The Peter Blauner Collection Volume One Peter Blauner, 2018-04-17 Gripping crime thrillers from the New York Times bestselling author of *The Intruder* and *Proving Ground* Nobody writing suspense novels does it as well James Patterson Praised by everyone from Stephen King and James Patterson to Dennis Lehane and James Ellroy New York Times bestselling author Peter Blauner has proven himself a master of the crime thriller In the three novels collected here including Blauner's Edgar Award winning debut the former journalist delivers breathtaking suspense alongside provocative questions of morality and ethics *Slow Motion* Riot Blauner's Edgar Award winning first novel is a thriller with a conscience Entertainment Weekly That conscience belongs to probation officer Steven Baum who still hopes to make a difference in a city plagued by drugs murders and corruption But his newest charge is about to challenge him to his core Darryl King is not just a small time drug dealer he's a psychopathic cop killer Harrowing The Washington Post Exceptionally well done Andrew Vachss *Casino Moon* Blauner's story of the son of an Atlantic City mobster is a gritty novel with integrity and style James Patterson Anthony Russo's scheme for staying out of the family crime business is to manage a has been boxer's comeback But it's Russo who ultimately takes the fall as he discovers it's not so easy to escape the sins of his father You could cut a lip on his dialogue The New York Times This book has it all Blauner is brilliant James Ellroy *Man of the Hour* When high school English teacher David Fitzgerald rescues a student after a terrorist bomb explosion on a school bus he is lauded as a hero until an ambitious reporter raises suspicions about Fitzgerald's involvement and he finds himself hounded by the media and under investigation by the police A remarkable achievement I loved it and couldn't put it down

Stephen King As impressive for its realism as for its suspense Publishers Weekly *New Vistas in Agroforestry* P. K. Ramachandran Nair, M.R. Rao, L.E. Buck, 2013-03-09 It was in late 2002 that the idea of preparing a collection of multi authored chapters on different aspects of agroforestry as a compendium for the 1 World Congress of Agroforestry June 2004 was tossed around With the approval of the idea by the Congress Organizing Committee serious efforts to make it a reality got under way in early 2003 The rigorously peer reviewed and edited manuscripts were submitted to the publisher in December 2003 Considering the many different individuals involved in the task as authors and manuscript reviewers we feel quite pleased that the task could be accomplished within this timeframe We are pleased also about the contents on several counts First of all the tropical temperate mix of topics is a rare feature of a publication of this nature In spite of the scientific commonalities between tropical and temperate practices of agroforestry the differences between them are so enormous that it is often impossible to mesh them together in one publication Secondly several of the chapters are on topics that have not been discussed or described much in agroforestry literature A third feature is that some of the authors though well known in their own disciplinary areas are somewhat new to agroforestry the perceptions and outlooks of these scholars who are relatively uninfluenced by the past happenings in agroforestry gives a whole new dimension to agroforestry and broadens the scope of the subject Finally rather than just reviewing and summarizing past work most chapters take the extra effort in attempting to outline the next steps
