations resonate with complement and challenge the concerns of contemporary theory Opening with an in depth interview with literary critic Derridean and novelist Professor Nicholas Royle the volume contains eleven further essays that move from intimate scenes of familial and pedagogic legacy on to representations of love of sex and finally to scenes of death and dying The essays are textually attentive to how literary techniques create intimacy and draw upon new and notable theoretical positions and critics from queer theory affect studies psychoanalysis poststructuralism and deconstruction to ask difficult and uncomfortable questions about intimacy and its representation Across the genres of poetry autobiography journals love letters short stories and novels *Scenes of Intimacy* shows that contemporary literature poses new possibilities and questions about our intimate relationalities their failures and their futures

The New Intimacy Ronald M. Mazur, 2000-04 The close of the 20th century has witnessed the minority status of the traditional family in America On the threshold of a new millennium now is an opportune and urgent time to give voice to the intimacies of alternative lifestyles including open marriage Traditional monogamy is still the prize for countless adults searching for meaning and love in their lives That search is honored by myriad religious and societal supports It is to non traditionalists to those ready for new life and love affirmations that this book is offered with joy The evolution of human consciousness prepares the way for the unfolding of our universal polyamorous potential Let the pioneers be unafraid to move beyond the ancient limits of relationships to the new intimacy of responsible erotic freedom May the new millennium be the end of pleasure phobia

Intimacy in Illegality Flaminia Bartolini, 2021-01-12 How do migrant women living in illegality build intimate relationships How do they experience resist or take advantage of the tight link between intimacy and migration status created by the German migration legislation Drawing on rich biographical accounts and ethnographic methods the book offers an insightful and sensitive look at a mostly unknown aspect of life in illegality Adopting a critical feminist perspective Flaminia Bartolini shows how intimacy should be understood in its intrinsic power dimension and looks critically at the German migration regime and on its effects on migrants lives

Intimate Citizenship Ken Plummer, 2011-10-01 Solo parenting in vitro fertilization surrogate mothers gay and lesbian families cloning and the prospect of designer babies Viagra and the morning after pill HIV AIDS the global porn industry on line dating services virtual sex whether for better or worse our intimate lives are in the throes of dramatic change In this thought provoking study sociologist Ken Plummer examines the transformations taking place in the realm of intimacy and the conflicts the intimate troubles to which these changes constantly give rise In surveying the intimate possibilities now available to us and the issues swirling around them Plummer focuses especially on the overlap of public and private Increasingly our most private decisions are bound up with public institutions such as legal codes the medical system or the

media What impact does the increasingly public character of personal life have on our sense of ourselves and on how we view our own intimate choices To navigate our way through a world in which people s private lives are so often subject to public scrutiny and debate and in which the public sphere is increasingly pluralized and contested we must broaden our understanding of what it means to be a citizen Through the idea of intimate citizenship Plummer sets an important agenda for the years to come

Transnational Geographies of The Heart Katie Walsh, 2018-04-03 Transnational Geographies of the Heart explores the spatialisation of intimacy in everyday life through an analysis of intimate subjectivities in transnational spaces Draws on ethnographic research with British migrants in Dubai United Arab Emirates during a phase of rapid globalisation and economic diversification in 2002 2004 Highlights the negotiation of inter personal relationships as enormously significant in relation to the dialectic of home and migration Includes four empirical chapters focused on the production of expatriate subjectivities community and friendships sex and romance and families Demonstrates that a critical analysis of the geographies of intimacy might productively contribute to our understanding of the ways in which intimate subjectivities are embodied emplaced and co produced across binaries of public private and local global space

Intimate Eating Anita Mannur, 2022-01-04 In Intimate Eating Anita Mannur examines how notions of the culinary can create new forms of kinship intimacy and social and political belonging Drawing on critical ethnic studies and queer studies Mannur traces the ways in which people of color queer people and other marginalized subjects create and sustain this belonging through the formation of intimate eating publics These spaces whether established in online communities or through eating along in a restaurant blur the line between public and private In analyses of Julie Powell s Julie and Julia Nani Power s Ginger and Ganesh Ritesh Batra s film The Lunchbox Michael Rakowitz s performance art installation Enemy Kitchen and The Great British Bake Off Mannur focuses on how racialized South Asian and Arab brown bodies become visible in various intimate eating publics In this way the culinary becomes central to discourses of race and other social categories of difference By illuminating how cooking eating and distributing food shapes and sustains social worlds Mannur reconfigures how we think about networks of intimacy beyond the family heteronormativity and nation
