Nva And Viet Cong:

The NVA and Viet Cong Kenneth Conboy, Ken Bowra, 2012-05-20 In 1940 Japan placed Vietnam under military occupation restricting the local French administration to a figurehead authority Seizing the opportunity the Communists organised a Vietnamese independence league the Viet Minh whose armed forces became known as the PAVN more commonly known to the West as the Vietcong or NVA and prepared to launch an uprising against the French at the war's end This text details the history organisation and uniforms of the People's Army of Vietnam from its origins in the fight against colonialism through two separate wars against the US and Khmer Rouge to its role in the modern era **Inside the VC and the NVA** Michael

Lee Lanning, Dan Cragg, 2008 Here is real story of North Vietnam's armed forces Lanning served as a platoon leader and company commander in Vietnam and as public affairs officer for General Schwartzkopf Now he and Cragg a sergeant major who served five years in Vietnam tell how the communists won that conflict by using the individual soldier *Viet Cong and*

NVA Tunnels and Fortifications of the Vietnam War Gordon L. Rottman, 2012-09-20 During the Vietnam War the Viet Cong VC main forces and North Vietnamese Army NVA were forced to hide weapons and supplies underground and to dig protective shelters to counter massive US firepower Their field works defended villages hidden base camps and fortified complexes and took the form of trench systems individual fighting positions crew served weapon positions bunkers caches and extensive tunnel complexes Camouflage and deceptive measures and the employment of obstacles and booby traps went hand in hand with such works This illustrated guide takes a detailed look at the VC NVA tunnel systems field fortifications base camps and camouflage and concealment measures employed during the Vietnam conflict *North Vietnamese Army*

Soldier 1958-75 Gordon L. Rottman, 2012-10-20 Commonly mistaken for the locally raised Viet Cong the NVA was an entirely different force conducting large scale operations in a conventional war Despite limited armour artillery and air support the NVA were an extremely politicized and professional force with strict control measures and leadership concepts Gordon Rottman follows the fascinating life of the highly motivated infantryman from conscription and induction through training to real combat experiences Covering the evolution of the forces from 1958 onwards this book takes an in depth look at the civilian and military lives of the soldiers whilst accompanying artwork details the uniforms weapons and equipment used by the NVA in their clash against America and her allies *The NVA and Viet Cong* Kenneth J. Unheralded Victory Mark Woodruff, 2005-10-25 Along with a half million other young men Mark Woodruff put his life on the line to serve his country in Vietnam Like so many others he returned home to find himself regarded not as a hero but as a humiliating reminder of the only war the United States ever lost This Marine however is determined to set the record straight Woodruff never wavers from the cold hard facts in this riveting book Battle by battle *Unheralded Victory* provides incontrovertible proof that the United States won this war from the vaunted 1968 Tet Offensive in reality a shattering defeat that decimated the Viet Cong to Linebacker II the final knockout blow that forced North Vietnam to the table Make no

mistake our warriors in Vietnam were victorious It s time America sat up and took notice *US Marine vs NVA Soldier* David R. Higgins,2015-08-20 In 1967 68 the United States Marine Corps USMC was on the front line of the defence of South Vietnam s Quang Tri province which was at the very heart of the Vietnam conflict Facing them were the soldiers of the North Vietnamese Army NVA men whose organization and equipment made them a very different opponent from the famous irregular Viet Cong forces From the Hill Battles in April 1967 to the struggle for the city of Hue January March 1968 this bloody campaign forced the two sides into a gruelling trial of strength The USMC held a general technological and logistical advantage including close air support and airborne transport technology and supplies but could not always utilize these resources effectively in mountainous jungle or urban environments better known by their Vietnamese opponents In this arresting account of small unit combat David R Higgins steps into the tropical terrain of Vietnam to assess the performance and experience of USMC and NVA forces in three savage battles that stretched both sides to the limit *American Ground Forces in the Vietnam War* Hunter Keeter,2004-12-30 Ground troops in Vietnam arrived in a hot and humid alien land where it was hard to differentiate the enemy from civilians and where guerrilla forces could launch a surprise attack at any time After the indoctrination of boot camp drafted infantry soldiers spent a year in country dodging rocket and mortar attacks and waging war on the NVA and Viet Cong Many found it difficult returning to a country where many Americans now questioned the morality of the war itself Book jacket **Secrets of the Viet Cong** James W. McCoy,1992 In this thorough examination of the tactical war waged in Vietnam former paratroop officer J W McCoy explains how the Viet Cong won the war and why the strategies they used were effective against the U S forces Shaping their thought with the ideas of Sun Tzu the Viet Cong became adept at maneuver war That skill enabled them to secure and hold the initiative in the Vietnam war Interestingly enough the Viet Cong war doctrine also paralleled Liddell Hart s theories unfortunately few American generals ever read his work Discussions of organization and control battle art order of battle and operations meticulously detailed in hundreds of charts tables and illustrations help the reader understand the strategic mistakes made by the South Vietnamese and the United States and how the Viet Cong maneuvered their way to victory BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **NVA Soldier** Tony Behney,2021-06-03 The North Vietnamese Army is the army of communist North Vietnam Also known as the NVA or Viet Cong fought against South Vietnam the late 1950s 1975 and the United States early 1960s 1973 Crossing the clearing we came to a spotted area with no grass There we discovered six NVA soldiers who must have had the same idea as us Safeties clicked off as machine guns started their song of death Animal s M 60 poured out empty casings as he killed three of the NVA to my one *The Sorrow Of War* Brenna Moonen,2022-01-06 The North Vietnamese Army is the army of communist North Vietnam Also known as the NVA or Viet Cong fought against South Vietnam the late 1950s 1975 and the United States early 1960s 1973 Crossing the clearing we came to a spotted area with no grass There we discovered six NVA soldiers who must have had the same idea as us Safeties

Taylor, A. Mallinson & L. Ray G. Rottman,2006* **The Combined Action Platoons** Michael Peterson,1989-06-26 This is the first comprehensive history for the academic reader of the Combined Action Program CAP in Vietnam Created as a response by the U S Marines to what was known as the other war in Vietnam the CAP Program was comprised of platoons each combining a fourteen man marine rifle squad a navy corpsman and a platoon of South Vietnamese militia These CAP units were unique to the war Their function was to capture and hold rather than to search and destroy While the main forces of the Army and Marines all too often waged war on the Vietnamese hamlets the CAP marines waged war from the hamlets Their intent was to keep the hamlet intact The uniqueness of the CAP Program justifies this study not only from an historical and political perspective but also sociologically The CAP Marines were among the few Americans who lived with the Vietnamese in their own setting for long periods of time developing community projects and civic action programs The 1980s has brought about a resurgence of valuable research the declassification of official documentation and most important an emotional distance from the trauma of defeat The author takes full advantage of these conditions to present a thorough and comprehensive history and civic program analysis Many critics of the Vietnam War now agree that the tactics of the Combined Action Program were among the most promising of the war The CAP Marines fought a deadly and personal war with the Viet Cong and the North Vietnamese Army In this volume the author achieves his twofold objective He not only provides a valuable historical account of the Program but also analyzes the civic action and community development projects undertaken by the CAP Marines His study is done with an eye to the future as U S counterinsurgency has again found expression in other Third World conflicts

Hanoi's decision to begin reunification by force to the assassination of South Vietnamese President Ngo Dinh Diem. Established narratives of key events are given critical reappraisal and new light is shed on neglected factors. The strategic importance of Laos is revealed as central to understanding how the war in the South developed. *Vietnam Battle Chronology* David Burns Sigler, 2024-10-09. In early 1965 the United States had about 23,000 troops in South Vietnam. Through that date 140 Americans had been killed in action, 1,138 had been wounded and 11 were listed as missing. On March 8 American combat troops Battalion Landing Team 3 Ninth Marines of the 3d Marine Division came ashore at 9:02 a.m. on Red Beach 2. By June 1, 1965, 50,000 troops were stationed in the country. The escalation had begun. This is a chronological listing of more than 600 Army and Marine combat operations from 1965 through 1973. Each entry includes the date, name, location, type of action, units involved, events, individual activities within the area of operations, casualties, and resulting political or military activity. Information was derived in part from official documents. Interspersed chronologically are brief summaries of significant events that affected the conduct of the war, such as major developments, ceasefires, political observations, and troop strength.
