Chanting the Psalms Cynthia Bourgeault, 2006-11-14 Chanting the psalms or psalmody is an ancient practice of vital importance in the Christian spiritual tradition Today many think of it as a discipline that belongs only in monasteries but psalmody is a spiritual treasure that is available to anyone who prays You don t need to be musical or a monk to do it and it can be enjoyed in church liturgical worship in groups or even individually as part of a personal rule of prayer Cynthia Bourgeault brings the practice into the twenty first century providing a history of Christian psalmody as well as an appreciation of its place in contemplative practice today And she teaches you how to do it as you chant along with her on the accompanying audio program in which she demonstrates the basic techniques and easy melodies that anyone can learn Even if you can t read music Cynthia says or if somewhere along the way you ve absorbed the message that your voice is no good or you can t sing on pitch I ll still hope to show you that chanting the psalms is accessible to nearly everyone
