Wake Up Sister It's Your Turn A full life requires cultivation The minute we take our hands off the plow fail to reseed forget to fertilize we've lost our crop And yet most women I know while in the service of some greater good have let their very lives wilt on the vine Having been taught the fine art of accommodation most of us have developed a knack for selfless behavior We've dulled our personal lives while propping up everyone else's and we're no longer able even to imagine having any sort of adventure romance meaning

or purpose for ourselves In short we've gotten way off track and taken the wrong road to self satisfaction foolishly thinking that after all of the doing giving trying and overworking someone will offer us a reward But Prince Charming was a bad joke and all the fairy godmothers are dead Instead of happy ever after most of us end up with the ache We wake up each day with an inner gnawing a hunger for more a craving for an overhaul but we are too listless tired or depressed to do anything about it We have spent the greater part of our lives pouring ourselves out like a pitcher No wonder we feel so empty But we lack the necessary energy a helpful roadmap and any type of guidance and support Well it's time to change all of that From A Weekend to Change Your Life Self-Healing with Reiki Penelope Quest,2012-07-19 Many people who attend a Reiki workshop learn the basics of self treatment with Reiki but few discover its real potential for self healing In Self Healing with Reiki Penelope Quest explains how you can use Reiki as a powerful tool for healing your mind body and spirit to achieve wholeness harmony and a sense of purpose Essential reading for everyone who has worked with Reiki at any level Self Healing with Reiki includes New ways of using Reiki for a healthier and more balanced life A holistic approach to self healing addressing psychological emotional social and environmental issues How to use Reiki for spiritual development and self understanding Special meditations for encouraging insight and inspiration Packed with innovative and easy to follow techniques this book will provide you with access to the real impact and power of self healing with Reiki **In Praise of Retreat** Kirsteen MacLeod,2021-03-30 For readers of Walden Wild Pilgrim at Tinker's Creek A Book of Silence A Gift from the Sea and other celebrations of the inner adventure An utterly engaging dive into our modern ways of retreat where we go why we're drawn and how it's urgent From pilgrim paths to forest cabins and from rented hermitages to arts temples and quiet havens for yoga and meditation In Praise of Retreat explores the pleasures and powers of this ancient practice for modern people Kirsteen MacLeod draws on the history of retreat and personal experiences to reveal the many ways readers can step back from society to reconnect with their deepest selves and to their loftiest aspirations in life In the 21st century disengaging even briefly is seen by many as self indulgent unproductive and antisocial Yet to retreat is as basic a human need as being social and everyone can benefit whether it's for a weekend a month or a lifetime Retreat is an uncertain adventure with as many peaks and valleys as any mountain expedition except we head inward to recharge and find fresh energy and brave new ideas to bring back into our everyday lives Transfiguration Rob Marshall,2023-11-30 In fifty pithy and engaging daily reflections from Ash Wednesday to Easter and beyond Rob Marshall leads us on a pilgrim journey to the Mountain of the Transfiguration The story of Jesus displaying the overwhelming glory of God to three chosen disciples is one of the most potent yet mysterious stories in the gospels and a prelude to all that will occur in Jerusalem Popular broadcaster Rob Marshall explores the many layers of the Transfiguration and relates them to ordinary human experiences journeying prayer revelation tiredness sleep fear doubt waiting questioning listening suffering vision and much more Mountaintop encounters with the divine are transformative but like the disciples we are not meant to stay there Instead we return to the

realities of daily life changed forever by glimpsing the glory of the God Transfiguration will help you take the power of divine revelation into your ordinary daily Christian life
