History and Eschatology in John Scottus Eriugena and His Time Society for the Promotion of Eriugenian Studies, 2002

The Medium and Daybreak, 1885 **Day Reaper** Melody Johnson, 2018-04-24 A DANGEROUS CHOICE On the brink of death Cassidy DiRocco demands that New York City's master of the supernatural Dominic Lysander transform her reporter Night Blood sister human into the very creature she's feared and fought against for months a vampire The pain is brutal she could lose the career she's worked so hard to achieve and her world will never be the same But surviving is worth any risk especially when it means gaining the strength to fight against Jillian Allister the sister who betrayed Dominic attacked Cassidy and is leading a vampire uprising that will destroy all of New York City When she awakens however Cassidy realizes the cost of being transformed might be more than she was willing to sacrifice But if Cassidy hopes to right the irrevocable wrongs that Jillian and her army of the Damned have wrought on New York City she'll need to not only accept her new senses body and cravings but wield them in her favor Irresistible and enigmatic as Dominic is he no longer has command over the city or its vampires Only Cassidy has the connections to convince the humans Day Reapers and the few vampires still loyal to Dominic to join forces And maybe if Dominic can accept her rising power over the coven he once commanded for the past several hundred years the two of them together might forge a bond more potent than history has ever known **After The**

Masters of Learned Ignorance: Eriugena, Eckhart, Cusanus Donald F. Duclow, 2024-08-01 The medieval Christian West's most radical practitioners of a Neoplatonic negative theology with a mystical focus are John Scottus Eriugena Meister Eckhart and Nicholas Cusanus All three mastered what Cusanus described as *docta ignorantia* reflecting on their awareness that they could know neither God nor the human mind they worked out endlessly varied attempts to express what cannot be known Following Pseudo Dionysius the Areopagite they sought to name God with symbolic expressions whose negation leads into mystical theology For within their Neoplatonic dialectic negation moves beyond reason and its finite distinctions to intellect where opposites coincide and a vision of God's infinite unity becomes possible In these papers Duclow views these

thinkers efforts through the lens of contemporary philosophical hermeneutics He highlights the interplay of creativity symbolic expression and language interpretation and silence as Eriugena Eckhart and Cusanus comment on the mind s work in naming God This work itself becomes mystical theology when negation opens into a silent awareness of God s presence from which the Word once again speaks within the mind and renews the process of creating and interpreting symbols Comparative studies with Gregory of Nyssa Pseudo Dionysius Anselm and Hadewijch suggest the book s wider implications for medieval philosophy and theology *Of Ghostes and Spirites Walking by Nyght*, 1572 Ludwig Lavater, 1929 The Pilgrimage of Fa Hian Faxian, 1912 Hindu Manners, Customs and Ceremonies Jean Antoine Dubois, Henry King Beauchamp, 1906 For 30 years the author a French missionary lived among the Hindus adopting their dress and customs and studying their social and religious institutions The English government found this account of the results of his observations valuable enough to translate and publish it for the use of officials and oriental students **Contemporary Review**, 1892
