Return Of Elijah:

The Return of Elijah, John the Baptist, and Jesus Joshua Caleb, 2006 More than two thousand years ago all Israel awaited the glorious and imminent arrival of the Christ Why then did His appearance create a division among both the leadership and the people of Israel How does the Old Testament story of Elijah and the prophecy of his return relate to this division Author Joshua Caleb delivers a challenging and multidimensional account of the relationship between the returning prophet Elijah John the Baptist and Jesus and the true theological reason the advent of the Christ divided into a First and Second Coming joshuacaleb1 verizon net

Restoration James Scott, 2021-10-01 The restoration of Israel is one of those subjects which although crucial to our understanding of early Judaism has not received the focused attention it needs and deserves These seminal essays written by an international group of eminent scholars introduce the reader to the subject of restoration in a roughly chronological approach beginning with the formative period the Old Testament followed by the Greco Roman period formative Judaism and early Christianity These essays endeavor not merely to survey what is currently known about the subject from various vantage points but rather to extend what is knowable in each case This volume will stimulate much interest in the subject of restoration and will shape the future course of the scholarly discussion *The Good News*

Paradigm J.C. Ward, 2017-09-12 Most Christians have some degree of familiarity with the Gospels according to Matthew Mark Luke and John Fewer Christians have the same familiarity with the gospel according to Jesus This gospel is something Jesus taught using figurative language such as parables and metaphors This study examines the figurative parables phrases and words that are attributed to Jesus and His disciples As an example Matthew records that Jesus emphatically states Do not think that I came to bring peace to the earth I did not come to bring peace but a sword Matt 10 34 This statement alone appears to contradict with what most Christians believe a peace loving Jesus represents What is the gospel or good news that Jesus taught What is the figurative meaning of words such as sword leprosy and water for example Did Jesus raise people from the dead back to a physical life Did Jesus feed thousands with a few loaves of bread Is there a figurative understanding to the miracle parables Did Jesus confirm that sin is original What did Jesus say about His return These and other Biblical questions are addressed and explained by Jesus and presented in this study for the reader's contemplation This book is a must read for the sincere Christian who wants to gain a deeper understanding and appreciation of who Jesus was and what He taught **A Critical and Exegetical Commentary on the Revelation of St. John** Robert Henry Charles, 1920

Dara Ndu: the Long-Awaited Christ Emeka Ude J., 2020-01-10 When the announcement came that Jesus was the Messiah the Jewish religious leaders became indignant and consequently rejected him As far as they were concerned Elijah had not physically returned None of the Messianic prophesies had been fulfilled But they were dead wrong Jesus truly was the Messiah Today Christians are also expecting Jesus to physically descend from the sky on His Second Coming Aren't they repeating the same mistakes of the past At exactly 9 45 PM on the 9th of April 1997 DARA NDU announced to the world

through the Anambra Broadcasting Service TV Nigeria that He is the prophesied and long awaited Savior The Christ That He took human form in the great Igboland of Nigeria Has Jesus Christ already returned in an unexpected way Has God appeared to humanity again with a new name This book is an autobiography of DARA NDU the Long Awaited Christ and the Messiah

Elijah's Despair Ahmed Musa,2024-12-13 After a triumphant showdown on Mount Carmel Elijah finds himself fleeing for his life overcome by fear and despair Elijah s Despair A Whisper in the Wilderness captures the raw humanity of one of Israel s greatest prophets offering a powerful story of vulnerability divine encounter and renewal Worn out by persecution and isolation Elijah retreats to the wilderness seeking solace and questioning his purpose It is there in a moment of profound stillness that God speaks not in the wind earthquake or fire but in a gentle whisper This quiet revelation reaffirms Elijah s calling reminding him that even in his weakest moments he is never alone This poignant retelling explores themes of mental and spiritual fatigue the sustaining power of God s presence and the courage to rise again Elijah s Despair A Whisper in the Wilderness is a testament to the grace that meets us in our darkest moments and the strength found in the voice of God

Perfect for readers seeking encouragement and a reminder of God s intimate care **First the Antichrist** Bob Gundry,1996-06-01 History established the pattern through world floods Egyptian plagues tribulations of all kinds God leads his people through life s disasters not around them First the Antichrist rejects the pretribulation rapture scenario that God will open an escape route so Christians will be spared persecution Rather in a complex chain of events Christ will gather the church out of the world only after seven years of intense suffering when Christ returns to rule In this close study of church history and debated Bible texts Bob Gundry shows that the pretribulation rapture is a recent innovation It is wishful thinking that came to grab the pre millennial spotlight But serious scholars are backing away It just doesn t accord with what the Bible says In First the Antichrist Gundry lays out a more biblical and accurate picture First the Antichrist is a much needed contribution to apocryphal and pre millennial prophecy studies Midwest Book Review The International Critical

Commentary on the Holy Scriptures of the Old and New Testaments ,1920 **The Holy Days of God, The Holidays of Man** Holly M. Snead,2012-12 For two thousand years the Church Universal has celebrated the life of our Lord At Christmas we remember and celebrate his birth in a stable in Bethlehem We watch him grow to a young boy who sat at the feet of the Temple leaders and spoke wonders they could not understand We continue to watch him as he started his ministry and preached to his people of the promises of God to the people of Israel After his three years of ministry we prepare for his suffering and death and grieve at the foolishness of the people who could not believe We stand at his cross and watch as his disciples who followed him fled in fear for their lives but three days later we rejoice with the faithful women who went to the grave to grieve the loss of their Lord To their wonder and ours we rejoice in his resurrection and celebrate the life he has given us through his suffering death and resurrection We celebrate his ascension to Heaven with his promise that he would be with his disciples in the Presence of the Spirit to teach and prepare them for his return Ten days after his Ascension we

witness and celebrate the Coming of the Spirit at Pentecost and rejoice in the birth of the Church We hear the words of Peter and sit in wonder of all the Spirit promised Then suddenly the Church stops its celebration There is silence for six months until in December we return to the stable in Bethlehem and start our celebration again What have we forgotten what do we neglect What are we missing Why has the celebration stopped at Pentecost Where is the mature Church the victorious Church Where is the promised Return of our Lord in His Father s Glory Where is the Bridegroom How much longer must the Bride wait Come with us as we learn the Rest of the Story and discover all we have missed because our celebrations stop at Pentecost God calls us to celebrate the entire story from beginning to end He promised his faithful remnant that he would return to them and they would dwell with him in His Presence He promised the rejoicing would have no end Come with us as we learn and celebrate the Rest of the Story A great tragedy of modern evangelical Christianity is the failure to either appreciate or to properly interpret the incredible significance of Israel s Feast Days The prophetic content of the feast days is normally given barely a summary acknowledgement and then forgotten Holly Snead has done the Christian community a great favor in bringing to the fore not only the typological significance of Israel s festal calendar but God s faithfulness in bringing all those feast days to final fulfillment in Christ s Parousia What she brings to the reader is tremendous and exciting insight into how the NT writers applied Israel s feast days to the work of Christ If you have never considered Israel s New Moons feast days and sabbaths as they relate to the End Times you owe it to yourself to read this book Whatever you do read the Appendices These special studies are more than worth the price of the book all by themselves Don K Preston D Div President Preterist Research Institute www.eschatology.org
