**Return to Zion** Eric Gartman, 2015-11 The history of modern Israel is a story of ambition violence and survival *Return to Zion* traces how a scattered and stateless people reconstituted themselves in their traditional homeland only to face threats by those who during the many years of the dispersion had come to regard the land as their home This is a story of the ingathering of the exiles from Europe to an outpost on the fringes of the Ottoman Empire of courage and perseverance and of reinvention and tragedy Eric Gartman focuses on two main themes of modern Israel reconstitution and survival Even as new settlers built their state they faced constant challenges from hostile neighbors and divided support from foreign governments as well as being attacked by larger armies no fewer than three times during the first twenty five years of Israel's history Focusing on a land torn by turmoil *Return to Zion* is the story of Israel the fight for independence through the Israeli Independence War in 1948 the Six Day War of 1967 and the near collapse of the Israeli Army during the 1973 Yom Kippur War Gartman examines the roles of the leading figures of modern Israel Theodor Herzl Chaim Weizmann David Ben Gurion Golda Meir Moshe Dayan Yitzchak Rabin and Ariel Sharon alongside popular perceptions of events as they unfolded in the post World War II decades He presents declassified CIA White House and U S State Department documents that detail America's involvement in the 1967 and 1973 wars as well as proof that the Israeli attack on the USS *Liberty* was a case of mistaken identity *Return to Zion* pulls together the myriad threads of this history from inside and out to create a seamless look into modern Israel's truest self

**Return to Masada** Robert G Makin, 2019-03-25 Separated from the mountain range by two deep gorges Masada was a natural fortress In 66 CE during the Jewish Revolt against the Romans Masada was captured by a small group of Jews In 72 CE however the Roman General Silva decided to put an end to even the tiniest pockets of resistance against Rome With an army ten to fifteen thousand he began the siege of Masada When the Zealot leader Eleazar ben Jair saw the end nearing he gathered his people and together they chose death with honor by their own hands rather than being captured alive and becoming slaves to the Romans Even today the legends and mystique of Zayin or Seven tells a tale of courage and commitment to those universal principles of love and truth to one's highest self that throughout the ages have nourished and sustained the downtrodden and oppressed and caused even the meek to become risk takers and crusaders for world peace

**Recovered Roots** Yael Zerubavel, 1995-10-15 In the years leading to the birth of Israel Zerubavel shows Zionist settlers in Palestine consciously sought to rewrite Jewish history by reshaping Jewish memory Zerubavel focuses on the nationalist reinterpretation of the defense of Masada against the Romans in 73 C E and the Bar Kokhba revolt of 133 135 and on the transformation of the 1920 defense of a new Jewish settlement in

Tel Hai into a national myth      Symbols of Defeat in the Construction of National Identity Steven Mock,2011-12-29 If nationalism is the assertion of legitimacy for a nation and its effectiveness as a political entity why do many nations emphasize images of their own defeat in understanding their history Using Israel Serbia France Greece and Ghana as examples the author argues that this phenomenon exposes the ambivalence that lurks behind the passions nationalism evokes Symbols of defeat glorify a nation s ancient past while reenacting the destruction of that past as a necessary step in constructing a functioning modern society As a result these symbols often assume a foundational role in national mythology Threats to such symbols are perceived as threats to the nation itself and consequently are met with desperation difficult for outsiders to understand      *Back to Masada* Amnon Ben-Tor,2009 Masada in the Hasmonean period Masada in the Herodian period Building materials Ornamentation Construction at the time of the procurators and the Roman garrison Construction during the priod of the rebels The eastern gate Building 8 the commandant s residence The storerooms The large bathhouse The approach to the northern palace The northern palace The water supply system The synagogue The casemate wall Building 9 hostel Building 10 the western palace The small palaces The layout of the palaces The phases of construction of Herodian Masada Pottery Written finds Coins Other finds The battle for Masada Masada in the Byzantine period Archaeology and the Masada myth      **One Man's Israel** Neville Teller,2008-08-07 Published to mark Israel s 60th anniversary One Man s Israel is a fascinating collection of writing Taken together the 36 separate items chart the backdrop to the kaleidoscopic Israeli scene over the last thirty years They include political commentary and some social comment but also encompass short stories features travel writing letters poetry music and radio drama A miscellany of delights for anyone with an interest in the Middle East in general and Israel in particular this collection provides a unique personal take on the ever changing backdrop to Israeli life One Man s Israel is a book to dip into and always be guaranteed of finding something to please interest amuse enlighten or entertain      **Broken Link** Rei K.,2025-07-31 A brother s betrayal A sister s rage A kingdom s fate hanging by a thread To empath Shiro Masamune her older brother Tadashi was a disgrace his betrayal a wound that never healed But when he vanishes during a brutal attack that leaves their clan in ruins Shiro is left with haunting regrets and a desperate need for answers      The Brave And The Bold Book One Keith R. A. DeCandido,2012-08-14 The Malkus Artifacts are deadly machines wielded as weapons of absolute power by an ancient interstellar tyrant and scattered across the Alpha Quadrant when he was overthrown Thousands of years later in 2151 they are discovered by Captain Jonathan Archer of the Starship Enterprise and all Starfleet vessels are warned to be vigilant for these most lethal devices One hundred years later Captain James T Kirk of the USS Enterprise and Commodore Matt Decker of the USS Constellation come across the first artifact on the plague ravaged colony world of Proxima II One hundred years after that Commander Benjamin Sisko of space station Deep Space Nine finds himself pitted against the Bajoran terrorist Orta in a battle for far more than the future of Bajor when the second artifact falls into dangerous and destructive hands      **Herod the Great** Norman Gelb,2013-02-21 Herod the

Great king of ancient Judea was a brutal ruthless vindictive and dangerously high strung tyrant He had many of his subjects killed on suspicion of plotting against him and was accused of slaughtering children in Bethlehem when informed that a new king of the Jews had been born there Among the victims of the murderous paranoia that ultimately drove him to the brink of insanity were his three oldest sons and the wife he loved most But there was a crucial aspect to Herod s character that has been largely ignored over the centuries Norman Gelb explores how Herod transformed his formerly strife ridden kingdom into a modernizing economically thriving orderly state of international significance and repute within the sprawling Roman Empire This reassessment of Herod as ruler of Judaea introduces a striking contrast between a ruler s infamy and his extraordinary laudable achievements As this account shows despite his horrific failings and ultimate mental unbalance Herod was a fascinatingly complex dynamic and largely constructive statesman a figure of great public accomplishment and one of the most underrated personalities of ancient times History buffs and those interested in popular ancient history can are introduced to this ruthless tyrant and his victims

**The Military and Militarism in Israeli Society** Edna Lomsky-Feder,Eyal Ben-Ari,2012-02-01 The Military and Militarism in Israeli Society systematically examines the cultural and social construction of things military within Israel Contributors from comparative literature film studies sociology anthropology geography history and cultural studies explore the arenas in which the centrality of military matters are produced and reproduced by the state and by other public bodies Analysis is presented using three perspectives the production and reproduction of collective representations the dynamics of gender voice and resistance and the construction of individual life worlds

**World Empire and the Return of Jesus Christ** , [The Son Cometh Volume I](#) Brian D. Baldemor,2024-12-15 From the rise of Herod ca 44 BCE to the destruction of Jerusalem 70 CE The Son Cometh is an exegetical systematic and historical study chronicling several religious and political strands central to the life and ministry of Jesus Christ As an exposition of the Christian faith this work not only apologetically and evangelistically endeavors to provide the reader with the historical context and approximate timeline for the writing of the New Testament canon e g the Synoptic Gospels John Acts Revelation and other apostolic epistles but also a background to the Law and Prophets as foreshadows and types leading up to the fullness of time including extensive references and citations of other Jewish Roman and Christian primary sources e g Philo Josephus and Eusebius

**The Sicarii in Josephus's Judean War** Mark Andrew Brighton,2009 This book offers a comprehensive study of the Sicarii in Josephus s Judean War Detailed rhetorical analyses are provided not only for the Masada narrative where Josephus tells how the Sicarii famously committed suicide but also for all other places in War where their activities are described or must be inferred from the context The study shows how Josephus adopted the Sicarii in his narrative to develop and bring to a resolution several major themes in War In a departure from the classical proposal that the Sicarii were an armed and fanatical off shoot of the Zealots this work concludes that from a historical perspective Sicarii was a somewhat fluid term used to describe Jews of the Judean revolt who were associated with acts of

violence against their own people for religious political ends      **Culture on Tour** Edward M. Bruner, 2005 Analysing a variety of tourist productions ranging from dance dramas in Bali to an Abraham Lincoln heritage site in Illinois Bruner considers the diverse perspectives of various actors including the tourists the producers the natives the anthropologist himself      What Happened in Palestine Maurice Samuel, 1929      **Discover the Holy Land** Max Miller, 2020-01-15 This travel guide focuses on places that Holy Land tour groups typically visit and gives major attention to connections between the Bible and the land The Holy Land is understood to overlap both present day Israel and Jordan so places like Gilead Mount Nebo Bethany beyond the Jordan and Petra are included And while the biblical periods and biblical connections remain in the forefront these are explored in the context of the Holy Land's long and fascinating history Ancient tells dating back to the Bronze Age colonnaded streets and temples from Hellenistic and Roman times early Christian pilgrimage destinations Crusader castles Mamluk and Ottoman fortifications all illustrated with chronological charts maps site plans and photographs      A History of the Jewish War Steve Mason, 2016-02-24 A conflict that erupted between Roman legions and some Judaeans in late AD 66 had an incalculable impact on Rome's physical appearance and imperial governance on ancient Jews bereft of their mother city and temple and on early Christian fortunes Historical scholarship and cinema alike tend to see the conflict as the culmination of long Jewish resistance to Roman oppression In this volume Steven Mason re-examines the war in all relevant contexts such as the Parthian dimension and Judaea's place in Roman Syria and phases from the Hasmoneans to the fall of Masada Mason approaches each topic as a historical investigation clarifying problems that need to be solved understanding the available evidence and considering scenarios that might explain the evidence The simplest reconstructions make the conflict more humanly intelligible while casting doubt on received knowledge      **Catalog of Copyright Entries, Third Series** Library of Congress.
