Return To Thunder Road The Story Behind The Legend:

Return to Thunder Road Alex Gabbard,1992-08-01 **Hillbillyland** Jerry Wayne Williamson,1995 The stereotypical hillbilly figure in popular culture provokes a range of responses from bemused affection for Ma and Pa Kettle to outright fear of the mountain men in *Deliverance* In *Hillbillyland* J W Williamson investigates why hillbilly images are so pervasive in our culture and what purposes they serve He has mined more than 800 movies from early nickelodeon one reelers to contemporary films such as *Thelma and Louise* and *Raising Arizona* for representations of hillbillies in their recurring roles as symbolic cultural others Williamson s hillbillies live not only in the hills of the South but anywhere on the rough edge of society And they are not just men women can be hillbillies too According to Williamson mainstream America responds to hillbillies because they embody our fears and hopes and a romantic vision of the past They are clowns children free spirits or wild people through whom we live vicariously while being reassured about our own standing in society *From Ulster to America* Michael Montgomery,2006 *From Ulster to America* documents nearly four hundred terms and meanings each with quotations from both sides of the Atlantic contributed to American English by these eighteenth century settlers from Ulster Drawing on letters they sent back to their homeland and on other archival documents associated with their settlement it shows that Ulster emigrants and their children contributed as much to regional American English as any other group The numerous quotations bring alive the speech of earlier days on both sides of the Atlantic and extend understanding of the culture mannerisms and life of those pioneering times **Sexual Sports Rhetoric** Linda K. Fuller,2010 *Sexual Sports Rhetoric* Historical and Media Contexts of Violence deals with controversies surrounding the notion of sport violence added to the equation of gender and language Topics discussed range from hooliganism spousal abuse and racial and or gender orientation issues to literary televised filmic and photographic pornographic images of sports violence The sports represented include ice hockey stock car racing football body building baseball boxing rugby wrestling and pool **A Bibliography of Tennessee History, 1973-1996** W. Calvin Dickinson,Eloise R. Hitchcock,1999 With some 6 000 entries *A Bibliography of Tennessee History* will prove to be an invaluable resource for anyone students historians librarians genealogists engaged in researching Tennessee s rich and colorful past A sequel to Sam B Smith s invaluable 1973 work *Tennessee History A Bibliography* this book follows a similar format and includes published books and essays as well as many unpublished theses and dissertations that have become available during the intervening years The volume begins with sections on Reference Natural History and Native Americans Its divisions then follow the major periods of the state s history Before Statehood State Development Civil War Late Nineteenth Century Early Twentieth Century and Late Twentieth Century Sections on Literature and County Histories round out the book Included is a helpful subject index that points the reader to particular persons places incidents or topics Substantial sections in this index highlight women s history and African American history two areas in which scholarship has proliferated during the past two decades The history of

entertainment in Tennessee is also well represented in this volume including for example hundreds of citations for writings about Elvis Presley and for works that treat Nashville and Memphis as major show business centers The Literature section meanwhile includes citations for fiction and poetry relating to Tennessee history as well as for critical works about Tennessee writers Throughout the editors have strived to achieve a balance between comprehensive coverage and the need to be selective The result is a volume that will benefit researchers for years to come The Editors W Calvin Dickinson is professor of history at Tennessee Technological University Eloise R Hitchcock is head reference librarian at the University of the South

Driving with the Devil Neal Thompson,2009-02-04 The true story behind NASCAR s hardscrabble moonshine fueled origins fascinating and fast moving even if you don t know a master cylinder from a head gasket Atlanta Journal Constitution Neal Thompson exhumes the sport s Prohibition era roots in this colorful meticulously detailed history Time Today s NASCAR equal parts Disney Vegas and Barnum Bailey is a multibillion dollar conglomeration with 80 million fans half of them women that grows bigger and more mainstream by the day Long before the sport s rampant commercialism lurks a distant history of dark secrets that have been carefully hidden from view until now In the Depression wracked South with few options beyond the factory or farm a Ford V 8 became the ticket to a better life Bootlegging offered speed adventure and wads of cash Driving with the Devil reveals how the skills needed to outrun federal agents with a load of corn liquor transferred perfectly to the red dirt racetracks of Dixie In this dynamic era the 1930s and 40s three men with a passion for Ford V 8s convicted felon Raymond Parks foul mouthed mechanic Red Vogt and war veteran Red Byron NASCAR s first champ emerged as the first stock car team Theirs is the violent poignant story of how moonshine and fast cars merged to create a sport for the South to call its own In the tradition of Laura Hillenbrand s Seabiscuit this tale captures a bygone era of a beloved sport and the character of the country at a moment in time NASCAR Nation Scott Beekman,2010-04-09 This is the first work to go beyond the popular myths of stock car racing to fully examine the sport s true history NASCAR Nation A History of Stock Car Racing in the United States details the ongoing saga of this quintessentially American pastime Looking at the drivers events and teams it positions NASCAR racing within larger social economic and cultural trends in an attempt to address the sport s phenomenal growth and popularity This chronological examination of the evolution of stock car racing is the first history to go beyond the widely held myth that it was invented by Prohibition era moonshiners The book traces stock car racing history from its beginnings to the formation of The National Association for Stock Car Auto Racing NASCAR in 1948 through today Of course readers will meet the sport s many colorful personalities including the Earnhardts Richard Petty Jeff Gordon who has raked in more than 70 million in career winnings Fireball Roberts Darrell Waltrip Daytona pioneer Bill France and women drivers like Janet Guthrie Louise Smith and Jennifer Jo Cobb While the focus is on NASCAR the book also examines other prominent stock car racing organizations to round out its comprehensive portrait *A History of East Tennessee Auto Racing* David McGee,2014-02-11 East Tennessee isn t typically mentioned among stock car racing s formative hotbeds But

the region from Bristol to Oneida and Chattanooga encapsulates a significant portion of the sport's history. From pioneers like Brownie King and Paul Lewis of Johnson City to former national champions Joe Lee Johnson of Chattanooga and L. D. Ottinger of Newport, East Tennessee has produced many of NASCAR's great drivers. The region is home to one of the world's largest sports stadiums in the Bristol Motor Speedway, but NASCAR also made regular visits to other area tracks. Whether the surface is red clay, asphalt, or brushed concrete, East Tennessee still boasts some of the world's fastest, most competitive racing. Join author and racing insider David McGee as he presents a vast array of colorful characters whose passion fueled a sport that has gone from primitive to prime time.

From Moonshine to Madison Avenue Mark D. Howell, 1997. Howell describes the features, activity, and impact of the annual 32-race, 10-month stock car competition. He focuses on the role of corporate sponsors in transforming the sport from an amateur pastime to a big money media event. Paper edition, unseen. 219 p. Annotation copyrighted by Book News, Inc., Portland, OR. [Moonshine!](#) Matthew B. Rowley, 2007. Traces the history and lore of moonshine from its pioneer origins through prohibition to today's artisanal libations, offering instructions for building a still, basic distilling techniques, and dozens of recipes.

The Automobile in American History and Culture Michael L. Berger, 2001-07-30. This comprehensive reference guide reviews the literature concerning the impact of the automobile on American social, economic, and political history. Covering the complete history of the automobile to date, twelve chapters of bibliographic essays describe the important works in a series of related topics and provide broad thematic contexts. This work includes general histories of the automobile, the industry it spawned, and labor-management relations, as well as biographies of famous automotive personalities. Focusing on books concerned with various social aspects, chapters discuss such issues as the car's influence on family life, youth, women, the elderly, minorities, literature, and leisure and recreation. Berger has also included works that investigate the government's role in aiding and regulating the automobile, with sections on roads and highways, safety, and pollution. The guide concludes with an overview of reference works and periodicals in the field and a description of selected research collections. *The Automobile in American History and Culture* provides a resource with which to examine the entire field and its structure. Popular culture scholars and enthusiasts involved in automotive research will appreciate the extensive scope of this reference. Cross-referenced throughout, it will serve as a valuable research tool.

Real NASCAR Daniel S. Pierce, 2010. Pierce offers a revealing new look at NASCAR racing from its postwar beginnings on Daytona Beach and Piedmont dirt tracks through the early 1970s when the sport spread beyond its Southern roots and gained national recognition.

[Appalachian Folkways](#) John B. Rehder, 2004-07-12. Winner of the Kniffen Award and an Honorable Mention from the Professional and Scholarly Publishing Awards in Sociology and Anthropology, Appalachia may be the most mythologized and misunderstood place in America; its way of life and inhabitants both caricatured and celebrated in the mainstream media. Over generations, though, the families living in the mountainous region stretching from West Virginia to northeastern Alabama have forged one of the country's richest and

most distinctive cultures encompassing music food architecture customs and language In *Appalachian Folkways* geographer John Rehder offers an engaging and enlightening account of southern Appalachia and its cultural milieu that is at once sweeping and intimate From architecture and traditional livelihoods to beliefs and art Rehder who has spent thirty years studying the region offers a nuanced depiction of southern Appalachia's social and cultural identity The book opens with an expert consideration of the southern Appalachian landscape defined by mountains rocky soil thick forests and plentiful streams While these features have shaped the inhabitants of the region Rehder notes Appalachians have also shaped their environment and he goes on to explore the human influence on the landscape From physical geography the book moves to settlement patterns describing the Indian tribes that flourished before European settlement and the successive waves of migration that brought Melungeon Scotch Irish English and German settlers to the region along with the cultural contributions each made to what became a distinct Appalachian culture Next focusing on the folk culture of Appalachia Rehder details such cultural expressions as architecture and landscape design traditional and more recent ways of making a living both legal and illegal foodstuffs and cooking techniques folk remedies and belief systems music art and the folk festivals that today attract visitors from around the world and the region's dialect With its broad scope and deep research *Appalachian Folkways* accurately and evocatively chronicles a way of life that is fast disappearing *A Mess of Greens* Elizabeth S. D. Engelhardt, 2011 Combining the study of food culture with gender studies and using perspectives from historical literary environmental and American studies Elizabeth S D Engelhardt examines what southern women's choices about food tell us about race class gender and social power Shaken by the legacies of Reconstruction and the turmoil of the Jim Crow era different races and classes came together in the kitchen often as servants and mistresses but also as people with shared tastes and traditions Generally focused on elite whites or poor blacks southern foodways are often portrayed as stable and unchanging even as an untroubled source of nostalgia *A Mess of Greens* offers a different perspective taking into account industrialization environmental degradation and women's increased role in the work force all of which caused massive economic and social changes Engelhardt reveals a broad middle of southerners that included poor whites farm families and middle and working class African Americans for whom the stakes of what counted as southern food were very high Five moments in the story of southern food moonshine biscuits versus cornbread girls tomato clubs pellagra as depicted in mill literature and cookbooks as means of communication have been chosen to illuminate the connectedness of food gender and place Incorporating community cookbooks letters diaries and other archival materials *A Mess of Greens* shows that choosing to serve cold biscuits instead of hot cornbread could affect a family's reputation for being hygienic moral educated and even godly *Forthcoming Books* Rose Arny, 1993 **Road and Track**, 1993 **Appalachian Journal**, 1995 A regional studies review **Descendants of John Moore (Revolutionary War Soldier) and Mary Keller Moore** Mack Arthur Moore, 1995 *The North Carolina Historical Review*, 1994 **Moonshine-made Appalachia** Emelie K.

Peine,2002
