Marriage and Family Curtis Phillips,Marc Barnes,2024-04-02 It is from the Bible that society obtains its most enduring and successful patterns for the tapestries formed by our social fabric The institution of marriage is no exception Given to us by God at the very beginning of His creation marriage was to be the bedrock of all societies and over the millennia since God first gave Adam and Eve life in the garden of Eden this bedrock remains essential to His will for mankind While this book will neither exhaust the topic of biblical marriage nor address every verse of Scripture or nuance in the union of two unique individuals it will present practical revelation that we pray you find useful in building your marriage and thereby empowering your family Beginning with the biblical foundation of marriage a foundation unaltered since God ordained it this book will take you on a journey that will reveal the genius of God s blueprint for marriage and ultimately His manifestation of the gospel in the institution itself As with all great institutions marriage and family are God s idea not mankind s He is the Creator and Sustainer and the purposes for which He creates and sustains a marriage are not mysterious He desires godly offspring In perpetuating the gospel of Jesus Christ through all generations

and around the world God reveals time and again in His Word that the primary vehicle for the perpetuation of that Gospel good news is family Just as no person is perfect no family is perfect Here too in the ashes of divorce abuse and failed families God wishes to show Himself not only capable but eager to restore and heal We pray you will enjoy and profit greatly from the revelation God has given us on this important subject

Basic Training for the Fight of Your Life, the Final Stand Robert Mayhew, 2013-02 The purpose of the book is to revive the spirit of real Christianity in the United States stand against our Adversary and turn from our collective moral drift Done as an analogy by telling my experiences in Basic Training in the Army and how those experiences relate to Christianity The book is divided into three parts The first part is Individual Training skill sets For example my volunteering in the Army and the transition from civilian to soldier Likewise the transition from not being a Christian to voluntarily wanting to be one and the transition that takes place Another is my experience on a compass course where I started out doing well but got lost and finally found my way to the finish I compare the compass to the Bible and relate it to life Other examples as well The second part is Opposing Forces Training where I learned how the enemy operates and received training focused around defeating him I apply that to learning the ways of Satan because just like a victorious army you must know your spiritual enemy to be successful against him And the third and last phase is the reclamation which is brought about only by the application of the first two phases That is reinforced by quotes from prominent people from the past

The Truth War John F. MacArthur, 2008-12-28 Right now truth is under attack and much is at stake Perhaps no one in America is more passionate than John MacArthur about exposing those who are mounting this attack especially those bringing the assault right into the church There is no middle ground no safe zone for the uncommitted in this war The battle for truth is raging and this book reveals The pitfalls of postmodern thinking Why the Emerging Church Movement is inherently flawed Past skirmishes in the Truth War and their effect on the Church The importance of truth and

certainty in a postmodern society How to identify and address the errors and false teachings smuggled into churches The postmodern age is the age of no truth an age that has reached a point of deadly fatigue when it comes to facing the truth a generation that no longer believes truth can be known Dr John MacArthur knows better and he is armed with the courage to confront this age with a bold defense of truth His argument is compelling his defense of truth is brilliant and his concern for the church is evident on every page The evangelical church desperately needs this book and it arrives just in time R Albert Mohler Jr President The Southern Baptist Theological Seminary

Conversations on the Road to Emmaus: Jesus in the Old Testament Dr. John Mannion,2022-01-25 *Conversations on the Road to Emmaus* depicts an incredible journey Jesus walked and talked with two disciples on the Road to Emmaus after He was resurrected from the dead It is quite intriguing to propose what Jesus said about Himself on that incredible day while on that incredible journey It is not only intriguing but it is also something via interpretation of the Old Testament that is not simply a guess with respect to what was actually discussed Jesus is referencing the Old Testament The Word is explaining the Word *Conversations on the Road to Emmaus* is a novel method of writing combined with a bible commentary content of writing Thus this non fiction novel comes with conversation along with biblical interpretation explanation and referencing Herein lies the unique nature of this book It very much reads like a novel informal and engaging in that sense At the same time it fills the reader with the fruit of a detailed Bible commentary This unique non fiction novel then is both enjoyable and enlightening to read So let us walk together as we listen in on conversations on the road to Emmaus

The Empty Church Mark Bohachuk,2018-04-23 *The Empty Church* is a street level discussion that explores the modern day Christian Church attendance and why it seems to be dwindling Mark Bohachuk walks the reader through logical and clear ways of thinking about Christianity and the decline in church attendance Is it a coincidence that as people leave the Christian faith for materialism that our world is slowly being submerged in chaos and an out of control politically correct movement Is the waning of the world s moral barometer related to the weakening of our faith *The Empty Church* begins an informal

discussion on why we may be seeing these declines The author takes us on an explorative journey to the forces that continue to relentlessly pressure and push people out of the Christian Church A society of materialism and fast food like gratifications lure the gentle sheep of the church out into a world of ravenous wolves The Empty Church is a great place to start a dialogue with your friends and fellow believers about the condition and health of our modern society and how it may tie in with the decline in our church attendance Has our faith in God been lost in the stampede of atheistic pleasures of our fast and furious society Can we reclaim the faith and refill the churches with followers of the truth and the life and once again become the change agents that our society so desperately needs The Empty Church looks at possible reasons there exists a decline in our faith and looks at the ways we can once again become the salt and the light to the nations **Wake Up to Your (Whole Life)** Alaya Chadwick,2010-10 The Universal Story Life has a way of catching us off guard turning our world upside down or even shattering it in a second We react only to find ourselves in the same old pit again Now what Waking Up Discover your hidden strategies and reveal your Wholeness A different WAY You are the expert All you need is the Wisdom Map An invitation Read this and experience surprising relief and potent aliveness Alaya Chadwick is able to put hands and feet on extremely complex concepts in a way which connects them to the living reality of everyday life An indispensable tool for assessing oneself in those volatile times The brilliancy of this path is that once you learn to use the map the way home is lovingly put into your own hands Martha Harrell M S N Ph D contributing author to Transforming Terror Reclaiming the World Soul Alaya confirms what we've long feared it's a near impossible journey to complete with only a partial understanding of how one integrates psyche and soul Here in the hands of this storyteller therapist minister extraordinaire we find what we've longed for Sunny Shulkin LCSW BCD Master Trainer of Harville Hendrix's Imago Relationship Therapy co author with Pat Love of the book How to Ruin a Perfectly Good Relationship *Lights and Shadows of Mormonism* Josiah Francis Gibbs,1909 *Never the Same* Dr. Bill McEntire,2017-02-16 The author takes you through his journey of uncertainty pain sorrow love and his astounding recognition that life goes on even in the midst of loss He shares his experiences with a supportive family and with the community of faith As the author struggles with small but unexpected areas of life he realizes that his strength is deep within He shares his conversations that will change your life and allow you to reevaluate your own destiny He taps into the force that dwells within him so that he can see the light once again in life which brings renewed hope **Just Going With the Flow, And Other Spiritual Musings** Orest Stocco,2011-12 Just Going With The Flow is a book of spiritually inspired musings or thought pieces that explore the experiences of daily life Thought provoking entertaining and enlightening these personal essays shed light on the human condition **Americana** ,1915 Americana Illustrated ,1915 **Loving Arms** Karen Schneider,2021-09-15 Loving Arms examines the war related writings of five British women whose works explore the connections among gender war and story telling While not the first study to relate the subjects of gender and war it is the first within a growing body of criticism to focus specifically on British

culture during and after World War II Evoking the famous St Crispin's Day speech from Henry V and then her own father's account of being moved to tears on V J Day because he had been too young to fight Karen Schneider posits that the war story has a far reaching potency She admits perhaps for all of us that such stories had powerfully shaped my consciousness in ways I could not completely resist How a story is narrated and by whom are matters of no small importance As widely defined and accepted war stories are men's stories If we are to hear an other story of war then we must listen to the stories women tell Many of the war stories written by women insist that war is not the condition of men but rather the condition of humanity beginning with relations between the sexes For the five women whose work is examined in *Loving Arms* Stevie Smith Katharine Burdekin Virginia Woolf Elizabeth Bowen and Doris Lessing this latter point was particularly relevant Their positions as women within a patriarchal militarist culture that was externally threatened by an overtly fascist one led to an acute ambivalence says Schneider Though all five women perceived the war from substantially different perspectives each in her own way exposed and critiqued the seductive power of war and war stories with their densely interwoven tropes of masculinity and nationalism Yet these writers conflicting impulses of loyalty to England and resistance to the war betray their ambivalence *Loving Arms* will interest students of twentieth century British literature and culture gender studies and narratology Even today we maintain an unabated love affair with the war story But unless we listen to what the women had to say fifty years ago we are doomed to hear only the same old story
