Christian Life By Mary Baker Eddy Many peculiar circumstances and events connected with my childhood throng the chambers of memory For some twelve months when I was about eight years old I repeatedly heard a voice calling me distinctly by name three times in an ascending scale I thought this was my mother s voice and sometimes went to her beseeching her to tell me what she wanted Her answer was always Nothing child What do you mean Then I would say Mother who did call me I heard somebody call Mary three times This continued until I grew discouraged and my mother was perplexed and anxious One day when my cousin Mehitable Huntoon was visiting us and I sat in a little chair by her side in the same room with grandmother the call again came so loud that Mehitable heard it though I had ceased to notice it Greatly surprised my cousin turned to me and said Your mother is calling you but I answered not till again the same call was thrice repeated Mehitable then said sharply Why don t you go your mother is calling you I then left the room went to my mother and once more asked her if she had summoned me She answered as always before Then I earnestly declared my cousin had heard the voice and said that mother wanted me Accordingly she returned with me to grandmother s room and led my cousin into an adjoining apartment The door was ajar and I listened with bated breath Mother told Mehitable all about this mysterious voice and asked if she really did hear Mary s name pronounced in audible tones My cousin answered quickly and emphasized her affirmation Christian Life Spiritual Growth Christian Education Christian Church Bible Study      RETROSPECTION & INTROSPECTION Mary Baker 1821-1910 Eddy,2016-08-29 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact
