Landis Brown, 2025-01-21 For far too long the Beatitudes have been misunderstood as a daunting checklist of requirements for believers to meet to gain the promises at the end of each statement Preaching the Beatitudes with this interpretation places unnecessary pressure upon believers to meet such high standards Help believers break free from the burden of trying to make their lives match the Beatitudes by showing them that in Christ they already fulfill them This book aims to help preachers preach the Beatitudes as a vibrant profile of believers already in Christ Each Beatitude is not a duty to fulfill but a promise to claim promises that allow the believer to live in a state of flourishing in the present not waiting till they reach heaven In these perilous times believers need reminding of their identity in Christ and the promises that come with it Through an in depth exploration of the Greek word makarios this book illuminates Christ's intent when giving the Beatitudes to his disciples showing how every believer can live in flourishing state due to the present and future promises Christ gives in each statement May readers rediscover the promises and assurance Jesus gives to all believers at the beginning of the greatest sermon ever preached the Sermon on the Mount **On Love and Virtue: Theological Essays** Michael S.

Sherwin, 2018-12-01 What does it mean to love What are the traits of character that support love's activity How does the economy of grace the mission of Christ and the action of the Holy Spirit elevate and transform human love virtue and the desire for happiness In On Love and Virtue Theological Essays the eminent Dominican theologian Michael Sherwin considers

how the Catholic tradition has addressed these questions Fr Sherwin places this tradition in dialogue with contemporary questions Taking St Thomas Aquinas as his primary guide Fr Sherwin reads St Thomas in light of his biblical and patristic sources especially St Augustine and engages contemporary developments in philosophy in order to deepen our understanding of how grace both heals and elevates human nature Along the way Fr Sherwin considers the vocation of the theologian and the biblical and patristic understanding of the Christian call to moral apprenticeship and friendship with God

gives us all insight into what a true Christian looks like acts like sounds like and even thinks like The Pharisees were known for their strict adherence to the law and their traditions Jesus makes it clear to them and to us in this sermon that adherence to the law will not count for eternity Only by clothing oneself in Christ's righteousness can one hope for eternal life The world and even the Church at times attempts to redefine a Christian in a way that cheapens Christianity to make it more palatable and pleasing to the unbeliever Pastor and Martyr Dietrich Bonhoeffer called this cheap grace But the true Christian will not be measured by the world's or even the church's standards Each and every person will stand before a righteous Judge and be made to give an account for his or her life according to God's Word This book is a line by line explanation of Christ's expectations for every person who professes to be saved by the blood of Jesus Christ In essence it is a manual to help us all to understand what it means to be a Christian
