Return Of The Maya:

Return of the Maya Thomas Hoepker, 1998 Latin America's longest civil war ended in 1996. The peace accord between Guatemala's conservative government and the Marxist guerrilla group the URNG brought an end to 36 years of conflict with almost 150 000 people killed and another 50 000 still missing. Most of the victims were the Mayan people who were brutally oppressed by both sides. Magnum photographer Thomas Hoepker visited Guatemala several times from 1991 onwards and in *Return of the Maya* he documented the Maya's rediscovery of their magnificent culture and history. Of special concern was the Maya's search through the killing fields for their dead and of the rituals both Catholic and Mayan that are central to their culture and which has helped them begin to heal their emotional and societal wounds. Hoepker captured many aspects of this remarkable period of transition and arranged them in an array of astonishing photographs that will disturb, enchant and amaze.

Return of the Maya Gaspar Pedro González, 1998 **Dividing the Isthmus** Ana Patricia Rodríguez, 2009-08-17

In 1899 the United Fruit Company UFCO was officially incorporated in Boston, Massachusetts, beginning an era of economic, diplomatic and military interventions in Central America. This event marked the inception of the struggle for economic, political and cultural autonomy in Central America, as well as an era of homegrown inequities, injustices and impunities to which Central Americans have responded in creative and critical ways. This juncture also set the conditions for the creation of the Transisthmus, a material, cultural and symbolic site of vast intersections of people, products and narratives. Taking 1899 as her point of departure, Ana Patricia Rodríguez offers a comprehensive, comparative and meticulously researched book covering more than one hundred years between 1899 and 2007 of modern cultural and literary production and modern empire building in Central America. She examines the grand narratives of anti-imperialism, revolution, subalternity, globalization, impunity, transnational migration and diaspora, as well as other discursive, historical and material configurations of the region beyond its geophysical and political confines. Focusing in particular on how the material productions and symbolic tropes of cacao, coffee, indigo, bananas, canals, waste and transmigrant labor have shaped the transisthmian cultural and literary imaginaries, Rodríguez develops new methodological approaches for studying cultural production in Central America and its diasporas. Monumental in scope and relentlessly impassioned, this work offers new critical readings of Central American narratives and contributes to the growing field of Central American studies.

The Lost Island of Tamarind

Nadia Aguiar, 2024-09-04 Maya Nelson isn't your typical thirteen year old. She's spent her whole life living on the sea with her marine biologist parents, her younger brother Simon, and baby sister Penny. Maya used to love living on a sailboat but lately everything feels terribly claustrophobic. Maya longs to go to school on land. To make friends. To lead a normal life. But when a violent storm hits and Maya's parents are washed overboard, life becomes anything but normal. The children manage to steer the boat toward a mysterious island to a place that doesn't exist on a map. Welcome to Tamarind where fish can fly, pirates patrol the waters, jaguars lurk, the islanders are at war, and an evil child-stealing enchantress rules the jungle. Maya never imagined she'd have to face so many dangers. But then who could have imagined a place like Tamarind. In her stunning first novel, Nadia Aguiar presents a heart-pounding adventure tale about a haunting fantastical island cut off from the outside world.

Crowns of Rust Daniel Arenson, The noble House of Sela is shattered. Its five children, once heirs to a bustling port, are scattered around the Encircled Sea. Their kingdom, the ancient land of Zohar, lies in ruin following a devastating invasion. As the dust settles, new fires kindle. In a shattering world, the pieces are up for grabs. Here, fleets clash at sea and desert warriors battle among dunes and ancient ruins. Cloaked conspirators gather in shadowy alleyways, vowing to slay their emperor, and a girl seeks the magic of light beyond guardians of shadow. In a land of sand and splendor, glory will go to those with the sharpest steel and the hardest hearts. One war has ended. Now the world will burn. When the Encircled Sea storms, kingdoms are no sturdier than sandcastles. Rulers and rebels battle for golden thrones, but will they find only crowns of rust.

The Holdout Graham Moore, 2021-05-11 NEW YORK TIMES BESTSELLER One juror changed the verdict. What if she was wrong? From the Academy Award-winning screenwriter of *The Imitation Game* and bestselling author of *The Last Days of Night*, an ID Book Club Selection in development as a limited series starring and executive produced by Amy Adams. Exhilarating, a fiendishly slippery game of cat and mouse, suspense, and a provocative, urgent inquiry into American justice and injustice in the twenty-first century. A.J. Finn, 1 New York Times bestselling author of *The Woman in the Window*. It's the most sensational case of the decade. Fifteen-year-old Jessica Silver, heiress to a billion-dollar real estate fortune, vanishes on her way home from school, and her teacher, Bobby Nock, a twenty-five-year-old African American man, is the prime suspect. The subsequent trial taps straight into America's most pressing preoccupations: race, class, sex, law enforcement, and the lurid sins of the rich and famous. It's an open and shut case for the prosecution, and a quick conviction seems all but guaranteed, until Maya Seale, a young woman on the jury convinced of Nock's innocence, persuades the rest of the jurors to return the verdict of not guilty, a controversial decision that will change all their lives forever. Flash forward ten years. A true-crime docuseries reassembles the jury with particular focus on Maya, now a defense attorney herself. When one of the jurors is found dead in Maya's hotel room, all evidence points to her as the killer. Now she must prove her own innocence by getting to the bottom of a case that is far from closed. As the present-day murder investigation entwines with the story of what really happened during their deliberation, told by each of the jurors in turn, the secrets they have all been keeping threaten to come out with drastic
