Retreat With Henri Nouwen:

On Retreat with Henri Nouwen Chris Pritchett, Marjorie Thompson, 2021-07-30 To mark the 25th anniversary of the death of Henri Nouwen one of the most beloved spiritual writers of contemporary times this retreat companion offers a guide for spiritual transformation and growth based on Nouwen's own writings and experience. Nouwen's own spiritual journey marked by a restless quest and yearning for an experience of the divine led him down paths familiar to many spiritual seekers today. The questions he wrestled with are the same that speak to our own hearts: Who am I? Who is God? How do I know God loves me? Where is God when suffering surrounds me? How can I find interior peace in anxious troubled times? *On Retreat with Henri Nouwen* provides a retreat experience for both individuals and churches seeking to renew their self understanding and purpose. It offers connections to contemporary life points for reflection, prayer, pauses for contemplation and prompts for engaging in one's own spiritual quest whatever shape it may take. *On Retreat with Henri Nouwen* Chris Pritchett, Marjorie J. Thompson, 2021 *A Retreat with Henri Nouwen* Robert Durback, 2003 In the latest volume of this perennially popular series Durback introduces readers to Henri J. Nouwen a prolific author and one of the greatest spiritual minds of the 20th century. Based extensively on the Nouwen classic *Life of the Beloved* ***A Retreat with Henri Nouwen*** Henri J. M. Nouwen, Robert Durback, 2003 This seven day retreat focuses on the theme of reclaiming our humanity in a technological age ***The Best of Henri Nouwen*** Henri J. M. Nouwen, Robert Durback, 2003 ***Genius Born of Anguish: The Life and Legacy of Henri Nouwen*** Michael W. Higgins, Kevin Burns, 2014-05-14 An intimate look at this important spiritual writer's life enriched with the personal accounts of some of the people closest to him: friends, family and colleagues. A twelve page photo section is included ***Walking with Henri Nouwen*** Robert Waldron, 2003 Written in journal form as a preparation for a retreat on Henri Nouwen one of the most revered spiritual writers and guides of our time this engaging book examines themes of brokenness transcended and integrated into Christian wholeness. Waldron takes full measure of Nouwen's often conflicted personal nature: struggles with loneliness, rejection, depression and sexuality and professional from brilliant tenure as a pastoral psychologist at Yale, Harvard and Notre Dame to his call to personal ministry to the profoundly mentally and physically disabled at L'Arche Daybreak in Canada. He augments it with in depth accounts of Nouwen's literary works, his interest in painting, iconography, music and clowning. The result is this poignant multifaceted work that resounds in its chief conceit: the walk or journey toward wholeness is achieved through the balm of healing that we receive when we follow Jesus' example and take on the crosses of the broken and weak. Students and scholars of art, literature, psychology and religion; followers of Nouwen; retreatants and the general public will find this work compelling ***Henri's Mantle*** Chris R. Glaser, 2010-11-01 In biblical terms a mantle is the equivalent of a legacy. A student and friend of Henri Nouwen for over twenty five years interprets Nouwen's sacred writings and presents one hundred meditations on his words in the hope that Nouwen's ministry will continue to thrive. Each encouraging meditation is divided into a portion of Nouwen's writings a

Lift Up Your Hearts James A. Wallace, Robert P. Waznak, Guerric DeBona, 2004 This collection of homilies represents the efforts of three preachers to interpret the lives of a community of faith and lead them deeper into the liturgy and life It grows out of a vision of the homily as a scriptural interpretation of human existence which enables a community to recognize God's active presence to respond to that presence in faith through liturgical word and gesture and beyond the liturgical assembly through a life lived in conformity with the Gospel The first intent of *Lift Up Your Hearts* is to focus on homilies as acts of interpretation in which the preacher does not so much attempt to explain the Scriptures as to interpret the human situation through the Scriptures This book casts the homilist not so much as a teacher but as a mediator of meaning speaking words that help the community to know itself and to act as the People of God the Body of Christ and the dwelling place of the Holy Spirit In addition these homilies are intended to move the parishioners toward the act of Eucharist to giving praise and thanks here and now and then beyond the Church doors out into the world to take part in the mission of the Church Pastors priests deacons and anyone who preaches will find this collection of source material to be particularly useful in crafting homilies that are grounded in Holy Scripture and yet relevant and meaningful in today's world Also it is written for the churchgoer in search of a helpful reflection on the Sunday readings with the intent of connecting the biblical texts with life
